Triple Your Intelligence - Now! - Gene D. Matlock 2001-09

You can and will increase your intelligence dramatically after reading this book only once. If you can understand what I have written here, you are already a potential genius! Once a person learns how to disentangle his beliefs and non-beliefs from what is real, existential, or true, in the sense that electrical power, the sun, and other realities are perceived as beyond contradiction, mind power automatically grows by leaps and bounds. When a person or society's beliefs become dominant, the more primitive and uneducated he or his nation becomes. Savages, primitives, ignoramuses, and dummies are just people who have allowed beliefs and non-beliefs to enslave their minds. Belief systems lie at the bottom of human awareness. Harness your beliefs - and you'll sit at the driver's seat of your mind! This book will train you to do this - after reading it only once!

Big Mules and Branchheads - Carl Grafton
2008-09-01

A passion for politics and for political power is at the core of this biography of "Big Jim" Folsom, the legendary two-term Alabama governor who revolutionized state government by going directly to the "branchheads," the grassroots, to exhort the powerless to fight for their rights

against the "Big Mules," the elite cotton planters and urban industrialists. Drawing on hundreds of hours of interviews with Folsom, his family and friends, and his allies and rivals, Carl Grafton and Anne Permaloff reveal in *Big Mules and Branchheads* the complex reality behind the stories and myths that have arisen around the Alabama governor. Often dismissed as a naïve yet somehow appealing yokel whose rise to power was largely attributable to luck, Folsom is seen here as a highly knowledgeable and creative political strategist who calculated his most important victories even while his behavior often seemed influenced by innocence and a tendency toward buffoonery. His two terms as governor were marked by scandal, yet Folsom energetically sought to raise the moral level of Alabama politics by bluntly advocating, in the face of great opposition, the expansion of civil rights for blacks, poor whites, and women. Folsom, the authors suggest, is as widely misunderstood in Alabama as Alabama is

misunderstood throughout the nation. Illuminating the intricacies of Alabama's politics as it traces Folsom's rise to power, this book gives readers the unique opportunity to know the legendary Folsom as a flawed, yet often inspiring human being who energetically practiced his own colorful brand of politics.

EBOOK: Essentials of Economics, 10/e - SCHILLER 2016-03-22

EBOOK: *Essentials of Economics, 10/e* **A South You Never Ate** - Bernard L. Herman 2019-08-20

Nestled between the Chesapeake Bay and the Atlantic Ocean, and stretching from Hampton Roads to Assateague Island, Virginia's Eastern Shore is a distinctly southern place with an exceptionally southern taste. In this inviting narrative, Bernard L. Herman welcomes readers into the communities, stories, and flavors that season a land where the distance from tide to tide is often less than five miles. Blending personal observation, history, memories of

harvests and feasts, and recipes, Herman tells of life along the Eastern Shore through the eyes of its growers, watermen, oyster and clam farmers, foragers, church cooks, restaurant owners, and everyday residents. Four centuries of encounter, imagination, and invention continue to shape the foodways of the Eastern Shore of Virginia, melding influences from Indigenous peoples, European migrants, enslaved and free West Africans, and more recent newcomers. Herman reveals how local ingredients and the cooks who have prepared them for the table have developed a distinctly American terroir--the flavors of a place experienced through its culinary and storytelling traditions. This terroir flourishes even as it confronts challenges from climate change, declining fish populations, and farming monoculture. Herman reveals this resilience through the recipes and celebrations that hold meaning, not just for those who live there but for all those folks who sit at their tables--and other tables near and far.

"Admiral Paul von Hintze arrived in Mexico in the spring of 1911, to serve as Germany's ambassador to a country in a state of revolution. Germany's emperor Wilhelm II had selected Hintze as his personal eyes and ears in Mexico (and concomitantly the neighboring United States) during the portentous years leading up to the First World War. The ambassador benefited from a network of informers throughout Mexico and was closely involved in the country's political and diplomatic machinations as the violent revolution played out. "Murder and Counterrevolution in Mexico" presents Hintze's eyewitness accounts of these turbulent years. Hintze's diary, telegrams, letters, and other records, translated, edited, and annotated by Friedrich E. Schuler, offer

detailed insight into Victoriano Huerta's overthrow and assassination of Francisco Madero and Huerta's ensuing dictatorship and chronicle the U.S.-supported resistance. Showcasing the political relationship between Germany and Mexico, Hintze's suspenseful, often daily diary entries provide new insight into the turmoil of the Mexican Revolution, including U.S. diplomatic maneuvers and subterfuge, as well as an intriguing backstory to the infamous 1917 Zimmermann Telegram, which precipitated U.S. entry into World War I."--Provided by publisher.

Winning Three Times - Jacobaris 2011-04-27
On May 9, 1940, Adrie de Kievit is a carefree ten-year-old boy who lives with his parents ,Arie and Ko, and his thirteen-year-old sister Willie in Yselmonde in the Netherlands. The family's life is about to change drastically. As planes soar low overhead with cannons firing at them, a neighbor with access to a radio confirmed that the Dutch are now at war with the German

Army. This memoir offers a firsthand narrative of what it was like growing up under the backdrop of World War II. While accented with many historical details, *Winning Three Times* is a personal story of how the war and the German occupation affected Adrie, his family, their neighbors, their city, and the country. From food hoarding to rationing and shortages, *Winning Three Times* recounts with great detail surviving the war in a small town under the shadow of Rotterdam. He tells of how his family coped with the hardships such as no gas, no electricity, no telephone, and little outside communication. This personal history communicates a story of both challenge and triumph.

Two Caravans - Marina Lewycka 2012-03-01
Two Caravans is the hilarious and engaging second novel from bestselling author Marina Lewycka. A field of strawberries in Kent... And sitting in it are two caravans - one for the men and one for the women. The residents are from all over: miner's son Andriy is from the old Ukraine, while sexy young Irina is from the new: they each other warily. There are the Poles, Tomasz and Yola; two Chinese girls; and Emauel from Malawi. They're all here to pick strawberries in England's green and pleasant land. But these days England's not so pleasant for immigrants. Not with Russian gangster-wannabes like Vulk, who's taken a shine to Irina

and thinks kidnapping is a wooing strategy. And so Andriy - who really doesn't fancy Irina, honest - must set off in search of that girl he's not in love with. 'Immensely appealing. All but sings with zest for life...could hardly be more engaging, shrewd and winningly perceptive' Sunday Times 'Extremely funny, closely observed insights, scenes of farce, tragedy and horror' The Times Literary Supplement 'Hilarious and horrifying, Two Caravans is funny, clever and well observed' Guardian Bestselling author Marina Lewkyca has received great critical acclaim since the publication of her hilarious first novel A Short History of Tractors in Ukrainian in 2005, which was the winner of the Bollinger Everyman Prize for Comic Fiction 2005, winner of the Saga Award for Wit 2005, shortlisted for the Orange Prize for Fiction 2005 and longlisted for the Booker prize 2005. Her other humorous novels We Are All Made of Glue and Various Pets Alive and Dead are also available from Penguin. Two Caravans is

published as Strawberry Fields in the USA and Canada.

The Chicano Movement - Mario T. Garcia
2014-03-26

The largest social movement by people of Mexican descent in the U.S. to date, the Chicano Movement of the 1960s and 70s linked civil rights activism with a new, assertive ethnic identity: Chicano Power! Beginning with the farmworkers' struggle led by César Chávez and Dolores Huerta, the Movement expanded to urban areas throughout the Southwest, Midwest and Pacific Northwest, as a generation of self-proclaimed Chicanos fought to empower their

communities. Recently, a new generation of historians has produced an explosion of interesting work on the Movement. The Chicano Movement: Perspectives from the Twenty-First Century collects the various strands of this research into one readable collection, exploring the contours of the Movement while disputing the idea of it being one monolithic group. Bringing the story up through the 1980s, The Chicano Movement introduces students to the impact of the Movement, and enables them to expand their understanding of what it means to be an activist, a Chicano, and an American. *Strawberry Fields* - Marina Lewycka 2008-04-29 The bestselling author of *A Short History of Tractors in Ukrainian* is back with an 'effervescent comedy' (The New Yorker) The follow up to her hugely popular first novel presents a Canterbury Tales-inspired picaresque

that is also a biting satire of economic exploitation. When a ragtag international crew of migrant workers is forced to flee the strawberry fields they have been working in, they set off across England looking for employment. Displaying the same sense of compassion, social outrage, and gift for hilarity that she showed in *A Short History of Tractors in Ukrainian*, Marina Lewycka chronicles their bumpy road trip with a tender affection for her downtrodden characters and their search for a taste of the good life.
