The Mystery Of The Blood - Apostle Joshua Selman 2020-08-09

The Significance of Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what is it in the blood that is so powerful that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood
