Ingrid doesn't have a family fortune, monetary or magical, but at least she has a plan: Rise to the top on the arm of Linden Holt, heir to a hefty political legacy and the largest fortune of flare in all of Candescence. Her only obstacle is Linden's father who refuses to acknowledge her. So when Senator Holt announces his run for president, Ingrid uses the situation to her advantage. She strikes a deal to spy on the senator's opposition in exchange for his approval and the status she so desperately craves. But the longer Ingrid wears two masks, the more she questions where her true allegiances lie. Will she stand with the Holts, or will she forge her own path?

**The Story of Ferdinand** - Munro Leaf  
2017-09-05

Once upon a time in Spain, there was a little bull and his name was Ferdinand . . . Unlike all the other little bulls - who run, jump, and butt their heads together in fights - Ferdinand would rather sit under his favourite cork tree and smell the flowers. So what will happen when Ferdinand is picked for the bull fights in Madrid? Beloved all over the world for its timeless message of peace, tolerance and the courage to be yourself, this truly classic story has never been out of print in the US since its release in 1936. Hitherto unpublished in the UK and now a major motion picture.

*White Snow, Bright Snow* - Alvin Tresselt  
2015-11-06

When the first flakes fell from the grey sky, the postman and the farmer and the policeman and his wife scurried about doing all the practical things grownups do when a snowstorm comes. But the children laughed and danced, and caught the lacy snowflakes on their tongues. All the wonder and delight a child feels in a snowfall is caught in the pages of this book -- the frost ferns on the window sill, the snow man in the yard and the mystery and magic of a new white world. Roger Duvoisin's pictures in soft blue half-tones with brilliant splashes of yellow and red emphasize the gaiety and humor as well as the poetic quality of the text.—Print Ed.

*The Story of Ferdinand* - Munro Leaf 1977-06-30  
A true classic with a timeless message! All the other bulls run, jump, and butt their heads together in fights. Ferdinand, on the other hand, would rather sit and smell the flowers. So what will happen when Ferdinand is picked for the bullfights in Madrid? *The Story of Ferdinand* has inspired, enchanted, and provoked readers ever since it was first published in 1936 for its message of nonviolence and pacifism. In WWII times, Adolf Hitler ordered the book burned in Nazi Germany, while Joseph Stalin, the leader of the Soviet Union, granted it privileged status as the only non-communist children's book allowed in Poland. The preeminent leader of Indian nationalism and civil rights, Mahatma Gandhi—whose nonviolent and pacifistic practices went on to inspire Civil Rights leader Martin Luther King, Jr.—even called it his favorite book. The story was adapted by Walt Disney into a short animated film entitled *Ferdinand the Bull* in 1938. *Ferdinand the Bull* won the 1938 Academy Award for Best Short Subject (Cartoons).

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing.

Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.

Accompanied by her chaperone, Miss Logan, Iris soon discovers a kindred spirit who shares her thirst for knowledge. As they journey from Cambridgeshire to East Africa, Iris's eyes are

opened to a world she never knew existed beyond the comforts of her family home. But when Iris meets Jeremy, she realizes in a heartbeat that they will never be compatible. He is cold and cruel, spending long periods of time on hunting expeditions and leaving Iris alone. Determined to make the best of her new life, Iris begins to adjust to her surroundings; the windswept plains of Nairobi, and the delightful sunbirds that visit her window every day. He is passionate, kind and he occupies Iris's every thought. She must make a choice, but if she follows her heart, the price she must pay will be devastating. A beautifully written and mesmerizing story that will captivate fans of Dinah Jefferies, Victoria Hislop and Lucinda Riley. 'This is a gorgeous book, filled with descriptions of what sounds like one of the most beautiful places on earth. After I read it, I had to go purchase the author's other book, *The Poet's Wife*, which I can't wait to dive into.' For the Love of Books What readers are saying about *The Poet's Wife*: 'A heart-wrenching novel of love, loss and hope.' Daily Express 'A magnificent historical family saga beautifully written and offers an insight into a unique period of time. I urge you to read it.' The Sun 'I loved every minute of it. Shaz's Book Blog 'A compelling, beautifully rendered tale... steeped in historical fact, with a wonderful storyline. A book definitely worth reading.' Historical Novel Review 'A beautiful and powerful book. Nothing I say can do this book justice. Please read it. You will be glad you did.' Renita D'Silva 'This was a very moving portrayal of a family's struggles and survival during the Spanish revolution. From the author's words I felt the heartbreak of these atrocities, the fear surrounding them but I also felt the warmth from the love that had blossomed. A very well written historical family saga I can highly recommend.' Krafti Reader

**Wee Gillis** - Munro Leaf 2006-05-30

A Caldecott Honor Book by the creators of the beloved *Story of Ferdinand*, Wee Gillis lives in

Scotland. He is an orphan, and he spends half of each year with his mother's people in the lowlands, while the other half finds him in the highlands with his father's kin. Both sides of Gillis's family are eager for him to settle down and adopt their ways. In the lowlands, he is taught to herd cattle, learning how to call them to him in even the heaviest of evening fogs. In the rocky highlands, he stalks stags from outcrop to outcrop, holding his breath so as not to make a sound. Wee Gillis is a quick study, and he soon picks up what his elders can teach him. And yet he is unprepared when the day comes for him to decide, once and for all, whether it will be the lowlands or the highlands that he will call his home. Robert Lawson and Munro Leaf's classic picture book is a tribute to the powers of the imagination and a triumph of the storyteller's and illustrator's art.
