*A Second Chance at Life* - Eric Morris 2018-10-16

This is Eric Morris's ninth book. However, unlike the others, this one is not about acting or just for actors. This book is for everyone. Eric's other books are based on a system that he expanded and modified, as he innovated techniques and approaches to free people from obstacles and emotional blocks that cripple their ability to experience and express their emotions freely. An actor himself and a teacher of acting for almost sixty years, Eric Morris has created hundreds of exercises and techniques that eliminate the years of damage that we in our society have become victims of. Because of his unique approach to the teaching of actors, his process has evolved into an incredible set of tools that miraculously work to free all people from the damaging experiences that have accumulated in their lives. The focus in this book is on finding those damaging experiences and, by using the specific approaches that Eric has created, repairing the damage so as to enjoy a life of happiness and success.

**Acting in Commercials** - Joan See 2011-11-16

Every actor knows that working in commercials is lucrative. But many actors, trained primarily for working on the stage, have mistaken ideas about this field and lack essential on-camera experience. Now in an updated and expanded edition, Acting in Commercials is the only resource that fills all the gaps in the performer's knowledge of this demanding medium. Invaluable for its insight into the craft as well as the business of acting, it tells you how to prepare for commercial auditions and, once you've landed a job, how to deliver the most expressive on-camera performance—leading to more work and success in a competitive field. Author Joan See illuminates all the secrets she has learned while appearing in hundreds of commercials over the past thirty years. She shows you how to approach five distinctly different commercial forms and explains the specific acting techniques to employ in each. In fact, Acting in Commercials will take you beyond commercial work, sharpening all your acting skills for a broader film and television career. [Glenn Alterman's Secrets to Successful Cold Readings](#) - Glenn Alterman 2007

From entrance to exit, every facet of cold readings for audition success is covered in this new book, Glenn Alterman's Secrets to Successful Cold Readings. Alterman provides step-by-step examples of how to quickly break down scenes and monologues during cold readings, with detailed chapters on theater, TV, soap operas, film, and commercials. Chapters

include: Nuts and Bolts: The 50 Basic Requirements for All Cold Readings? 25 Technical Rules for Cold Readings? The 25 Most Common Cold-Reading Mistakes? 50 Things You Need to Know for All Theater Cold-Reading Auditions Also included are dozens of interviews and insights from many of the major casting directors in New York and Los Angeles, as well as exciting, rare monologues that actors can use for their next audition. He recently was voted first runner-up for "The Best Private Acting Coach in New York" by the readers of Backstage newspaper.

**The Map** - Stef Tovar 2021-09-15

The MAP: An Actor's Guide to On-Camera Acting teaches on-camera acting in a practical and technical way—helping new actors understand the rules of on-camera acting as if they are learning a foreign language and applying that language to their acting skill set. The book gives actors a step-by-step technique on how to audition for on-camera acting jobs and what to do on set after booking them. Many on-camera acting books are written by established movie stars and aren't geared toward actors in an undergraduate acting program or those who are just starting to audition for on-camera jobs for the first time. Stef Tovar teaches his proven on-camera acting technique, shows actors how to make the perfect self-tape, and prepares them for life on set—detailing the differences between working in the theater vs. working in television and film. The author peppers the text with his own stories from set as examples, including auditioning for Lee Daniels and working with Matt Damon, Steven Soderbergh, and many others. The MAP is a funny and encouraging perspective from a seasoned actor who shares with aspiring actors things no one tells you before booking your first on-camera acting job.

**The Science and Art of Acting for the Camera** - John Howard Swain 2017-07-31

The Science and Art of Acting for the Camera provides a precise yet practical approach to help unlock the mysteries of acting for film and television. Written by veteran actor, producer, and director John Howard Swain, the book offers a clear-cut, no-nonsense technique that equips aspiring or working actors with the necessary skills to succeed on camera. The technique teaches you how to build multi-dimensional characters; construct truthful and exciting relationships; ignite stimulating emotions; craft a series of discoveries guaranteed to energize your work; and much, much more. The book also provides instruction for actors working in commercials—from slating, to the dreaded "tell us about yourself" interview, to nailing "the tag" and embracing the cliché—and supplies sample commercial copy for students to practice.

**Actors and Performers Yearbook 2015** - 2014-11-13

Actors and Performers Yearbook is an established and respected directory that enables actors to find work in stage, screen and radio. It is the only directory to provide detailed information for each listing and specific advice on how to approach companies and individuals, saving hours of further research. It's packed with practical information—on everything from what to say in a cover letter to where to stand when performing in agent's office—including: •How to craft a winning theatrical résumé •The most effective ways to join the performer's unions •Tactics for getting an agent •Strategies for finding work in the theater, on daytime television, and in independent films •Navigating the different customs and cultures of New York and Los Angeles O'Neil has updated Acting as a Business to keep up with the latest show-business trends, including how best to use the Internet, making this new edition

no actor should be without.

Acting Face to Face - John Sudol 2013-05-15

The book is particularly useful for actors transitioning from stage to screen, by clearly defining the difference. On stage, you communicate with your body and voice; on camera you need to add a third means of communication - your face. The book contains detailed photos and experiential exercises; it also helps you understand how you personally communicate and what's missing or misunderstood about your facial expressions, so you can take your acting to the next level.

**Secrets of Screen Acting** - Patrick Tucker 2014-11-18

When it was first published in 1993, *Secrets of Screen Acting* broke new ground in explaining how acting for the camera is different from acting on stage. Reaction time is altered, physical timing and placement are reconceived, and the proportions of the digital frame itself become the measure of all things, so the director must conceptualize each image in terms of this new rectangle and actors must 'fit' into the frame. Based on a revolutionary non-Method approach to acting, this book shows what actually works: how an actor, an announcer--anyone working in front of the cameras--gives excellent performances on screen. Instead of starting with what is real and trying to wrestle that onto the screen, Patrick Tucker explains how to work with the realities of a shoot and work from there towards the real. His step-by-step guide to the elements of effective screen acting is an extension and explanation of a lifetime of work in the field, containing over 50 acting exercises and the tried-and-tested Screen Acting Checklist. As well as being completely updated to cover new techniques, film references and insights, this third edition now includes a set of Film Clip Time Codes for each film. These not only itemise the films discussed in each chapter, but also pinpoint the precise moments where each example can be found so that students, teachers, and professional actors can refer to them quickly and easily.

Filmmaking - Jason Tomaric 2013-05-02

Hollywood Unknowns - Anthony Slide 2012-09-05

Extras, bit players, and stand-ins have been a part of the film industry almost from its conception. On a personal and a professional level, their stories are told in *Hollywood Unknowns*, the first history devoted to extras from the silent era through the present. *Hollywood Unknowns* discusses the relationship of the extra to the star, the lowly position in which extras were held, the poor working conditions and wages, and the sexual exploitation of many of the hardworking women striving for a place in Hollywood society. Though mainly anonymous, many are identified by name and, for perhaps the first time, receive equal billing with the stars. And *Hollywood Unknowns* does not forget the bit players, stand-ins, and doubles, who work alongside the extras facing many of the same privations. Celebrity extras, silent stars who ended their days as extras, or members of various ethnic groups--all gain a deserved luster in acclaimed film writer Anthony Slide's prose. Chapters document the lives and work of extras from the 1890s to the present. Slide also treats such subjects as the Hollywood Studio Club, Central Casting, the extras in popular literature, and the efforts at unionization through the Screen Actors Guild from the 1930s onwards. Slide chronicles events such as John Barrymore's walking off set in the middle of the day so the extras could earn another day's wages, and Cecil B. DeMille's masterful organizing of casts of thousands in films such as *Cleopatra*. Through personal interviews, oral histories, and the use of newly available archival material, Slide reveals in *Hollywood Unknowns* the story of the men, women, and even animals that completed the scenes on the silver screen.

*Acting* - Terry Schreiber 2012-03-07

Honed by the author's 35 years of teaching, this advanced book offers different warm-up exercises concentrating on the actor's sense of smell, sound, sight, and touch; sensory tools for conveying the climate and environment of the text; tips for suggesting a character's physical conditions; and much more. Individual exercises will help actors to free the voice and body, create a character, find the action and condition of scenes, and explore the subconscious for effective emotional recall. Readers will also find meticulous guidelines for best using rehearsal time and preparing for in-class scene work. The foreword is written by two-time Academy Award nominee Edward Norton. Those who act, direct, or teach will not want to miss the acting lessons that have made T. Schreiber Studio a premier actor training program.

*The Real Life Actor* - Jeff Seymour 2014-05-02

There is a sense that permeates most acting classes which promotes the idea that acting is hard and you need to do a bunch of traditional steps if you're ever going to get anywhere. The flame of this concept is kept lit for two reasons. One is tradition. Successful actors and teachers in our theatrical history supposedly believed in or espoused such ideas and two; it is easier for teachers and actors to follow a path that is well worn. Actors feel intimidated to challenge the ideas and teachings of past masters. But isn't that exactly how every field of endeavor evolves? Think of where we'd be in science or medicine or sports if no one questioned past methods or tried to discover new ones. This book will show you an approach that is direct and to the point, an approach that will be far easier to remember and utilize. We'll use real life. We call it acting only because people are watching. "If you're an actor, this book will restore your sanity." Steven Pressfield, Author: *The War of Art*, *Turning Pro*, *The Legend of Bagger Vance*

**Auditioning and Acting for the Camera** - John Warren Shepard 2004

**Acting for Film** - Cathy Haase 2012-01-30

Aspiring film and television actors will discover exercises for relaxing the face to achieve maximum expressiveness; maintaining proper eye focus in front of the camera and conveying the "beats" of a scene, even in the shortest takes. They'll also learn tested techniques for adapting to the styles of different directors; modulating voice and breath for maximum effect; preparing for the first day on the set; enduring multiple takes and on-the-set waiting; and much, much more. For any performer who intends to make a living in front of the camera, *Acting for Film* is the most authoritative resource!

*The Art of Auditioning* - Rob Decina 2004-06-01

A network daytime casting director highlights the difference between the craft of acting and the business of auditioning, and how those two worlds meet in television. Included are proven-effective preparation techniques, including asking the right questions, making specific acting choices, sitting versus standing, finding beats and beat changes, using spontaneity, and much more. Also included are interviews with top daytime casting directors and actors, advice on headshots and resumes, and an examination of the difference between audition preparation and theatrical preparation.

*Friendly Enemies* - Delia Salvi 2003
