[The Bread of Salt and Other Stories](#) - N. V. M. Gonzalez 2011-11-01

Long considered the dean of modern Philippine literature, N. V. M. Gonzalez has influenced an entire generation of young Philippine writers and has also acquired a devoted international readership. His books, however, are not widely available in this country. The Bread of Salt and Other Stories provides a retrospective selection of sixteen of his short stories (all originally written in English), arranged in order of their writing, from the early 1950s to the present day. This is a powerful collection, both for the unity and universality of the author's subjects and themes and for the distinctive character of his prose style. As Gonzalez remarks in his Preface: "In tone and subject matter, [these stories] might suggest coming full circle - in the learning of one's craft, in finding a language and, finally, in discovering a country of one's own." Gonzalez has traveled widely and has taught the writer's craft in various countries. Nonetheless, his primary metaphor is his colonial island homeland, and his stories are peopled with the farmers and fishermen, the schoolteachers and small-town merchants, "the underclass who constitute the majority in all societies." He portrays, in the men, women, and children of the peasantry, an ordinary and enduring people who live lives of stark dignity against a backdrop of forgotten and unknown gods. A broad humanity suggests itself: "This feeling of having emerged out of a void, or something close to it, is not uncommon, and we face our respective futures predisposed, by an innocence, to prayer and hope." Colonization, Gonzalez feels, has created in Filipinos "a truly submerged people." The stories in The Bread of Salt explore this rich vein at several levels, from the river-crossed wilderness of the kaingin farmers, stoic in the hard face of nature; to the commercial centers of the town dwellers, cut off from the mythic animism of the land; to the America of the contemporary sojourner, exiled from the old ways without the guidance of new traditions. Gonzalez writes: "It was in America that I began to recognize my involvement in the process of becoming a new person . . . of trying to shed my skin as a colonial." Gonzalez's social commentary is implicit throughout his stories. His message is humane, moral, tellingly accurate, and gently ironic; he is neither sentimental nor doctrinaire. His narratives are presented without intrusive explanation, invoking

instead the reader's own powers of contemplation and discovery. His strong prose style, spare yet lyrical suggests the cadences of Philippine oral narrative traditions. Each of these sixteen tales is a small masterpiece. The language and its imagery, the characters and their aspirations, all connect powerfully with the reader and serve to illuminate the dreams of exiles and colonials, suggesting what it was like, as a Filipino, to witness the endless interacting of cultures.

*America Is in the Heart* - Carlos Bulosan 2019-05-21

A 1946 Filipino American social classic about the United States in the 1930s from the perspective of a Filipino migrant laborer who endures racial violence and struggles with the paradox of the American dream, with a foreword by novelist Elaine Castillo Poet, essayist, novelist, fiction writer and labor organizer, Carlos Bulosan (1911-1956) wrote one of the most influential working class literary classics about the U.S. pre-World War II, a period and setting similar to that of Steinbeck's The Grapes of Wrath and Cannery Row. Bulosan's semi-autobiographical novel America is in the Heart begins with the narrator's rural childhood in the Philippines and the struggles of land-poor peasant families affected by US imperialism after the Spanish American War of the late 1890s. Carlos's experiences with other Filipino migrant laborers, who endured intense racial abuse in the fields, orchards, towns, cities and canneries of California and the Pacific Northwest in the 1930s, reexamine the ideals of the American dream. Bulosan was one of the most important 20th century social critics with his deeply moving account of what it was like to be criminalized in the U.S. as a Filipino migrant drawn to the ideals of what America symbolized and committed to social justice for all marginalized groups. **The Bias That Divides Us** - Keith E. Stanovich 2021-08-31

Why we don't live in a post-truth society but rather a myside society: what science tells us about the bias that poisons our politics. In The Bias That Divides Us, psychologist Keith Stanovich argues provocatively that we don't live in a post-truth society, as has been claimed, but rather a myside society. Our problem is not that we are unable to value and respect truth and facts, but that we are unable to agree on commonly accepted truth and facts. We believe that our side knows the truth. Post-truth? That describes the other side. The inevitable result is political polarization. Stanovich shows what science can tell us about myside bias: how common it is, how to avoid it, and what purposes it serves. Stanovich explains that although myside bias is ubiquitous, it is an outlier among cognitive biases. It is unpredictable. Intelligence does not

inoculate against it, and myside bias in one domain is not a good indicator of bias shown in any other domain. Stanovich argues that because of its outlier status, myside bias creates a true blind spot among the cognitive elite--those who are high in intelligence, executive functioning, or other valued psychological dispositions. They may consider themselves unbiased and purely rational in their thinking, but in fact they are just as biased as everyone else. Stanovich investigates how this bias blind spot contributes to our current ideologically polarized politics, connecting it to another recent trend: the decline of trust in university research as a disinterested arbiter.

**How to Stand Up to a Dictator** - Maria Ressa 2022-04-12

WINNER OF THE NOBEL PEACE PRIZE 2021 What will you sacrifice for the truth? Maria Ressa has spent decades speaking truth to power. But her work tracking disinformation networks seeded by her own government, spreading lies to its own citizens laced with anger and hate, has landed her in trouble with the most powerful man in the country- President Duterte. Now, hounded by the state, she has multiple arrest warrants against her name, and a potential 100+ years behind bars to prepare for - while she stands trial for speaking the truth. How to Stand Up to a Dictator is the story of how democracy dies by a thousand cuts, and how an invisible atom bomb has exploded online that is killing our freedoms. It maps a network of disinformation - a heinous web of cause and effect - that has netted the globe- from Duterte's drug wars, to America's Capitol Hill, to Britain's Brexit, to Russian and Chinese cyber-warfare, to Facebook and Silicon Valley, to our own clicks and our own votes. Told from the frontline of the digital war, this is Maria Ressa's urgent cry for us to wake up and hold the line, before it is too late. Praise for Maria Ressa- Winner of the UNESCO Press Freedom Award 2021; Nobel Peace Prize WINNER 2021 'A personal hero of mine ... she's an important warning for the rest of us' Hillary Clinton 'Maria Ressa is 5ft 2in, but she stands taller than most in her pursuit of the truth' Amal Clooney 'Maria is a key voice ... she is so incredible in so many ways' Carole Cadwalladr

**Engendering Men** - Joseph A. Boone 2012-08-21

Over the past several years, the question of men's relation to feminism has become a fiercely and sometimes bitterly debated subject. Engendering Men demonstrates the creative impact that feminist modes of inquiry have already had on a new generation of male critics. In the wake of feminism, many men have found it imperative to begin the task of retheorizing the male position in our culture. This collection of new essays brings together seventeen male critics whose work - on poetry, fiction, the Broadway stage, film and television, and broader cultural and psychoanalytic texts - is opening up new avenues in criticism, as well as in gender and feminist theory.

**The Modern Principalia** - Dante C. Simbulan 2005

The Modern Principalia is about the Philippine ruling elite--who they are and how they evolved in history. It delves into their economic interests as well as their lifestyles, how they acquired their wealth and built a world of their own. It describes their family links and their interlocking interests with other elites and foreign partners. The book also examines the values and behavior of the elite in politics and government,

how they exploit the poverty and ignorance of the masses to win political power, and what they do with that power.

**Bliss - Complete Series** - Lucia Jordan 2021-10-25

Here, presented in one volume, are the four stories that comprise the 'Bliss' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion. When Keira Delane rented the guest house on art collector Matthew Hunter's estate, she never imagined she would become involved with her handsome, wealthy and mysterious landlord. Yet over time she has become a voyeur of Matthew's private life and developed a powerful desire for him that nothing can satisfy. When an unexpected blizzard descends and cuts power to the guesthouse, Matthew takes Keira to the mansion to ride out the storm with him. Keira quickly discovers that Matthew feels the same attraction. Now alone with Keira, he can test the depth of her attraction, but can she submit to his needs, and to all the wild fantasies in his heart? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.

*In the Country of Men* - Hisham Matar 2007-01-30

BONUS: This edition contains an excerpt from Hisham Matar's *Anatomy of a Disappearance*. Libya, 1979. Nine-year-old Suleiman's days are circumscribed by the narrow rituals of childhood: outings to the ruins surrounding Tripoli, games with friends played under the burning sun, exotic gifts from his father's

constant business trips abroad. But his nights have come to revolve around his mother's increasingly disturbing bedside stories full of old family bitterness. And then one day Suleiman sees his father across the square of a busy marketplace, his face wrapped in a pair of dark sunglasses. Wasn't he supposed to be away on business yet again? Why is he going into that strange building with the green shutters? Why did he lie? Suleiman is soon caught up in a world he cannot hope to understand—where the sound of the telephone ringing becomes a portent of grave danger; where his mother frantically burns his father's cherished books; where a stranger full of sinister questions sits outside in a parked car all day; where his best friend's father can disappear overnight, next to be seen publicly interrogated on state television. *In the Country of Men* is a stunning depiction of a child confronted with the private fallout of a public nightmare. But above all, it is a debut of rare insight and literary grace.

**The Emperor's New Clothes** - H. C. Andersen 2013-12-12

The tale of the emperor and his court, who allow themselves to be swindled by two impostors until a child tells the truth. The famous and much-loved Danish author Hans Christian Andersen celebrated his 200 anniversary the year 2005. On this occasion we have published five of his best tales retold for children aged 3-9 years and with new illustrations: *Tinderbox*, *The Little Match Girl*, *The Nightingale*, *The Emperor's New Clothes* and *The Ugly Duckling*. Hans Christian Andersen wrote *The Emperor's New Clothes* in 1844.
