Are Miraculous Gifts for Today? - Zondervan, 2011-10-11

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he

driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison

and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion. The Seer Expanded Edition - James W. Goll

Walking in the Prophetic Anointing - Latoya

Hewitt Panton 2020-09-14

Walking in the Prophetic Anointing is not just a catch phrase or a magic potion that is poured on you. In fact, it is constantly living in the presence of God, so that you will be able to fulfill God's call and purpose on your life. Walking in the Prophet Anointing also does not mean that you will not experience problems. On the contrary, you will encounter battles, after battles

in your life. David who was anointed to be the next king of Israel had many close calls with death despite him being anointed by God. Despite the challenges we face in our lives; God still expect us to fulfill the mandate that he has given us. Walking in the prophetic anointing also requires us to live a life of consecration, prayer and fasting, so we can maintain the presence of God in our lives. Failure to do this will result in us not being able to accomplish the purpose for which we were created. I am often reminded of Luke 4:18, "The Spirit of the Lord is upon me, because He hath anointed me to preach the Gospel to the poor. He hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised." Therefore, let us continue to walk in the prophetic anointing so that we will be able to fulfill our calling through Christ Jesus.

The Seer in Ancient Greece - Michael Flower 2008

"The seer (mantis), an expert in the art of divination, operated in ancient Greek society through a combination of charismatic inspiration and diverse skills ranging from examining the livers of sacrificed animals to spirit possession. Unlike the palm readers and mediums who exist on the fringe of modern society, many seers were highly paid, well respected, educated members of the elite who played an essential

role in the conduct of daily life, political decisions, and military campaigns. Armies, for example, never went anywhere without one. This engaging book, the only comprehensive study of this fascinating figure, enters into the socioreligious world of ancient Greece to explore what seers did, why they were so widely employed, and how their craft served as a viable and useful social practice." -- Publisher's description.

The Discerner - James W Goll 2017-11-16

“I want to do more than hear a word from God. I want to become that word. That is revelation’s ultimate purpose—for the Word to become flesh.” —James Goll
What is “prophetic revelation” from God? And what is the believer’s role in receiving and activating it? James Goll,

author of the best seller *The Seer*, explains that although some believers are especially gifted as prophets, every follower of Jesus receives the gifts of revelation and discernment. And every believer needs to use them! In fact, without discernment and sensitivity to the Holy Spirit, we cannot progress in our use of any of the gifts and callings. With clear explanations, scriptural illustrations, and real-life contemporary stories, Goll demonstrates how we can receive revelation through the natural senses of sight, hearing, touch, smell, and taste—and how to open ourselves up to the comparable supernatural senses through which God wants to speak. He also removes uncertainty about how to discern revelation and test the spirits, so that every believer can fulfill their ultimate purpose: extending Jesus’ powerful kingdom on earth. *The Discerner* is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation.
