Our digital library saves in combination countries, allowing you to acquire the most less latency times to download any of our books later than this one. Merely said, the The Privilege Of Being A Woman Alice Von Hildebrand is universally compatible taking into account any devices to read.

Women Talk Money - Rebecca Walker 2022-03-15

A searing and fearless anthology of essays exploring the profound impact of money on women's lives, edited by prominent feminist and writer Rebecca Walker. *Women Talk Money* is a groundbreaking collection that lifts the veil on what women talk about when they talk about money; it unflinchingly recounts the power of money to impact health, define relationships, and shape identity. The collection includes previously unpublished essays by trailblazing writers, activists, and models, such as Alice Walker, Tressie McMillan Cottom, Rachel Cargle, Tracy McMillan, Cameron Russell, Sonya Renee Taylor, Adrienne Maree Brown, and more, with Rebecca Walker as editor. In this provocative anthology, we discover a family that worships money even as it tears them apart; we read about the "financial death sentence" a transgender woman must confront to live as herself. We trace the journey of a Silicon Valley entrepreneur who finally makes enough money to discover her spiritual impoverishment; we follow a stressful email exchange between an unsympathetic university financial officer and a desperate family who can't afford to pay their daughter's tuition, and more. This collection is a clarion call to conduct honest conversations that demystify and transform the role money plays in our lives. Dazzlingly resonant and deeply familiar, *Women Talk Money* is a revelation.

A Woman's Crusade - Mary Walton 2010-08-17

Alice Paul began her life as a studious girl from a strict Quaker family in New Jersey. In 1907, a scholarship took her to England, where she developed a passionate devotion to the suffrage movement. Upon her return to the United States, Alice became the leader of the militant wing of the American suffrage movement. Calling themselves "Silent Sentinels," she and her followers were the first protestors to picket the White House. Arrested and jailed, they went on hunger strikes and were force-fed and brutalized. Years before Gandhi's campaign of nonviolent resistance, and decades before civil rights demonstrations, Alice Paul practiced peaceful civil disobedience in the pursuit of equal rights for women. With her daring and unconventional tactics, Alice Paul eventually succeeded in forcing President Woodrow Wilson and a reluctant U.S. Congress to pass the Nineteenth Amendment, granting women the right to vote. Here at last is the inspiring story of the young woman whose dedication to women's rights made that long-held dream a reality.

The Privileged Poor - Anthony Abraham Jack 2019-03-01

An NPR Favorite Book of the Year Winner of the Critics' Choice Book Award, American Educational Studies Association Winner of the Mirra Komarovsky Book Award Winner of the CEP-Mildred García Award for Exemplary Scholarship "Eye-opening...Brings home the pain and reality of on-campus poverty and puts the blame squarely on elite institutions." —Washington Post "Jack's investigation redirects attention from the matter of access to the matter of inclusion...His book challenges universities to support the diversity they indulge in advertising." —New Yorker "The lesson is plain—simply admitting low-income students is just the start of a university's obligations. Once they're on campus, colleges must show them that they are full-fledged citizen." —David Kirp, American Prospect "This book should be studied closely by anyone interested in improving diversity and inclusion in higher education and provides a moving call to action for us all." —Raj Chetty, Harvard University The Ivy League looks different than it used to. College presidents and deans of admission have opened their doors—and their coffers—to support a more diverse student body.

But is it enough just to admit these students? In this bracing exposé, Anthony Jack shows that many students' struggles continue long after they've settled in their dorms. Admission, they quickly learn, is not the same as acceptance. This powerfully argued book documents how university policies and campus culture can exacerbate preexisting inequalities and reveals why some students are harder hit than others. **Are Women People?** - Alice Duer Miller 1915

The Perils of "Privilege" - Phoebe Maltz Bovy 2017-03-14

"Privilege--the word, the idea, the j'accuse that cannot be answered with equanimity--is the new rhetorical power play. From social media to academia, public speech to casual conversation, "Check your privilege" or "Your privilege is showing" are utilized to brand people of all kinds with a term once reserved for wealthy, old-money denizens of exclusive communities. Today, "privileged" applies to anyone who enjoys an unearned advantage in life, about which they are likely oblivious. White privilege, male privilege, straight privilege--those conditions make everyday life easier, less stressful, more lucrative, and generally better for those who hold one, two, or all three designations. But what about white female privilege in the context of feminism? Or fixed gender privilege in the context of transgender? Or weight and height privilege in the context of hiring practices and salary levels? Or food privilege in the context of public health? Or two parent, working class privilege in the context of widening inequality for single parent families? In *The Perils of Privilege*, Phoebe Maltz Bovy examines the rise of this word into extraordinary potency. Does calling out privilege help to change or soften it? Or simply reinforce it by dividing people against themselves? And is privilege a concept that, in fact, only privileged people are debating?"--

The Descent of Alette - Alice Notley 1996-04-01

The Decent Of Alette is a rich odyssey of transformation in the tradition of *The Inferno*. Alice Notley presents a feminist epic: a bold journey into the deeper realms. Alette, the narrator, finds herself underground, deep beneath the city, where spirits and people ride endlessly on subways, not allowed to live in the world above. Traveling deeper and deeper, she is on a journey of continual transformation, encountering a series of figures and undergoing fragmentations and metamorphoses as she seeks to confront the Tyrant and heal the world. Using a new measure, with rhythmic units indicated by quotations marks, Notley has created a "spoken" text, a rich and mesmerizing work of imagination, mystery, and power.

Illumination Night - Alice Hoffman 2014-09-23

A "wondrous" novel of fear, desire, loss, and discovery on Martha's Vineyard by the New York Times bestselling author of *Practical Magic* and *Seventh Heaven* (Chicago Tribune). Elizabeth Renny has only made two decisions of consequence in her seventy-plus years. While the first, marrying her husband, had adequate results, the second—deciding she could fly from her bedroom window—is less successful. But her flight sets in motion a series of events that will forever change the lives of six residents of Martha's Vineyard: a young boy who refuses to grow, a wife stifled by her irrational anxiety, a husband tempted by the unknown, a girl flirting with disaster, a gentle giant tortured by his size, and an old woman with nothing to lose. Praised as "an intelligent novel" by the New York Times and "achingly vivid" by *Newsday*, *Illumination Night* is a sparkling and heartbreaking narrative that explores marriage, friendship, youth,

yearning, disillusionment, and desire, a book as bright and memorable as the festival of lanterns for which it is named.

The Art of Living - Dietrich Von Hildebrand 1994

Everybody's heard of the seven deadly sins, but few have discovered the seven soul-saving virtues that this book explains. You'll learn how these key virtues influence your actions and color all of your spiritual life. You'll discover real-life ways to develop these virtues -- virtues that bring lasting improvement to those parts of your character that need it most.

The Privilege of Being a Woman - Alice Von Hildebrand 2005

Man and Woman - Alice Von Hildebrand 2013-05-01

It is scarcely an overstatement to say that if this book were read, and heeded, by this epoch, the Gadarene Slide on which modern culture finds itself would be halted. In this slender volume we find the authentic vision of what womanhood is. Dr. von Hildebrand takes us to the very substance of the ineffable mystery of gender.---Thomas Howard Best-selling author In the fifty years I have followed the teachings and writings of Alice von Hildebrand, I can say that Man and Woman: A Divine Invention is the greatest. You will find in Man and Woman: A Divine Invention fresh illuminating ideas about motherhood, virginity, and the exclusion of women from the priesthood. Every woman should read Alice von Hildebrand's book, and also give it to family members and friends.---Ronda Chervin Professor of philosophy at Holy Apostles College & Seminary of Connecticut This book is a profound meditation on the superiority of being over bustling, of love over the impress of one's will, and of receptivity to God over what we take to be our creative ingenuity. As such it poses challenges to those creatures we call men and women, but in different ways. Dr. von Hildebrand reminds men that, apart from the genius for the personal and the concrete that women possess, they become the architects of heresy and inhumanity. She reminds women, meanwhile, of their at once humble and high calling to motherhood, physical or spiritual. It is a work steeped in the reverence she enjoins upon us all.---Anthony Esolen Professor of Renaissance English literature at Providence College, Rhode Island

The Privilege of the Sword - Ellen Kushner 2006-07-25

From the award-winning author of *Swordpoint* comes a witty, wicked coming-of-age story that is both edgy and timeless. . . . Welcome to Riverside, where the aristocratic and the ambitious battle for power and prestige in the city's labyrinth of streets and ballrooms, theatres and brothels, boudoirs and salons. Into this alluring and alarming world walks a bright young woman ready to take it on and make her fortune. A well-bred country girl, Katherine knows all the rules of conventional society. Her biggest mistake is thinking they apply. Katherine's host and uncle, Alec Campion, the capricious and decadent Mad Duke Tremontaine, is in charge here—and to him, rules are made to be broken. When he decides it would be far more amusing for his niece to learn swordplay than to follow the usual path to ballroom and husband, her world changes forever. And there's no going back. Blade in hand, it's up to Katherine to find her own way through a maze of secrets and betrayals, nobles and scoundrels—and to gain the power, respect, and self-discovery that come to those who master. . . . “Unholy fun, and wholly fun . . . an elegant riposte, dazzlingly executed.”—Gregory Maguire, New York Times bestselling author of *Wicked*

Fellowship Point - Alice Elliott Dark 2022-07-05

NATIONAL BESTSELLER “Engrossing...studded with wisdom about long-held bonds.” —People, Book of the Week “Enthralling, masterfully written...rich with social and psychological insights.” —The New York Times Book Review “A magnificent storytelling feat.” —The Boston Globe The “utterly engrossing, sweeping” (Time) story of a lifelong friendship between two very different “superbly depicted” (The Wall Street Journal) women with shared histories, divisive loyalties, hidden sorrows, and eighty years of summers on a pristine point of land on the coast of Maine, set across the arc of the 20th century. Celebrated children's book author Agnes Lee is determined to secure her legacy—to complete what she knows will be the final volume of her pseudonymously written Franklin Square novels; and even more consuming, to permanently protect the peninsula of majestic coast in Maine known as Fellowship Point. To donate the land to a trust, Agnes must convince shareholders to dissolve a generations-old partnership. And one of those shareholders is her best friend, Polly. Polly Wister has led a different kind of life than Agnes: that of a well-off married woman with children, defined by her devotion to her husband, a philosophy professor with an inflated sense

of stature. She strives to create beauty and harmony in her home, in her friendships, and in her family. Polly soon finds her loyalties torn between the wishes of her best friend and the wishes of her three sons—but what is it that Polly wants herself? Agnes's designs are further muddled when an enterprising young book editor named Maud Silver sets out to convince Agnes to write her memoirs. Agnes's resistance cannot prevent long-buried memories and secrets from coming to light with far-reaching repercussions for all. “An ambitious and satisfying tale” (The Washington Post), Fellowship Point reads like a 19th-century epic, but it is entirely contemporary in its “reflections on aging, writing, stewardship, legacies, independence, and responsibility. At its heart, Fellowship Point is about caring for the places and people we love...This magnificent novel affirms that change and growth are possible at any age” (The Christian Science Monitor).

Women and the Priesthood - Alice Von Hildebrand 1994-01-01

Hood Feminism - Mikki Kendall 2020-02-25

A NEW YORK TIMES BESTSELLER “The fights against hunger, homelessness, poverty, health disparities, poor schools, homophobia, transphobia, and domestic violence are feminist fights. Kendall offers a feminism rooted in the livelihood of everyday women.” —Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist*, in *The Atlantic* “One of the most important books of the current moment.”—Time “A rousing call to action... It should be required reading for everyone.”—Gabrielle Union, author of *We're Going to Need More Wine* A potent and electrifying critique of today's feminist movement announcing a fresh new voice in black feminism Today's feminist movement has a glaring blind spot, and paradoxically, it is women. Mainstream feminists rarely talk about meeting basic needs as a feminist issue, argues Mikki Kendall, but food insecurity, access to quality education, safe neighborhoods, a living wage, and medical care are all feminist issues. All too often, however, the focus is not on basic survival for the many, but on increasing privilege for the few. That feminists refuse to prioritize these issues has only exacerbated the age-old problem of both internecine discord and women who rebuff at carrying the title. Moreover, prominent white feminists broadly suffer from their own myopia with regard to how things like race, class, sexual orientation, and ability intersect with gender. How can we stand in solidarity as a movement, Kendall asks, when there is the distinct likelihood that some women are oppressing others? In her searing collection of essays, Mikki Kendall takes aim at the legitimacy of the modern feminist movement, arguing that it has chronically failed to address the needs of all but a few women. Drawing on her own experiences with hunger, violence, and hypersexualization, along with incisive commentary on reproductive rights, politics, pop culture, the stigma of mental health, and more, *Hood Feminism* delivers an irrefutable indictment of a movement in flux. An unforgettable debut, Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and in deed.

Why I'm No Longer Talking to White People About Race - Reni Eddo-Lodge 2020-11-12

'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak' The book that sparked a national conversation. Exploring everything from eradicated black history to the inextricable link between class and race, *Why I'm No Longer Talking to White People About Race* is the essential handbook for anyone who wants to understand race relations in Britain today. THE NO.1 SUNDAY TIMES BESTSELLER WINNER OF THE BRITISH BOOK AWARDS NON-FICTION NARRATIVE BOOK OF THE YEAR 2018 FOYLES NON-FICTION BOOK OF THE YEAR BLACKWELL'S NON-FICTION BOOK OF THE YEAR WINNER OF THE JHALAK PRIZE LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION LONGLISTED FOR THE ORWELL PRIZE SHORTLISTED FOR A BOOKS ARE MY BAG READERS AWARD

The Love of a Good Woman - Alice Munro 2011-06-22

All of these eight wonderful stories are about what people will do for love, and the unexpected routes their passion will force them to take. An old landlady in Vancouver who alarms the just-married narrator with her prim advice about married life – and “the peculiar threat” of a china cabinet that must be washed once a month – is shown to have conspired when young in a crime of passion. A young mother, at the mercy of the “radiant explosion” that comes when she thinks of her secret life, abandons her baby and four-year old to be with her lover in the story “The Children Stay.” A gruff old country doctor in the 1960s is discovered by

his daughter to be helping desperate women, his “special patients.” An impetuous young woman meets a visiting Indian student and conceives on a train from Vancouver to Toronto because of “the fact that you couldn’t get condoms around the Calgary station, not for love or money.” An Ontario farm wife’s affair drives her husband to commit a murder; its discovery, years later, will act as a negotiating point for a new, presumably satisfactory, marriage. The book is clear-eyed about the imperfections of marriage, the clutter of our emotional lives, and the impermanence of love: “Not that that was the end. For we did make up. But we didn’t forgive each other.” Even the shared memories of earlier times prove to be a minefield, and many of the stories track the changes that time brings over generations to families, lovers, and even to friends who share old, intimate secrets about “the prostration of love.” As always these stories by Alice Munro are shot through with humour, and are as rich as novels. As always the characters in the stories are easily, sometimes uncomfortably, recognizable as people like us. One quote summarizes the delightful surprises that await the reader: “Did you ever think that people’s lives could be like that and end up like this? Well, they can.”

The Evolution of American Women’s Studies - A. Ginsberg 2008-11-10

This book is comprised of reflections by diverse women's studies scholars, focusing on the many ways in which the field has evolved from its first introduction in the University setting to the present day.

My Sisters the Saints - Colleen Carroll Campbell 2014-09-23

A poignant and powerful spiritual memoir about how the lives of the saints changed the life of a modern woman. In *My Sisters the Saints*, author Colleen Carroll Campbell blends her personal narrative of spiritual seeking, trials, stumbles, and breakthroughs with the stories of six women saints who profoundly changed her life: Teresa of Avila, Therese of Lisieux, Faustina of Poland, Edith Stein of Germany, Mother Teresa of Calcutta, and Mary of Nazareth. Drawing upon the rich writings and examples of these extraordinary women, the author reveals Christianity's liberating power for women and the relevance of the saints to the lives of contemporary Christians.

The Weight of Whiteness - Alison Bailey 2021-02-23

“Check your privilege” is not a request for a simple favor. It asks white people to consider the painful dimensions of what they have been socialized to ignore. Alison Bailey’s *The Weight of Whiteness: A Feminist Engagement with Privilege, Race, and Ignorance* examines how whiteness misshapes our humanity, measuring the weight of whiteness in terms of its costs and losses to collective humanity. People of color feel the weight of whiteness daily. The resistant habits of whiteness and its attendant privileges, however, make it difficult for white people to feel the damage. White people are more comfortable thinking about white supremacy in terms of what privilege does for them, rather than feeling what it does to them. The first half of the book focuses on the overexposed side of white privilege, the side that works to make the invisible and intangible structures of power more visible and tangible. Bailey discusses the importance of understanding privileges intersectionally, the ignorance-preserving habits of “white talk,” and how privilege and ignorance circulate in educational settings. The second part invites white readers to explore the underexposed side of white dominance, the weightless side that they would rather not feel. The final chapters are powerfully autobiographical. Bailey engages readers with a deeply personal account of what it means to hold space with the painful weight of whiteness in her own life. She also offers a moving account of medicinal genealogies, which helps to engage the weight she inherits from her settler colonial ancestors. The book illustrates how the gravitational pull of white ignorance and comfort are stronger than the clean pain required for collective liberation. The stakes are high: Failure to hold the weight of whiteness ensures that white people will continue to blow the weight of historical trauma through communities of color.

Beautiful World, Where Are You - Sally Rooney 2021-09-07

AN INSTANT #1 NEW YORK TIMES BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he’d like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room

before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Nowish - Alice Mead 2009-03-26

Nowish is the memoir of children's author, Alice Mead, during her breast cancer and a rare paraneoplastic disorder and the cascade of ensuing losses that follow.

Alice I Have Been - Melanie Benjamin 2010-01-12

BONUS: This edition contains an *Alice I Have Been* discussion guide and an excerpt from Melanie Benjamin's *The Autobiography of Mrs. Tom Thumb*. Few works of literature are as universally beloved as *Alice’s Adventures in Wonderland*. Now, in this spellbinding historical novel, we meet the young girl whose bright spirit sent her on an unforgettable trip down the rabbit hole—and the grown woman whose story is no less enthralling. But oh my dear, I am tired of being Alice in Wonderland. Does it sound ungrateful? Alice Liddell Hargreaves’s life has been a richly woven tapestry: As a young woman, wife, mother, and widow, she’s experienced intense passion, great privilege, and greater tragedy. But as she nears her eighty-first birthday, she knows that, to the world around her, she is and will always be only “Alice.” Her life was permanently dog-eared at one fateful moment in her tenth year—the golden summer day she urged a grown-up friend to write down one of his fanciful stories. That story, a wild tale of rabbits, queens, and a precocious young child, becomes a sensation the world over. Its author, a shy, stuttering Oxford professor, does more than immortalize Alice—he changes her life forever. But even he cannot stop time, as much as he might like to. And as Alice’s childhood slips away, a peacetime of glittering balls and royal romances gives way to the urgent tide of war. For Alice, the stakes could not be higher, for she is the mother of three grown sons, soldiers all. Yet even as she stands to lose everything she treasures, one part of her will always be the determined, undaunted Alice of the story, who discovered that life beyond the rabbit hole was an astonishing journey. A love story and a literary mystery, *Alice I Have Been* brilliantly blends fact and fiction to capture the passionate spirit of a woman who was truly worthy of her fictional alter ego, in a world as captivating as the *Wonderland* only she could inspire.

Kindred - Octavia E. Butler 2004-02-01

From the New York Times bestselling author of *Parable of the Sower* and MacArthur “Genius” Grant, Nebula, and Hugo award winner *The Visionary* time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. “I lost an arm on my last trip home. My left arm.” Dana’s torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner’s plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead’s *The Underground Railroad* and Ta-Nehisi Coates’s *The Water Dancer*, Butler takes one of speculative fiction’s oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. “Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise” (New York Times). “Reading Octavia Butler taught me to dream big, and I think it’s absolutely necessary that everybody have that freedom and that willingness to dream.” —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

The Privilege of Being a Woman - Alice Von Hildebrand 2002

Women historically have been denigrated as lower than men or viewed as privileged. Dr. Alice von Hildebrand characterizes the difference between such views as based on whether man's vision is secularistic or steeped in the supernatural. She shows that feminism's attempts to gain equality with men by imitation of men is unnatural, foolish, destructive, and self-defeating. The Blessed Mother's role in the Incarnation points to the true privilege of being a woman. Both virginity and maternity meet in Mary who

exhibits the feminine gifts of purity, receptivity to God's word, and life-giving nurturance at their highest. ABOUT THE AUTHOR Alice von Hildebrand received a master's degree and doctorate in philosophy from Fordham University in New York. She taught at the Hunter College of the City in New York, the Catechetical Institute in Arlington, Virginia, the Thomas More College in Rome, Italy, Franciscan University in Steubenville, Ohio, and Ave Maria College in Ypsilanti, Michigan. She lectures in Canada, South America, Western Europe and the United States, and is the author of several books including Greek Culture: The Adventure of the Human Spirit, A Philosophy of Religion, By Love Refined, By Grief Refined, and Soul of a Lion. She co-authored several books with her husband, Dietrich von Hildebrand, including The Art of Living, Morality and Situation Ethics, and Graven Images.

The Soul of a Lion - Alice Von Hildebrand 2000

Dietrich von Hildebrand, widely regarded as one of the great Catholic philosophers of the 20th century, is well-known for his numerous books, but, until this present work, not much has been known of his remarkable and inspiring life. Written by his wife, Alice, also a highly respected Catholic thinker, this is a fascinating, moving and, at times, gripping account of a truly great man of the Church who suffered much for the faith. Based on a very long "letter" Dietrich wrote to his wife late in his life, it tells his story from his glorious youth with a unique intellectual and cultural formation, his conversion to Catholicism, his great passion for truth and beauty, his extensive writing on Christian philosophy and theology, and his steadfast, determined opposition to Nazism that made him a marked man who miraculously escaped execution. A powerful biography of a relentless fighter against injustice, a devoted son of the Church, a man who had the "soul of a lion". Illustrated.

Memoirs of a Happy Failure - Alice von Hildebrand 2014

The Courage and Perseverance of One of Our Greatest Minds Alice von Hildebrand is a household name to millions. But little is known of the story of her life, notably the thirty-seven years she spent at Hunter College in New York City. There, despite systematic opposition that might have defeated even the strongest of souls, she endured with grace and devotion, leaving a mark on a generation of students through her defense of truth through persuasion, wit, and love. By showing her students how truth fulfills the deepest longings of the human heart, she helped to liberate countless students from the oppressive relativism of the day, enabling many of them to find their way to God. Now, for the first time, discover the details of Alice von Hildebrand's compelling and influential life, including: • her thrilling escape from Europe that was nearly halted by a Nazi ship • her early days in America and her dedication to education and cultivating wisdom • her marriage to the great philosopher Dietrich von Hildebrand, • her victories and defeats at Hunter where she combated a culture dedicated to relativism • and much more... The Memoirs of a Happy Failure is a fascinating and essential glimpse into the life of one of contemporary Catholicism's most compelling minds. It is the story of courage, faith, and the grace of God acting in the world.

The Female Persuasion - Meg Wolitzer 2019-05-21

A New York Times Bestseller "A powerful coming-of-age story that looks at ambition, friendship, identity, desire, and power from the much-needed female lens." —Bustle "Ultra-readable." —Vogue From the New York Times-bestselling author of *The Interestings*, comes an electric novel not just about who we want to be with, but who we want to be. To be admired by someone we admire—we all yearn for this: the private, electrifying pleasure of being singled out by someone of esteem. But sometimes it can also mean entry to a new kind of life, a bigger world. Greer Kadetsky is a shy college freshman when she meets the woman she hopes will change her life. Faith Frank, dazzlingly persuasive and elegant at sixty-three, has been a central pillar of the women's movement for decades, a figure who inspires others to influence the world. Upon hearing Faith speak for the first time, Greer—madly in love with her boyfriend, Cory, but still full of longing for an ambition that she can't quite place—feels her inner world light up. And then, astonishingly, Faith invites Greer to make something out of that sense of purpose, leading Greer down the most exciting path of her life as it winds toward and away from her meant-to-be love story with Cory and the future she'd always imagined. Charming and wise, knowing and witty, Meg Wolitzer delivers a novel about power and influence, ego and loyalty, womanhood and ambition. At its heart, *The Female Persuasion* is about the flame we all believe is flickering inside of us, waiting to be seen and fanned by the right person at the right time. It's a story about the people who guide and the people who follow (and how those roles evolve over time),

and the desire within all of us to be pulled into the light.

Throwing Off the Cloak of Privilege - Gail S. Murray 2008-11

"An important new dimension to the study of civil rights and southern society. [The essays] chronicle the mostly untold story of southern white women--wives, mothers, club members--who possessed the moral courage to challenge Jim Crow traditions."--Jack Davis, University of Alabama, Birmingham "Rich and insightful assessments of southern white women of privilege who chose to throw off the mantle of protection provided by race in order to address critical issues in southern society and politics."--Nancy Hewitt, Rutgers University While playing the southern lady for the white political establishment, thousands of mostly middle-class, middle-aged, married white women become grassroots activists in America's civil rights movement, sometimes at the cost of friendships, status, economic security, and family support. The original essays in this collection tell who these women were, why they became committed to racial justice and equal opportunity, and how they organized to change southern society. The women worked within a range of national and local institutions, both segregated and biracial. Their stories, largely unknown, span half of the 20th century from the New Deal to the early 1970s and took place across the South from Louisville to New Orleans. Some of them brought years of experience in church groups or welfare organizations to the movement; others became converts only when local crises forced them to examine the hypocrisy and privilege of their lives. Some couched their civil rights arguments in terms of their maternal identity and a belief that racial discrimination defiled the world in which they reared their children. Many shared a basic optimism about the willingness of white southerners to change. And many were well aware that their leisure to pursue reform activities often was made possible by the black women who managed their households, cooked their food, and tended their children. Four essays profile specific women and their personal strategies for attacking prejudice and discrimination. The remaining essays focus on particular organizations, such as the YWCA, United Church Women, the Women's Emergency Committee to Open Our Schools, and the Saturday Luncheon Club, a group whose name belied its subversive intentions. Using autobiography, oral history, news accounts, organization papers, and personal letters, the contributors show the importance of female support networks, the influence of African American mentors, and the social ostracism that resulted from defying white supremacy. In the ongoing struggle for human dignity and a voice in American life, this book adds a new and necessary dimension to our understanding of both biracial activism and white anti-racism. Contents Introduction 1. Dorothy Tilly and the Fellowship of the Concerned, by Edith Holbrook Riehm 2. Crusaders and Clubwomen: Alice Norwood Spearman Wright and Her Women's Network, by Marcia G. Synnott 3. Frances Freeborn Pauley: Using Autobiography and Biography to Interpret a White Woman's Activist Identity, by Kathryn L. Nasstrom 4. Challenging the Segregationist Power Structure in Little Rock: The Women's Emergency Committee to Open Our Schools, by Laura A. Miller 7. Elite White Female Activism and Civil Rights in New Orleans, by Shannon L. Frystak 8. White Privilege, Racial Justice: Women Activists in Memphis, by Gail S. Murray Gail S. Murray is associate professor of history at Rhodes College.

The Eternal Woman - Gertrud Freiin von Le Fort 2010-01-01

When *The Eternal Woman* was first published in Germany, Europe was a battlefield of modern ideologies that would sweep away millions of lives in war and genocide. Denying the Creator, who made male and female, Nazism and Communism could only fail to appreciate the true meaning of the feminine and reduce woman to a mere instrument of the state. In the name of liberating her from the so-called tyranny of Christianity, atheism, in any form, leads to woman's enslavement. With penetrating insight Gertrud von le Fort understood the war on womanhood, and consequently on motherhood, that always coincides with an attack on the faith of the Catholic Church, which she embraced at the age of 50 in 1926. In *The Eternal Woman*, she counters the modern assault on the feminine not with polemical argument but with perhaps the most beautiful meditation on womanhood ever written. Taking Mary, Virgin and Mother, as her model, von le Fort reflects on the significance of woman's spiritual and physical receptivity that constitutes her very essence, as well as her role in both the creation and redemption of human beings. Mary's fiat to God is the pathway to our salvation, as it is inextricably linked with the obedience unto death of Jesus her son.

Like the Son's acceptance of the Cross, Mary's acceptance of her maternity symbolizes for all mankind the self-surrender to the Creator required of every human soul. Since any woman's acceptance of motherhood is likewise a yes to God, when womanhood and motherhood are properly understood and appreciated, the nature of the soul's relationship to God is revealed.

By Love Refined - Alice von Hildebrand 1997-06-01

What to do when the honeymoon is over! Because of human imperfections, difficulties crop up in marriage, even between people who love each other deeply. You'll soon find that for this reason, although love is a gift, it must also be learned." So begins this remarkable book of letters to Julie, a young bride — letters that reveal the beauty and importance of high ideals in marriage while teaching you practical tips to help you live up to those ideals daily. You'll learn how to grow in wisdom and in love as you encounter the unglamorous, everyday problems that threaten all marriages. As the author says: "If someone were to give me many short bits of wool, most likely I would throw them away. A carpet weaver thinks differently. He knows the marvels we can achieve by using small things artfully and lovingly. Like the carpet weaver, the good wife must be an artist of love. She must remember her mission and never waste the little deeds that fill her day — the precious bits of wool she's been given to weave the majestic tapestry of married love." This remarkable book will show you how to start weaving love into the tapestry of your marriage today, as it leads you more deeply into the joys of love. "May the Lord grant this book the success it deserves!" Pope John Paul II "Readable and encouraging, with a deeper vision and greater wisdom than is usual." Liguorian "A garden of wisdom." BC Observer

Fearlessly Feminine - Jani Ortlund 2011-02-02

Women today seek encouragement and affirmation as they confront their own questions, doubts, and fears about womanhood. In *Fearlessly Feminine*, author Jani Ortlund supplies much-needed answers, calling Christian women to be joyfully confident in who they are before God, to welcome the privilege of womanhood, and to show the world the beauty of Christian femininity for God's glory. Tackling such sensitive subjects as submission and materialism, feminism and beauty, motherhood and marriage, Ortlund leads women to a deeper understanding of scriptural teaching and helps them fearlessly embrace all that God would have them become.

Entitled - Kate Manne 2020-08-11

An urgent exploration of men's entitlement and how it serves to police and punish women, from the acclaimed author of *Down Girl* "Kate Manne is a thrilling and provocative feminist thinker. Her work is indispensable."—Rebecca Traister NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ATLANTIC In this bold and stylish critique, Cornell philosopher Kate Manne offers a radical new framework for understanding misogyny. Ranging widely across the culture, from Harvey Weinstein and the Brett Kavanaugh hearings to "Cat Person" and the political misfortunes of Elizabeth Warren, Manne's book shows how privileged men's sense of entitlement—to sex, yes, but more insidiously to admiration, care, bodily autonomy, knowledge, and power—is a pervasive social problem with often devastating consequences. In clear, lucid prose, Manne argues that male entitlement can explain a wide array of phenomena, from mansplaining and the undertreatment of women's pain to mass shootings by incels and the seemingly intractable notion that women are "unelectable." Moreover, Manne implicates each of us in toxic masculinity: It's not just a product of a few bad actors; it's something we all perpetuate, conditioned as we are by the social and cultural mores of our time. The only way to combat it, she says, is to expose the flaws in our default modes of thought while enabling women to take up space, say their piece, and muster resistance to the entitled attitudes of the men around them. With wit and intellectual fierceness, Manne sheds new light on gender and power and offers a vision of a world in which women are just as entitled as men to our collective care and concern.

Without Reservations - Alice Steinbach 2011-03-23

Paris Dear Alice, Each morning I am awakened by the sound of a tinkling bell. A cheerful sound, it reminds me of the bells that shopkeepers attach to their doors at Christmastime. In this case, the bell marks the opening of the hotel door. From my room, which is just off the winding staircase, I can hear it clearly. It reminds me of the bell that calls to worship the novice embarking on a new life. In a way I too am a novice, leaving, temporarily, one life for another. Love, Alice In the tradition of Anne Morrow Lindbergh's *Gift from*

the Sea and Frances Mayes's *Under the Tuscan Sun*, in *Without Reservations* we take time off with Pulitzer Prize winner Alice Steinbach as she explores the world and rediscovers what it means to be a woman on her own. "In many ways, I was an independent woman," writes Alice Steinbach, a single working mother, in this captivating book. "For years I'd made my own choices, paid my own bills, shoveled my own snow, and had relationships that allowed for a lot of freedom on both sides." Slowly, however, she saw that she had become quite dependent in another way: "I had fallen into the habit . . . of defining myself in terms of who I was to other people and what they expected of me." Who am I, she wanted to know, away from the things that define me—my family, children, job, friends? Steinbach searches for the answer to this provocative question in some of the most exciting places in the world: Paris, where she finds a soul mate in a Japanese man; Oxford, where she takes a course on the English village; Milan, where she befriends a young woman about to be married. Beautifully illustrated with postcards Steinbach wrote home to herself to preserve her spontaneous impressions, this revealing and witty book will transport readers instantly into a fascinating inner and outer journey, an unforgettable voyage of discovery.

Reunion - Elizabeth Fishel 2000

Focusing on ten graduates of the oldest girl's school in the country, the author follows these women who graduated in 1968 from the 1950s through the 1970s and beyond. 30,000 first printing.

Passing - Nella Larsen 2020-10-01

Clare Kendry has severed all ties to her past. Elegant, fair-skinned and ambitious, she is married to a white man who is unaware of her African-American heritage. When she renews her acquaintance with her childhood friend Irene, who has not hidden her origins, both women are forced to reassess their marriages, the lies they have told - and to confront the secret fears they have buried within themselves. Nella Larsen's intense, taut and psychologically nuanced portrayal of lives and identities dangerously colliding established her as a leading writer of America's Harlem Renaissance. The Penguin English Library - collectable general readers' editions of the best fiction in English, from the eighteenth century to the end of the Second World War.

Go Ask Alice - Anonymous 1971-09-14

A fifteen-year-old drug user chronicles her daily struggle to escape the pull of the drug world.

A Manual for Cleaning Women - Lucia Berlin 2015-08-18

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be—their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

Signs from a Peculiar Institution - Mark Waters 2020-10-24

Part spiritual memoir, part personal essay, part history, part satire, part meditation, part prophecy, *Signs from a Peculiar Institution* looks with irony and compassion, humor and pathos at the closing of the locally notorious Northern Illinois Women's Center, an abortion clinic situated on the decayed West side of Rockford, Illinois. The book is a two-year chronicle of its decline and eventual closing from the perspective of a weekly pilgrim to this strange house of death. In these pages, you'll encounter a clinic landlord/security guard who dressed up in a devil outfit, wielded a chainsaw, and regularly scrawled obscene and profane messages in the building windows. You'll hear death threats and witness exorcisms that all took place outside this 112-year-old former school building. You'll play chicken with cars, dodge flying asphalt, observe an assault from a cup of belligerent orange juice, and meet celebrity look-alikes, a local prostitute and pimp, and a man on stilts. You'll silently sympathize with every anonymous life entering the clinic's purple door of death. And in a darkly ironic alley of this book, you'll find Shakespeare and Vonnegut warming their hands over a barrel fire while quoting the Dhammapada with Flannery O'Connor, Samuel

Beckett, John Lennon, and a few loitering saints, all waiting for the Marian prophecy that will signal the end. Signs from a Peculiar Institution revisits not so much the topic of abortion as the experience of it. Many authors have quite aptly and neatly anatomized the polemics of the abortion debate, but far fewer have walked barefoot into its messy and muddy waste. This book chronicles the author's two-year spiritual journey praying and witnessing outside this abortion clinic. In doing so it brings a unique literary, scriptural, pop-cultural, and sacramental sensibility to this dumping ground for women and children, this desperate vigil of the faithful, this lost and found for souls.

Reading Women - Stephanie Staal 2011-02-22

When Stephanie Staal first read *The Feminine Mystique* in college, she found it “a mildly interesting relic from another era.” But more than a decade later, as a married stay-at-home mom in the suburbs, Staal rediscovered Betty Friedan's classic work—and was surprised how much she identified with the laments and misgivings of 1950s housewives. She set out on a quest: to reenroll at Barnard and re-read the great books she had first encountered as an undergrad. From the banishment of Eve to Judith Butler's *Gender Trouble*, Staal explores the significance of each of these classic tales by and of women, highlighting the relevance these ideas still have today. This process leads Staal to find the self she thought she had lost—curious and ambitious, zany and critical—and inspires new understandings of her relationships with her husband, her mother, and her daughter.

The Women's March - Jennifer Chiaverini 2021-07-27

New York Times bestselling author Jennifer Chiaverini returns with *The Women's March*, an enthralling historical novel of the women's suffrage movement inspired by three courageous women who bravely risked their lives and liberty in the fight to win the vote. Twenty-five-year-old Alice Paul returns to her native New Jersey after several years on the front lines of the suffrage movement in Great Britain. Weakened from imprisonment and hunger strikes, she is nevertheless determined to invigorate the stagnant suffrage movement in her homeland. Nine states have already granted women voting rights, but only a constitutional amendment will secure the vote for all. To inspire support for the campaign, Alice organizes a magnificent procession down Pennsylvania Avenue in Washington, DC, the day before the inauguration of President-elect Woodrow Wilson, a firm antisuffragist. Joining the march is thirty-nine-year-old New Yorker Maud Malone, librarian and advocate for women's and workers' rights. The daughter of Irish immigrants, Maud has acquired a reputation—and a criminal record—for interrupting politicians' speeches with pointed questions they'd rather ignore. Civil rights activist and journalist Ida B. Wells-Barnett resolves that women of color must also be included in the march—and the proposed amendment. Born into slavery in Mississippi, Ida worries that white suffragists may exclude Black women if it serves their own interests. On March 3, 1913, the glorious march commences, but negligent police allow vast crowds of belligerent men to block the parade route—jeering, shouting threats, assaulting the marchers—endangering not only the success of the demonstration but the women's very lives. Inspired by actual events, *The Women's March* offers a fascinating account of a crucial but little-remembered moment in American history, a turning point in the struggle for women's rights.
