Empire Of The Ants - Bernard Werber
2012-12-31

Ants came to this planet long before man. Since then they have developed one of the most intricate civilizations imaginable - a civilization of great richness and technological brilliance. During the few seconds it takes you to read this

sentence, some 700 million ants will be born on earth... Edmond Wells had studied ants for years: he knew of the power which existed in their hidden world. On his death, he leaves his apartment to his nephew Jonathan with one proviso: that he must not descend beyond the cellar door. But when the family's dog escapes down the cellar steps, Jonathan has little alternative but to follow. Innocently he enters the world of the ant, whose struggle for existence forces him to reassess man's place in the cycle of nature. It is an experience that will alter his life for ever... *Empire of the Ants* is an extraordinary achievement. It takes you inside the ants' universe and reveals it to be a highly organised world, as complex and relentless as human society and even more brutal.

A Seat at the Table - Elisa Boxer 2021-09-07

This inspiring picture-book biography about Nancy Pelosi shows her journey from the child of Baltimore's mayor to her marble-ceiling-shattering four terms as Speaker of the House,

including the historic events of January 6th, 2021. Nancy Pelosi grew up watching her father, the mayor of Baltimore, welcome in people of all different backgrounds to sit at their table and make their voices heard. Nancy's mother always stood beside him, working behind the scenes to help her husband and the people he served.

When Nancy grew up, she continued working behind the scenes in politics until a friend asked her to run for Congress herself-jump-starting a 33 year career as a political representative and taking her higher than she could have once imagined. Young girls, especially, will be inspired by Nancy's journey and her commitment to using her voice to help others and to make sure women are heard in government. The backmatter also includes an exclusive interview with Nancy Pelosi herself.

Next Year in Havana - Chanel Cleeton 2021-03
A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK "A beautiful novel that's full of forbidden passions, family secrets and a lot of

courage and sacrifice."--Reese Witherspoon
After the death of her beloved grandmother, a Cuban-American woman travels to Havana, where she discovers the roots of her identity--and unearths a family secret hidden since the revolution... Havana, 1958. The daughter of a sugar baron, nineteen-year-old Elisa Perez is part of Cuba's high society, where she is largely sheltered from the country's growing political unrest--until she embarks on a clandestine affair with a passionate revolutionary... Miami, 2017. Freelance writer Marisol Ferrera grew up hearing romantic stories of Cuba from her late grandmother Elisa, who was forced to flee with her family during the revolution. Elisa's last wish was for Marisol to scatter her ashes in the country of her birth. Arriving in Havana, Marisol comes face-to-face with the contrast of Cuba's tropical, timeless beauty and its perilous political climate. When more family history comes to light and Marisol finds herself attracted to a man with secrets of his own, she'll

need the lessons of her grandmother's past to help her understand the true meaning of courage.

NATIONAL BESTSELLER • A restless young journalist with big dreams interviews a Hollywood heartthrob—and reunites with him ten years later to discover exactly how he feels about her in this sexy and engrossing novel “You will absolutely devour this book. It’s filled with delightful banter, hot romance, and a love story that’s worthy of the big screen.”—Kate Spencer, author of *In a New York Minute* and host of *Forever35* ONE OF THE BEST BOOKS OF THE YEAR: NPR *Then*. Twenty-something writer Chani Horowitz is stuck. While her former MFA classmates are nabbing high-profile book deals,

all she does is churn out puff pieces. Then she's hired to write a profile of movie star Gabe Parker: her number one celebrity crush and the latest James Bond. All Chani wants to do is keep her cool and nail the piece. But what comes next proves to be life changing in ways she never saw coming, as the interview turns into a whirlwind weekend that has the tabloids buzzing—and Chani getting closer to Gabe than she had planned. Now. Ten years later, after a brutal divorce and a healthy dose of therapy, Chani is back in Los Angeles as a successful writer with the career of her dreams. Except that no matter what new essay collection or online editorial she's promoting, someone always asks about The Profile. It always comes back to Gabe. So when his PR team requests that they reunite for a second interview, she wants to say no. She wants to pretend that she's forgotten about the time they spent together. But the truth is that Chani wants to know if those seventy-two hours were as memorable to Gabe as they were to her.

And so . . . she says yes. Alternating between their first meeting and their reunion a decade later, this deliciously irresistible novel will have you hanging on until the last word.

The Length of a String - Elissa Brent Weissman
2020-04-07

Imani is adopted, and she's ready to search for her birth parents. Anna has left behind her family to escape from Holocaust-era Europe to meet a new family--two journeys, one shared family history, and the bonds that make us who we are. Perfect for fans of *The Night Diary*. Imani knows exactly what she wants as her big bat mitzvah gift: to find her birth parents. She loves her family and her Jewish community in Baltimore, but she has always wondered where she came from, especially since she's black and almost everyone she knows is white. Then her mom's grandmother--Imani's great-grandma Anna--passes away, and Imani discovers an old journal among her books. It's Anna's diary from 1941, the year she was twelve and fled Nazi-

occupied Luxembourg alone, sent by her parents to seek refuge in Brooklyn, New York. Anna's diary records her journey to America and her new life with an adoptive family of her own. And as Imani reads the diary, she begins to see her family, and her place in it, in a whole new way.

How Beautiful We Were - Imbolo Mbue

2021-03-09

A fearless young woman from a small African village starts a revolution against an American oil company in this sweeping, inspiring novel from the New York Times bestselling author of *Behold the Dreamers*. ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times, People • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Esquire, Good Housekeeping, The Christian Science Monitor, Marie Claire, Ms. magazine, BookPage, Kirkus Reviews “Mbue reaches for the moon and, by the novel’s end, has it firmly held in her hand.”—NPR We should have known the end was near. So begins Imbolo

Mbue’s powerful second novel, *How Beautiful We Were*. Set in the fictional African village of Kosawa, it tells of a people living in fear amid environmental degradation wrought by an American oil company. Pipeline spills have rendered farmlands infertile. Children are dying from drinking toxic water. Promises of cleanup and financial reparations to the villagers are made—and ignored. The country’s government, led by a brazen dictator, exists to serve its own interests. Left with few choices, the people of Kosawa decide to fight back. Their struggle will last for decades and come at a steep price. Told from the perspective of a generation of children and the family of a girl named Thula who grows up to become a revolutionary, *How Beautiful We Were* is a masterful exploration of what happens when the reckless drive for profit, coupled with the ghost of colonialism, comes up against one community’s determination to hold on to its ancestral land and a young woman’s willingness to sacrifice everything for the sake of her

people's freedom.

To Sir Phillip, With Love - Julia Quinn

2009-10-13

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying

for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

The context of natural forest management and FSC certification in Brazil - Claudia

Romero 2015-12-30

Management decisions on appropriate practices and policies regarding tropical forests often need to be made in spite of innumerable uncertainties and complexities. Among the uncertainties are the lack of formalization of lessons learned regarding the impacts of previous programs and projects. Beyond the challenges of generating the proper information on these impacts, there are other difficulties that relate with how to socialize the information and knowledge gained so that change is transformational and enduring. The main complexities lie in understanding the interactions of social-ecological systems at different scales and how they varied through

time in response to policy and other processes. This volume is part of a broad research effort to develop an independent evaluation of certification impacts with stakeholder input, which focuses on FSC certification of natural tropical forests. More specifically, the evaluation program aims at building the evidence base of the empirical biophysical, social, economic, and policy effects that FSC certification of natural forest has had in Brazil as well as in other tropical countries. The contents of this volume highlight the opportunities and constraints that those responsible for managing natural forests for timber production have experienced in their efforts to improve their practices in Brazil. As such, the goal of the studies in this volume is to serve as the foundation to design an impact evaluation framework of the impacts of FSC certification of natural forests in a participatory manner with interested parties, from institutions and organizations, to communities and individuals.

Devouring Darkness - Chloe Neill 2022-09-20

In the newest installment of the USA Today bestselling *Heirs of Chicagoland* series, vampire Elisa Sullivan unearths an ancient grudge, with potentially devastating consequences. As the only vampire ever born, and the daughter of two very powerful Chicago vampires, Elisa Sullivan knew her life was going to be...unusual. But she wanted to make her own way in the world, preferably away from her famous family. Then supernatural politics—and perhaps a bit of destiny—intervened, and Elisa had to steady her nerves and sharpen her steel to fight for the city of Chicago. Luckily, Connor Keene, son of the

North American Central Pack's Apex wolf, is right by her side. When Elisa and her Ombudsman colleagues agree to escort a vulnerable supernatural to Chicago, they inadvertently set in motion a scheme of long-awaited magical vengeance. The city may pay an arcane price it can't afford unless Elisa and her allies rise to the challenge.

The Islanders - Mary Alice Monroe 2021-06-15

An instant New York Times bestseller!

“Storytelling for young readers at its finest—equal parts summer adventure and environmental suspense...[a] love letter to family, friendship, and the natural world.”

—Kwame Alexander, New York Times bestselling author of *The Crossover*
From New York Times bestselling author Mary Alice Monroe comes a beautiful story of friendship, loss, and the healing power of nature in her first book for middle grade readers. Eleven-year-old Jake’s life has just turned upside-down. His father was wounded in Afghanistan, and his mother is going to leave to care for him. That means Jake’s spending the summer on tiny Dewees Island with his grandmother. The island is a nature sanctuary—no cars or paved roads, no stores or restaurants. To make matters worse, Jake’s grandmother doesn’t believe in cable or the internet. Which means Jake has no cell phone,

no video games...and no friends. This is going to be the worst summer ever! He’s barely on the island before he befriends two other kids—Macon, another “summer kid,” and Lovie, a know-it-all who lives there and shows both Jake and Macon the ropes of life on the island. All three are struggling with their own family issues and they quickly bond, going on adventures all over Dewees Island. Until one misadventure on an abandoned boat leads to community service. Their punishment? Mandatory duty on the Island Turtle Team. The kids must do a daily dawn patrol of the beach on the hunt for loggerhead sea turtle tracks. When a turtle nest is threatened by coyotes, the three friends must find a way to protect it. Can they save the turtle nest from predators? Can Jake’s growing love for the island and its inhabitants (be they two-legged, four-legged, feathered, or finned) help to heal his father?
