The Protestant Ethic and the Spirit of Capitalism - Max Weber

2012-04-19

Author's best-known and most controversial study relates the rise of a capitalist economy to the Puritan belief that hard work and good deeds were outward signs of faith and salvation.

Hands-On History: World History Activities - Garth Sundem 2006-04-25

Making learning fun and interactive is a surefire way to excite your social studies students. This book includes game-formatted activities for major historical topics. While the goal of these activities is to create excitement and to spark interest in further study, they are also standards based and include grading rubrics and ideas for assessment.

Encouraging teamwork, creativity, intelligent reflection, and decision making, the games of Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills. 204pp.

Discourses on Livy - Niccolò Machiavelli 2009-02-27

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—Choice

Middle Ages, Renaissance, and Reformation History - Marlin Detweiler

1998

Cracking the AP European History, 2004-2005 - Kenneth Pearl 2004

Offers a subject review, exam strategies, and two full-length sample tests.

The Book of the Courtier - conte Baldassarre Castiglione 1903

World History - Stephanie Kuligowski, and Kelly Rodgers

Holt People, Places, and Change - Robert J. Sager 2003

The Anabaptists - Balthasar Hubmaier 2014-03-08

They denounced the kind of reformation proposed by Luther, Zwingli and Calvin as a halfway affair. They believed in a national state church no more than they believed in the Roman church. To them religion was the intimate concern of each individual soul, and the church was a voluntary society of the regenerate, who had been saved by faith in Christ and were living obediently to Christ's principles.

Utopia - Thomas More 2017-01-27

The first half (Book I) of *Utopia* is a dialogue, which presents a perceptive analysis of contemporary social, economic, penal, and moral ills in England; the second (Book II) is a narrative describing Utopia, a country run according to the ideals of the English humanists, where poverty, crime, injustice, and other ills do not exist. This new 2017 edition of Thomas More's complete and unabridged *Utopia* features the modern translation from the Latin of Gilbert Burnet.

Comparative Sociology of Examinations - Fumiya Onaka 2019-03-28

Contemporary societies are constructed, constricted, and constrained by various series of examinations. Governments of both Western and non-Western countries tend to conduct detailed, multi-layered and continuous systems of tests or examinations. International tests, such as PISA and TIMSS, have also been introduced to compare the relative performances of learners within diverse educational institutions across different countries. Examinations therefore provide a methodological pivot for comparing a range of societies. They enable us to contrast the West and the East; the North and the South; tribal and mass society; ancient and postmodern civilization; and so on. Comparing parallel societies from across Asia, the Middle East, Europe, and North America, this book proposes fundamental transitions in sociological research from system to process and from communication to composition through intensive studies on examinations. It uses ethnographies, interviews, questionnaires, documents, statistics, and big-data analyses to make

comparisons on broad scales of time and space. In so doing, it suggests hypotheses encompassing different kinds of societies in human history, including those in the Axial Age and the Modern Ages.

Cracking the AP European History Exam, 2014 Edition - Pearl, Kenneth 2013-08-06

Reviews subjects on the test, offers tips on test-taking strategies, and includes two full-length practice exams with answers and explanations. *World History* - Holt Rinehart & Winston 2000

October 31, 1517 - Martin E. Marty 2016-05-01

This new book by religion scholar Martin Marty, released in time for the 500th Anniversary of the Protestant Reformation, shows how Martin Luther's insights still speak to the church today about reconciliation, repentance and the need for "a change of heart." Included are the 95 Theses of Martin Luther. "The 'one thing' that opens these pages relates to and, in fact, is the first of ninety-five theses that were proposed five hundred years ago by Martin Luther.... Here is that first thesis, as it was voiced by that influential monk in Germany half a millennium ago: "When our Lord and Master Jesus Christ said, 'Repent' (Matthew 4:17), he willed the entire life of believers to be one of repentance. So, simply put, this book is about 'repentance' as a worthy theme for believers to keep in mind if and as they commemorate events of five hundred years ago, events that still shape many features of their lives." — Martin Marty "Martin Marty's attention to October 31, 1517, the day that Martin Luther promulgated his 95 Theses, provides valuable insights for the past, the present, and the future—why Luther's articulation of 'repentance' meant so much then, why his commitment to 'justification' has now built a bridge for Catholics and Lutherans to work with each

other, and why this great event of 500 years ago might herald a hopeful future for Christian believers and all others. There is an awful lot packed readably into this one small book." — Mark Noll, Francis A. McAnaney Professor of History, University of Notre Dame "I would not dream of preparing my mind and heart for the celebration of Luther's role in the Reformation without finding out what Martin Marty has to say on the subject. And he says it here in this wonderful little book. The gifted historian that he is, Marty gives us much solid information. But he also writes eloquently about how best to prepare our souls for the kind of commemoration that also includes some prayers of repentance."

—Richard Mouw "This pithy book offers valuable insight on how Luther's 95 theses have had a profound influence on the ecumenical movement, and can help Christians today understand what it means to be a member of a truly 'catholic' church." —Kathleen Norris "Martin Marty is the most widely respected historian of Christianity in the United States today. In this little book he with clarity, compassion, and a good dose of common sense shows how Luther's story is meaningful today." — Rev. John O'Malley, S.J., University Professor, Georgetown University "From one of the world's most preeminent scholars of religion comes a book about repentance; ...It is a gem."— James Martin, SJ

Hands-On History--Renaissance and Reformation - Garth Sundem 2014-01-01

Make studying history fun and interactive to motivate your students. Encourage teamwork, creativity, reflection, and decision making. Take an active approach to teaching while inspiring your students to make their own explorations of world history.
