The 5 Levels of Leadership - John C. Maxwell 2011-10-04

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being

chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Shark - Thomas Nelson 1998-03-01

Greg Norman is golf's most complex and controversial celebrity and perhaps its most gifted and charismatic player. Winner of more than 70 tournaments, including the 1986 and 1993 British Opens, he has reigned as the world's number-one-ranked golfer for most of a decade and began 1998 as the PGA Tour's career-earnings leader with almost \$12 million. As ruthless in the boardroom as he is on the golf course, the Shark turned a \$2 million stake in Cobra Golf into a payoff of more than \$40 million, bought a Boeing 747 jet for his personal use, and launched a clothing line bearing his multicolored-shark motif. Three parts Crocodile Dundee, two parts Jack Nicklaus, and one part Don Quixote, the jet-setting Shark is larger than life. He has raced Ferraris with Nigel Mansell, hauled marlin over the side of plunging boats, scuba dived with sharks, taken a joyride in an F-14, saved drowning friends, and entertained a US president at his Florida compound. Yet Norman stands blond head and broad shoulders above golf's elite as the sport's most notorious victim of cruel calamity. His dramatic losses at the 1986 PGA Championship, the 1987 Masters, and the 1996 Masters rank among golf's most inexplicable defeats rendered by the most outrageous strokes of misfortune. In this riveting and revealing biography, internationally acclaimed journalist Lauren St. John examines Norman's conquests as well as his failures and his relationships with his father, his agents, fellow golfers, and caddies. Using her unparalleled access to dozens of people who know Norman best, including the Shark himself, St. John explains how Norman's fear of bankruptcy drove him to win the 1986 British Open; exclusively reveals the background of the break-up with his first manager and his subsequent split with IMG; tells why golf's greatest natural talent has so often snatched defeat from the jaws of victory; and explains his tempestuous relationships with Jack Nicklaus and other top players.

Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books.
