Tithing to Giving to Kingdom Living - Apostle D. Sampson 2022-11-03

What are the true kingdom principles that Jesus Christ taught? Why are so many churches failing our communities and the world? If you are searching for the answer to these questions, this book has them. Many churches have abandoned the true principles of the Kingdom. So many religious leaders today have become lovers of money, the world and of themselves, rather than of the people that they are supposed to be helping. Because of this, people have lost faith in the Church. This book was written to address and to correct those issues. It teaches the true principles of the Kingdom of God, while exposing the error, ignorance, and many false teachings of the Church—particularly tithing. It reveals the truth about what the Lord's will is concerning his true

Church and your life. This book highlights many issues that the Church has created by not teaching the truth to the people, while giving you the keys to living a full and blessed life. God's Kingdom Principles are what the world needs—not more scandals, not more church politics, not more organizations, and certainly not more traditions. God knows what he's doing. So if you apply his principles to your life, they will work. And he will show you exactly what Kingdom Living is all about. It doesn't matter if you worship God in a building or in your home. What matters is what he sees when he looks into your heart! And that is what this book is designed to do: change your heart! But it will also change your life. For you shall know the truth and the truth will set you free.

Kingdom People Living by Kingdom Principles - Dr.

Dalton Jenkins 2013-07-08

We do not have to travel to some foreign country to locate the mission field. Right here,

literally in our backyards, the world has come to us. The church's basic mission is to preach the gospel of the kingdom of God; this message has social and political aspects to its application. This is the fundamental responsibility of the church. This message is holistic and affects the total person. As the church develops a comprehensive and practical understanding of missions, this will propel Christians to act out their missional call. The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives. To capture the full essence of missions, this book introduces a process called strategic evangelism. This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus, to develop a better awareness of local missions, and to introduce a process that will assist people to live out the mission by engaging their communities.

From there God's purpose became a work-in-progress in their lives. Life's experiences and following Christ brought them to the place where God is ALL to them. They believe the Holy Spirit is their Millennial Christ.

Rising Above Mediocrity, Accessing the Abundant Life - Xavier Trone Carter Sr. Ed D. 2012-03

"In addition to In His Own Image: Understanding and Enjoying the Full Complement of Salvation, Dr. Carter has also written and is in the

process of publishing Rising above Mediocrity, Accessing the Abundant Life: Taking Christian Practices to the Next Level. "In Rising above Mediocrity, Accessing the Abundant Life, Dr. Carter endeavors to delineate a not-to-well-known procedural process that leads to significant spiritual growth and development. As a friend and colleague, I too believe that its insights will be profitable for those who have an ear to hear what the Spirit is saying to the organized Church. Dr. Carter is correct when he says, "People would do better if they knew better," even if they don't agree with him. However, as one who is in total agreement, I believe he has done a masterful job of describing and delineating a verbal portrait of the person, the presence, and the power of the all-knowing, all-powerful, all-seeing, and ever-present God of creation. These publications reflect the experiences and exposure of this author while on the road to repentance and regeneration." Reverend D. D. Alexander,

**Kingdom Living: How to
Activate Your Spiritual
Authority** - Jonas Clark
2007-02

Every move of the Spirit of God throughout history has led up to this moment in time. From the days of John the Baptist God has been restoring His Kingdom on the earth. When Jesus came on the scene He declared saying, the time is fulfilled, repent (change your mind) and believe the Gospel of the Kingdom. The message of the Kingdom is a message of dominion, authority and purpose. According to Apostle Peter every born again believer is part of the priesthood of kings. Most believers are well acquainted with their priesthood but do we understand our kingship and how to walk in it? As a priesthood we can worship the Father in Spirit and Truth, sing, pray and prophesy. But what about our kingship? Throughout this book the Holy Spirit reveals this pivotal

mystery of every believer's kingship. Jesus is the Kings of kings, discover who these kings are and take your position in Jesus? Kingdom revolution. Turning The World Right Side Up - Apostle Willie J. Aaron, JR. 2021-02-15

In the book of Acts the apostles began to preach after Jesus' ascension the gospel of the Kingdom. This is the same gospel Jesus preached and great miracles were written with this type of preaching. One could speculate and it is obvious we are not seeing the mighty works of Jesus or the apostles today because we have deviated from preaching the gospel of the Kingdom. Today, there are all types of preaching: the gospel of grace, the gospel of prosperity, the gospel of healing but no obvious power. Acts 17:6 says these men (the apostles) have turned this world upside down. Why, because they preached the gospel of the Kingdom. If we return to preaching and teaching the Kingdom message, we will turn this world right side up. The power

will return, the anointing will return, the glory of God will return, and we will see mighty works of God happening in all nations. We will witness in this day the apostles and prophets' band together, Jews and Gentiles band together, spiritual gifts in operation like never seen before. This is the day that the army of the Lord is seen marching forth shattering the spiritual walls of religion and apostasy. God is saying to those that have ears to hear, take another look into the spirit realm, take another look into the supernatural and great and mysterious things will be revealed.
