The Maidens - Alex Michaelides 2021-06-15

****THE INSTANT NEW YORK TIMES BESTSELLER**** "Alex Michaelides's long-awaited next novel, 'The Maidens,' is finally here...the premise is enticing and the elements irresistible." —The New York Times "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, New York Times bestselling author of *The Guest List* From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements "Michaelides as a major player in the field" (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

[Semantics](#) - James R. Hurford 2007-04-19

This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students.

A secret network of women. A legacy of poison and revenge. Welcome to *The Lost Apothecary*... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time.

Murder on the Marshes: A Gripping Murder Mystery Thriller That Will Keep You Turning the Pages - Clare Chase 2018-07-31

Do you love twisty murder mysteries? Meet Tara Thorpe - the clue to a puzzling local murder has landed

right on her doorstep. Perfect for fans of Faith Martin, LJ Ross and Joy Ellis. As the sun rises, a wealthy young woman - Samantha Seabrook - is found drowned in the ornamental fountain of a deserted Cambridge courtyard, the only clue - an antique silver chain wound tightly around her throat. It's Tara Thorpe's job to discover what happened to Miss Seabrook - but the case becomes personal when she learns that Samantha had been receiving death threats... rather like the one that landed on Tara's doorstep the night the woman died. Together with Detective Inspector Garstin Blake, Tara tracks the killer to the dank and dangerous fens on the outskirts of the city. But there's something Tara can't quite admit to Blake about her past - and it could make all the difference to whether they live... or die. An absolutely gripping page-turner that will keep you hooked until the very last page. The first in a series of unputdownable Cambridge mysteries featuring Thorpe and Blake. What everyone's saying about Clare Chase: 'WOWZERS!... My Kindle might as well have been glued to my hands as I couldn't put this story down... My heart was in my mouth and I was reeling with shock from what was happening. It was all just too exciting!' Goodreads reviewer 'I was totally unprepared for the mind games and suspense... This book will suck you in - brilliant!' 5 stars, Goodreads reviewer 'I was bursting to talk about this book with someone, I loved it... There was no point putting it down even if I tried to because my mind could not think about anything else.' Reviewed the Book

The Curious Incident of the Dog in the Night-Time - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
