**A Ladder to the Sky** - John Boyne 2018-11-13

"A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, *The Washington*

Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful - but desperately lonely - older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for *A Ladder to the Sky* "Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it."—NPR "Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—Vanity Fair

*Pacific Viking* - Barnaby Allen 2018-08-05

History is the tragedy of challenging omnipotence. A few remarkable people are destined to glide, to dip, but then soar again into the sphere of worldly memory. Some become gods. Others however, achieve a kind of greatness but lack the celebrity; history has looked the other way. Their deeds pass, forgotten in a generation; the name slips. It is good to tell of such and to picture one who imagined and risked all; who freed himself to overcome omnipotence, and paid the price with ignominy. This book shares the story of a man, Charles Savage, whom the world has forgotten, but who commands our attention and recognition two

hundred years on. His theater was Sweden, Australia and the South Pacific Islands. This is the writer's first book, a historical epic.

*The Echo Chamber* - John Boyne 2021-08-05

'The funniest book I've read in ages. Savage but compelling' Ian Rankin 'A fearless romp with big laughs along the way' Graham Norton 'Funny, rumbustious, unstinting and wonderfully Hogarthian' The Observer 'His relish is infectious' Times \_\_\_\_\_ What a thing of wonder a mobile phone is. Six ounces of metal, glass and plastic, fashioned into a sleek, shiny, precious object. At once, a gateway to other worlds - and a treacherous weapon in the hands of the unwary, the unwitting, the inept. The Cleverley family live a gilded life, little realising how precarious their privilege is, just one tweet away from disaster. George, the patriarch, is a stalwart of television interviewing, a 'national treasure' (his words), his wife Beverley, a celebrated novelist (although not as celebrated as she would like), and their children, Nelson, Elizabeth, Achilles, various degrees of catastrophe waiting to happen. Together they will go on a journey of discovery through the Hogarthian jungle of the modern living where past presumptions count for nothing and carefully curated reputations can be destroyed in an instant. Along the way they will learn how volatile, how outraged, how unforgiving the world can be when you step from the proscribed path. Powered by John Boyne's characteristic humour and razor-sharp observation, *The Echo Chamber* is a satiric helter skelter, a dizzying downward spiral of action and consequence, poised somewhere between farce, absurdity and oblivion. To err is maybe to be human but to really foul things up you only need a phone. 'Sharp, funny, and beautifully written, but it's also a brilliant reflection on the landscape we now live in' Sunday Times bestselling author, Joanna Cannon
