The Decaying Empire - Laura Thalassa 2015-04-21

When eighteen-year-old teleporter Ember Pierce wakes up in a Los Angeles hospital, she remembers only the basics: she's been trained by the government as a spy, she's sent on dangerous missions, and her last assignment—the one that landed her in the hospital—was a setup. Caden Hawthorne has spent the past ten months of his life grieving Ember's death. So when she shows up in his room like an apparition, he can't believe his eyes. But this

Ember is different. Her hair is longer, her skin is paler, her gaze is haunted. She tells him what he's already begun to suspect: someone he trusted betrayed her. Now, uncertain who is friend and who is foe, Ember and Caden face the toughest mission of their lives—to stay together and survive, as they run from danger toward an unknown future.

[The Blood Witch](#) - Ivy Asher 2021-03-27

I never saw it coming...the bones...the magic...the

betrayal. It's no longer a question of who I can trust-the answer is no one. Now, it's about survival.I'm in the heart of the Order, trying to solve a series of mysterious disappearances, while doing everything that I can not to become bait. Enemies are circling, and they can't seem to decide if they see me as a pawn or as a threat. Oh, and there's that little issue of being tethered to Rogan, who I now want to kill. It's time to figure out just what I'm capable of though. Because fool me once...shame on you. But fool me twice...and I will crush your bones to dust.My name is Lennox Osseous, and I'm about to unleash the wrath of the Bone Witch.

The British Knight - Louise Bay

When I'm offered the chance to leave New York to live in London for three months, I can't pack my suitcase fast enough. As soon as I touch down I'm obsessing over red telephone boxes, palaces and all the black cabs. But my favorite place is the tube. It's

wall-to-wall hot British men in suits. When I'm offered a temporary job working for a barrister, I say, sign me up. On my first commute into work, it's a total accident when I lose my balance and fall against the most handsome Brit alive. He's as charming as James Bond and as suave as Mr. Darcy. I want to lick tea from his hard abs and listen to his accent all night long. Turns out Mr. Handsome is my new boss. And his attitude isn't as hot as his gorgeous face, broad shoulders and tight ass. He's brooding, short-tempered and the most arrogant man I've ever met. As we're fighting, out of nowhere he kisses me. And I'm pretty sure I see fireworks over Big Ben and hear God Save the Queen. I wasn't looking for the fairytale but I might have found my knight in shining armor. The problem is he lives an ocean away. A stand-alone, enemies to lovers, grumpy sunshine romance. Other stand-alone books in this series. They can be read in any order. Book 1. King of Wall Street (Max and Harper) Book

Mr. Mayfair - Louise Bay

2021-01-14

It should be the most shocking news I'd ever gotten—My boyfriend is getting married. Okay, technically he's my ex-boyfriend. Two months ago he decided he wanted a break. I

still thought he was my happily ever after. On any other day, knowing he was gone for good would be the worst thing that could possibly happen. But not today. Because not only is my boyfriend getting married—his bride is my best friend. And they've sent me an invitation. There's no way I'm going to attend. I don't care if it's in beautiful Scotland. Nothing and no one could convince me. Not even when a deliciously handsome stranger tells me he needs to go as my plus one. Not even when he shoots me a wickedly, sexy smile. But then he offers me the opportunity of a lifetime—a dream come true. How can I say no? But I have one condition. He has to be my new boyfriend. I mean, my pretend new boyfriend. I'm about to find out that faking it can be a whole lot of fun. Mr. Mayfair is a standalone book in the Mister world. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And

then there are the whispers among the slaves, whispers of an evil that's been awoken. If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

The Coveted - Laura Thalassa
2013-12-12

""In places that know more about heaven and hell than we do, you have a reputation, Gabrielle. To them you are known as the devil's consort."" When a body shows up near Peel Academy, all signs indicate the killer is a vampire. Ravaged throat, body drained of blood. At least that's all it appears to be when the Politia, the supernatural police force, assigns Gabrielle to the case. Now it's Gabrielle's job to

figure out who did it. But after a second body turns up with the same lethal wounds, it's clear that a serial killer is stalking the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

Summoner Rising - Melanie McFarlane 2017-03-28

Law One: A summoner is responsible for all creatures she lets through from the netherworld. Dacie Cantar wishes someone had explained the Laws of Summoning to her before she watched a shadowy

creature crawl out of a painting at the local arcade. But at least it explains the strange things she's witnessed since moving in with her great-aunt, after her mother's untimely death. But who wants to be followed by shadows the rest of their life? Add that to being stalked by a strange boy at school, who just might be her Tovaros or soulmate, and it's about all Dacie can handle in her new life. As she nears her seventeenth birthday, will she be ready for her new responsibilities, or will the shadows that stalked her mother until her death, finally consume Dacie, too? And then there's Law Two...

The Cursed - Laura Thalassa
2014-06-12

Due to language, violence, and sexual situations, this book is recommended for mature audiences. It's been two months. Two months since Gabrielle survived the horror that was Samhain. Two months since she slipped from the devil's clutches. Two months since she learned that she might have to face him again.

Her nights are plagued by dreams of him, and she wakes to find that she's creeping closer to that unholy reunion. So when a ritualistic murder occurs on a ley line in Romania and Gabrielle is called in to investigate, it seems like a harbinger of things to come. Angelic victims, a killer that smells like ash and roses, and wounds that speak of pagan sacraments-it should be enough evidence for Gabrielle to solve the case and get back to her winter break. But the clues keep slipping through her fingers; someone is always one step ahead. In the same city, Andre De Leon, king of the vampires, stands trial for the massacre at Bishopcourt, and his coven's justice system is infamous for its cruelty. Up until now he's been able to shield Gabrielle from their brutality, but her nearness makes her vulnerable to their wrath, and they will use her to get to Andre. A killer, a vampire trial, the devil-all in the same city. It's too coincidental, which is to say that it is not a coincidence at

all. Fate has betrayed her.

From Blood and Ash - Jennifer L. Armentrout

2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question

everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
