[A Wrinkle in Time](#) - Madeleine L'Engle 2019-07-18

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in

a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and

time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Grandpa Smiles - Natalie Buske Thomas 2014-05-02

Original oil paintings tell the story of how Grandpa watches over a little boy over the course of his life, even though Grandpa can be with him only in spirit. This art story book is a peaceful and healing read for adults and children alike. Gentle emotions, passionate colors, and simple words communicate an inspirational message that love lives on, and family is forever.

Grace's Ghosts - Stephenie Wilson Peterson 2020-04-28
Twelve-year-old Grace and her feline best friend, Midnight, have a secret: Midnight is a ghost. But then again, so are the rest of Graces' friends. Since she's the only person in hundreds of years with the ability to see them, the

many ghosts of Tansy have flocked to Grace since birth. She doesn't mind. She prefers the company of the dead to that of the cliquey kids at school. Grace is happy with her strange life, until one day, the ghosts tell her about the secret her town has hidden for centuries. There's a reason there are more ghosts than living people in Tansy. Three-hundred years ago, a lonely witch cast a spell that mistakenly trapped the soul of every person to ever set foot in the tiny town. So when the spirits beg her to find a way to break the curse, Grace is eager to help. As she searches for answers, Grace makes discoveries about the secret her family hid for generations and a world of magic hidden in her own backyard. Grace soon realizes that if she succeeds in breaking the curse, she'll lose Midnight and all of her ghost friends, but if she fails, everyone living in Tansy will face the same fate. Can Grace break the curse before it's too late?

Refugee - Alan Gratz

2017-07-25

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades,

shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

Life of St. Anthony of Egypt - St Athanasius of Alexandria 2018-08-27

The biographic text of St. Anthony is presented complete in this edition for the reader's absorption and contemplation.

First published in the 4th century A.D., Anthony the Great's biography was authored by Christian Saint Athanasius of Alexandria. Since its release, the book has helped spread the beliefs, practices and arduous faith of Anthony the Great. A significant progenitor of the monastic tradition, Saint Anthony lived an ascetic lifestyle in the arid lands of Egypt. Although not the earliest of religious figures committed to this tradition, through actions and preaching Anthony helped popularise and spread principles that would contribute heavily to the establishment of Christian monasteries in Europe and beyond. One event in St. Anthony's life was his encounter with the supernatural in the remote Egyptian desert. This occurrence, where the otherworldly presence tried to tempt him from his spartan philosophy of living, is much recreated in Western art and literature.

How to Teach Nature Journaling - John Muir Laws
2020-05-26

Expanding on the philosophy and methods of The Laws Guide to Nature Drawing and Journaling, John Muir Laws and Emilie Lygren have developed the first-ever comprehensive book devoted to helping

educators use nature journaling as an inspiring teaching tool to engage young people with wild places. In their workshops Laws and Lygren are often asked the how-tos of teaching nature journaling: how to manage student groups in the outdoors, teach drawing skills (especially from those who profess to have none), connect journaling to educational standards, and incorporate journaling into longer lessons. This book puts together curriculum plans, advice, and in-the-field experience so that educators of all stripes can leap into journaling with their students. The approaches are designed to work in a range of ecosystems and settings, and are suitable for classroom teachers, outdoor educators, camp counselors, and homeschooling parents. Full-color illustrations and sample journal pages from notable naturalists show how to put each lesson into practice. Field-tested by over a hundred educators, this book includes dozens of activities that easily

support the Common Core and the Next Generation Science Standards--and, just as important, it will show kids and mentors alike how to recognize the wonder and intrigue in their midst.

The Awesome Writing Prompts Journal for Kids -

Kirsten du Toit 2020-05-16

Great writing prompt journal for kids between the 3rd and 5th grade. Perhaps you have a child who loves writing and wants to develop their skills. Or perhaps your child is a reluctant writer who needs to practice writing essays and stories to keep up with their peers. Whatever the case may be, you'll find this journal filled with writing prompts is perfect for improving children's imagination, creativity, reading skills, vocabulary and comprehension. The writing prompts in this book are ideal for children in the 2nd, 3rd, 4th and 5th grade, but older students will also enjoy the interesting topics and fun story-starters. This is an ideal book for parents looking for a way to extend their child at

home. What's more, the finished journal makes a fantastic keep-sake. If you homeschool or tutor a child, this is a great way to get their creative juices flowing.

Teachers will love this brilliant book of prompts with a topic for every occasion. You'll never run out of creative writing ideas and interesting story starters. This book is a great gift for aspiring writers. Here are a few examples of great prompts in the book: You blow out your birthday candles and make a wish. Immediately the wish comes true. What did you wish for? What happens? Your dad is a scientist. One of his top-secret projects is to bring the dinosaurs back to life. He's brought a baby dinosaur home from the lab. How do you look after it? What type of transportation will people have in the future? A strange little door appears in your bedroom. You can squeeze through the door if you try. What do you find on the other side? Writing prompts include interesting story starters, but also 'would you rather' questions (like

would you rather be able to fly or be incredibly strong) and persuasive essay topics to improve debating skills.

The Robot Planet - Yehong Fanfan Jiang 2015-11-15

This is a sequel to "Fly to the New Planet" and "Adventure to the New Planet". After FcF discovered the new planet LH and adventured to it, he decided to send robots to construct Planet LH before everything from Earth migrate there. FcF wanted robots instead of human to deal with the dangerous jobs. He formed a company, SDW, with a group of boys. They submitted the proposal to the government

and got the contract to build Planet LH. FcF really liked that way of formatting the planet and thought that it would lead to success. FcF and team made that come true! How could they make enough robots for planet construction? How could they make the entire planet operated by only robots? I hope you enjoy the book. -- FanFan Jiang, 2015

Imaginative Writing - Janet Burroway 2011

Janet Burroway's bestselling *Imaginative Writing: The Elements of Craft* explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. "Try-This" exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. "Working toward a draft" exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface "Invitation to the Writer" has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!
