Teaching English culture through CALL - Oana Samson

Generally, in language teaching, the emphasis is on the development of four separate skills: listening comprehension, reading comprehension, writing, and speaking. However, language teachers and scholars often refer to a fifth skill, which is culture. It is difficult to imagine language teaching

without referring in one way or another to the target culture; therefore, culture has always been present in the teaching process. But what does this skill imply and how should it be included into the teaching-learning process? Compared to grammar or vocabulary, culture is more difficult to define; therefore, it is not clear what and how it should be taught. "TEACHING ENGLISH CULTURE THROUGH C.A.L.L." se

adreaseaza studentilor, cadrelor didactice inscise la diverse examene de perfectionare sau interesate de alternative in predare. Lucrarea este unica prin multitudinea de situatii prezentate, abordarea unei teme de actualitate in contextul predarii prin intermediul calculatorului si al integrarii culturii in predarea limbii engleze precum si prin utilitatea planurilor de lectii ce insotesc partea aplicativa.

I Have Twenty Fingers - Matt Purland 2017-05-03

This book is aimed at Polish native speakers who are studying English as a second or foreign language. It contains four error-correction tests with answers and full discussion of each answer, including Polish translation of the error sentences. The aim is to help Polish students to understand WHY they make the same errors again and again, thus helping them to eliminate those errors. There are two special sections: nouns that are countable in Polish but uncountable in English, and 50 common false friends in Polish and English. This book may be useful for the following people:

- English language students and teachers in the Polish school system and in language schools
- Polish students who want to improve their English at home in a self-study environment
- Native speakers of English who teach Polish students and wish to understand why they repeatedly make the same errors
- Polish teachers who teach Polish students and also wish to know more about

common errors in Polish and English - from an English native speaker's point of view! - Students of English who are native speakers of other Slavic languages, such as Russian, Ukrainian, Czech, and Slovak - Anybody of any language who wants to improve their knowledge of English, since many of the errors also occur in other languages About the author: Matt Purland is an English teacher and writer from Cambridge in the UK. He has worked with Polish students at all levels since 2004. He has been living and working in Poland since 2007. His special interests include pronunciation, writing teaching materials, and error correction. This is his twenty-fifth resource book.

Task-based grammar teaching of English -

Susanne Niemeier 2017-10-23
The focus on communication in
TBLT often comes at the
expense of form. In this book,
the task-based approach is
enhanced and coupled with
insights into (cognitive)
grammar, an approach which
sees grammar as meaningful.
The book shows how grammar
teaching can be integrated into
a communicative lesson in a
non-explicit way, i.e., "by the
backdoor". The learners are
involved in situations that they
may also encounter outside
their classrooms and they are
given communicative tasks
they are to work on and solve,
usually with a partner or in
small groups. What teachers
need to invest for preparing
such lessons is their own
creativity, as they have to come
up with communicative
situations which guide the

learners into using a specific
grammatical structure. The
book first discusses the
didactic and the linguistic
theories involved and then
translates these theoretical
perspectives into actual
teaching practice, focusing on
the following grammatical
phenomena: tense, aspect,
modality, conditionals, passive
voice, prepositions, phrasal
verbs, verb complementation,
pronouns and articles.

Task Cycle "Environment and Pollution". Grammar Teaching with focus on Conditional Clauses (8 grade) - Jennifer Stano 2017-05-02

in the subject English -
Pedagogy, Didactics, Literature
Studies, grade: 1,7, University
of Mannheim (Anglistik),
course: Fachdidaktik Englisch,
language: English, abstract:
The following task cycle was
designed in order to illustrate a
method of grammar teaching.
The topic is "environment and
pollution" and the focus lies on
conditional clauses. It is
conducted for a 90 minute

lesson in an eight grade. The task cycle is guided by the standards of the Bildungsplan 2004 from the Allgemeinbildenden Gymnasium Baden-Württemberg.

MORE EXAMPLES: [First Part - If / When + Subject + Present Verb..., Second Part - Simple Present] If I move to school, I never take my mobile. If you want to be a super-achiever, first recognize your own capabilities. If it melts, it raises the sea level. If something bad

happens anywhere, it is natural to be sad. If you heat water, it boils. If the office closes early, we definitely go to the library. If you need help, call me. If I don't come on time, you are supposed to leave the office. If you feel sleepy, just go to bed. If that isn't absolute verification, I don't know what is. If the contractors fail to achieve the target within the specified period, they are liable to pay damages. If you don't get the first good, be content with the second good. [Note: Use of Imperative Sentence] If you are working for something with convictions, you are satisfied. If proper punishment is not awarded to the accused, the faith of the society is shaken in the legal system of the country. [Note: Use of passive voice - is + awarded, and is + shaken] If uranium is bombarded with a neutron, it absorbs some. If a Swedish govt. is interested in such a deal at all, Sweden can negotiate for itself a better deal. If a person is abused repeatedly then that person has the right to object and the

right to argue also. If my statement has pained someone then I regret it. If they have done something wrong that doesn't mean I have also done something wrong. If the refugee cannot afford to pay, she may be refused access to the hospital or have her refugee card confiscated. [First Part - Simple Present, Second Part - If / When + Subject + Present Verb...] I have come to bother you if you don't mind. We don't even know if any person by that name exists. Their wages are cut if they do not report for duty on time. You learn a language better if you visit the country where it is spoken. Agency works under pressure if one goes by what the ex-Director says. I apologize if at all the article hurt anyone. Power companies can hike the tariffs if the cost of imported coal rises. Hang me if I am guilty. I meet him if I go there. Butter dissolves if you leave it in sun. Plants die if you don't water them. Milk goes off if you don't keep it in a cool place. Ask the officer if you have any problems. I don't

mind if you sit in my cabin. Customers get upset if they are being overcharged. I have no problem if her name is disclosed. They promised to slash power rates if they are elected. Existing laws can be deterrent if a time-based trial is conducted. Do you mind if I turn on the radio for a while? A death row convict cannot be executed if he is not physically and mentally fit. A student may not be motivated to work hard if promotion is guaranteed. Many of the deaths can be avoided if bikers wear the helmet. I go by taxi when the bus is late.

No Grammar Tears 1 - Marthus-Adden Zimboiant 2013-08

First of all other, I find No Grammar Tears very informative. What amazes me is the kind of dedication and patience Marthus-Adden spent in writing this book. This is because this kind of genre actually needs full attention. Truly, whatever he has written is precise and correct. I really admire his generosity of sharing his knowledge about English owing to the fact that English is his second language. What is good about the book is

that the writer wrote it in a manner that readers can easily understand it. In other words, what makes this book different from the other English grammar books in the market is that it is more user-friendly, which means he wrote it in a manner that can easily be understood, especially by those who just learned English and want to learn more. Correctly put, this book is a guide to those who wants to learn English on their own. As a matter of fact, he has a knowledge check in every subject he has discussed in this book. He catered everything, especially in the part on how to construct sentences, which are very precise and which make it very easy to learn the book. He did not change anything at all in terms of the right way to speak and learn English, but instead he made it easier and more convenient for those people whose English is not their first language. In point of fact, he wrote this book not because he wants to show off to the world that he is a good grammarian, but because he

wants to help those struggling to learn English. The book therefore deserves recognition because he is actually giving a favour to those who can't afford to have a private tutor to teach them how to speak English correctly. I must, in conclusion, admit that this book will really help those people who want to learn English language; those people who are striving to speak perfect English; and those people that English is their second language. I will therefore commend the author for this book.
