Sreenivasan 2014-12-23

Applied Diplomacy through the Prism of Mythology is a

collection of the fine writings of former Ambassador T.P.

Sreenivasan, curated from a bunch of riveting essays, commentaries and speeches delivered over the course of

the last decade. The seven sections of the collection

named after seven immortal sages contain seven essays

each, establishing a link

between diplomacy and

mythology. The essays in each

section bear the imprint of a legendary sage, whose

qualities and exploits get

reflected in the context and

content of the writings. The sages come alive through them in a way perceptible to not only those who are steeped in diplomatic practice and mythology, but also to other interested readers. The essays throw light on a multiplicity of diplomatic issues that surfaced in the last decade in a manner, which only a seasoned diplomat, a deep thinker and a gifted writer could do.
