Brumagin 2014-07-01

"I Smell of Cigarettes and Cheap Memories" is a lyrical journey through a whiskey-soaked heart torn by both the bittersweet triumphs and failures of past loves, both romantic and otherwise. Each poem envelops a story of its own with a beginning, middle and end, allowing the reader to envision themselves in a space and time where the words become a reality. It sends the mind down an emotional road full of both beer-spewing laughter and gut-wrenching heartache. Brumagin is able to connect and relate to the most basic instincts and desires of human nature, most importantly what it means to gain and lose, and to genuinely let oneself feel the weight of those losses.

NEW YORK TIMES  
BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including

Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their

memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

### **The Unreal and the Real -**

Ursula K. Le Guin 2014  
For over half a century, multiple award-winner Ursula K. Le Guin's stories have shaped the way her readers see the world. Her work gives voice to the voiceless, hope to the outsider and speaks truth to power. Le Guin's writing is witty, wise, both sly and forthright; she is a master craftswoman. This two-volume selection of almost forty stories was made by Ursula Le Guin herself. The two volumes span the spectrum of fiction from realism through magical realism, satire, science fiction, surrealism, and fantasy. WHERE ON EARTH focuses on Ursula Le Guin's interest in realism and magic realism and includes 18 of her satirical, political and experimental earthbound stories. Highlights include WORLD FANTASY and HUGO AWARD-winner 'Buffalo Gals, Won't You Come Out

Tonight', the rarely reprinted satirical short, 'The Lost Children', JUPITER AWARD-winner, 'The Diary of the Rose' and the title story of her PULITZER PRIZE finalist collection 'Unlocking the Air'. The Real Book - Volume II (Songbook) - Hal Leonard Corp. 2006-02-01 (Fake Book). The Real Books are the best-selling jazz books of all time. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are

now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special \* Birdland \* Bye Bye Blackbird \* Caravan \* Doxy \* Fly Me to the Moon (In Other Words) \* Georgia \* Girl Talk \* In Walked Bud \* I Remember You \* I Thought About You \* The Jody Grind \* Just the Way You Are \* Killer Joe \* Little Sunflower \* Mercy, Mercy, Mercy \* Moanin' \* The Nearness of You \* Now's the Time \* Old Devil Moon \* Phase Dance \* St. Thomas \* Speak Low \* Stardust \* Tangerine \* Tenor Madness \* Watch What Happens \* Whisper Not \* Willow Weep for Me \* Yardbird Suite \* and more.

2020-07-01

The Real Shelley; New Views of the Poet's Life in two volumes is a biography of Percy Bysshe Shelley written by John Cordy Jeaffreson. Jeaffreson wrote the book in order to offer a new look on the life of famous poet, since many of Shelley enthusiasts and apologists made a significant effort to create the image of this fanciful and romantic Shelley. He undertook a challenge to refute poet's idolaters and their praises, and to portray the "Real Shelley," exposed and without romantic illusions and false impressions.

[Among My Souvenirs](#) - Connie Francis 2017-12-12

The Connie Francis Story is an American story. Born into a blue-collar Italian family at the end of the Great Depression, she went on to unimaginable heights of success. Along this extraordinary journey of her life she experienced the highest of peaks and the deepest of valleys--the stuff of both dreams and nightmares. Through her eyes, readers have a front row seat to many of the greatest public and private moments in American history and popular culture. Visiting American Bandstand, The

Copacabana, Las Vegas and The Ed Sullivan Show, all at their respective heights, readers will experience the unparalleled achievements in her glorious career. Conquering wildly-enthusiastic audiences throughout the world, Connie's international celebrity is one unrivaled by any recording artist to this very day. She is, in fact, the best-selling female artist in history, recording in 12 different languages. She shares with unusual candor and rare insight the juxtaposition that existed in her personal life. While the love affair with her audience was exhilarating, truly gratifying and omnipresent, fulfilling romantic relationships in her personal life always eluded her...with the exception of her one true love, Bobby Darin--a love destroyed by her domineering father, with whom she had a complicated and often troubling relationship. Her willingness to expose the most private aspects of her life with extraordinary honesty and often painful reflection is both

startling and courageous. She also experienced an endless series of life-altering tragedies. A horrifying rape, the murder of her beloved brother, Georgie, at the hands of the Mafia, four failed and despairing marriages... All are chronicled with unstinting candor, a deep sense of resentment, and even under the most terrifying and unimaginable set of circumstances, her very rare sense of humor shines through. Her celebrity allowed her to rub elbows with presidents, royalty, the top echelon of the Mob, and every iconic showbiz figure of the era. The stories she shares with an extraordinary cast of characters are, indeed, funnier, stranger and often far more shocking than fiction. Few stars have experienced the rollercoaster ride that marked the life of Connie Francis. Fewer still possess the willingness, wit, insight, intellect and disarming self-deprecation to write a book of such unflinching nature. It is truly a joyful, comedic and

emotionally disturbing book to read. Far more horrifying than any best-selling writer of fiction would dare to contemplate.
