**Year of the Jungle** - Suzanne Collins 2013  
Suzy spends her year in first grade waiting for her father, who is serving in Vietnam, and when the postcards stop coming she worries that he will never make it home.

[Into the Jungle](#) - Erica Ferencik 2021-01-26

In this “hypnotic, violent, unsparing” (A.J. Banner, USA TODAY bestselling author) thriller from the author of the “haunting, twisting thrill ride” (Megan Miranda, New York Times bestselling author) *The River at Night*, a young woman leaves behind everything she knows to

take on the Bolivian jungle, but her excursion abroad quickly turns into a fight for her life. Lily Bushwold thought she'd found the antidote to endless foster care and group homes: a gig teaching English in Cochabamba, Bolivia. As soon as she could steal enough cash for the plane, she was on it. But the program was a scam. And bonding with other broke, rudderless girls in the local youth hostel wasn't the answer. Falling crazy in love with Omar, a savvy, handsome local who'd left his life as a hunter in Ayachero—a remote jungle village—to try city life: this was the last thing Lily could have imagined. When Omar learns that a jaguar had killed his four-year-old nephew in Ayachero, he gives Lily a choice: stay alone in the unforgiving city, or travel to the last in the ever-more-isolated string of river towns in the jungles of Bolivia. Thirty-foot anacondas? Puppy-sized spiders? Vengeful shamans with unspeakable powers? None of it matters to love-struck Lily. She follows Omar to a ruthless new world of

lawless poachers, bullheaded missionaries, and desperate indigenous tribes driven to the brink of extinction. To survive, Lily must navigate the jungle—and all its residents—using only her wits and resilience. “Gripping, breathtaking, and exquisitely told—Into the Jungle pulls you into another world, returning you forever transformed” (Wendy Walker, USA TODAY bestselling author).

*One Plastic Bag* - Miranda Paul 2020-01-01  
Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! The inspiring true story of how one African woman began a movement to recycle the plastic bags that were polluting her community. Plastic bags are cheap and easy to use. But what happens when a bag breaks or is no longer needed? In Njau, Gambia, people simply dropped the bags and went on their way. One plastic bag became two. Then ten. Then a hundred. The bags accumulated in ugly heaps alongside roads.

Water pooled in them, bringing mosquitoes and disease. Some bags were burned, leaving behind a terrible smell. Some were buried, but they strangled gardens. They killed livestock that tried to eat them. Something had to change. Isatou Ceesay was that change. She found a way to recycle the bags and transform her community. This inspirational true story shows how one person's actions really can make a difference in our world.

**The Jungle** - Rudyard Kipling 1995-08-15  
Presents the further adventures of Mowgli, describing how his biological parents were ostracized by their village for their connection to a demon child and recounting how Mowgli leads his wolf-brothers into a fight with the red dogs.  
Reprint.

Village of Ben Suc - Jonathan Schell 2012-03-21  
BEN SUC was a relatively prosperous farming village thirty miles from Saigon, on the edge of the Iron Triangle, the formidable Vietcong stronghold. It had been "pacified" many times,

but because of security leaks no Vietcong were ever captured, and it always reverted to them. Therefore on January 8, 1967, American forces launched a surprise assault kept secret even from their South Vietnamese allies. The plan was to envelop the village, to seal it off, to remove its inhabitants, to destroy its every physical trace, and to level the surrounding jungle. Jonathan Schell accompanied the operation from its beginning to its successful but dismal end, and reports it in depth as he saw it. This time no one slipped away. The story of the bewildering task of separating the V.C. from ordinary villagers is the dramatic core of the first part of this book. The 3,500 villagers were moved to a refugee camp in Phu Loi, a barren, treeless "safe" area, with only what possessions they could carry. The bulldozers went to work and flattened every building. For security reasons no advance preparations had been made, and the move became a human and administrative nightmare. The people of Ben Suc were farmers, and there

was nothing for them to do at Phu Loi, Mr. Schell offers vivid portraits of one individual after another—women, children, old men—as they are pacified and sink into apathy and despair. Here is an overwhelmingly affective narrative of American skill and good intentions squandered in a cause made hopeless by misunderstanding, by resistant traditions, and by cultural gaps not only between ourselves and the villagers, but between them and the Saigon government. Mr. Schell's report is devastating.

*New Shoes* - Sara Varon 2018-03-20

From the creator of "Robot Dreams" and "Bake Sale" comes a heartwarming graphic novel about a donkey on a quest to make the perfect pair of shoes.

**What's Left of the Jungle** - Nitin Sekar  
2022-02-15

Indian officials estimate that over half a million families lose crops or property to wild elephants a year. Akshu Atri, born and raised in Buxa Tiger Reserve, is one such victim. Elephants have

destroyed his kitchen, regularly take over half of his annual crop yield, and have even killed some of his neighbours. Akshu could hate elephants, but he doesn't - neither does his family nor most of their community. By telling Akshu's story - of his childhood destitution, family tragedies, romantic pursuits, entanglements with poachers and smugglers, and his tumultuous rise out of poverty - *What's Left of the Jungle* unravels the complex affection that rural Indians have for jungle wildlife. Akshu's story can help us understand both why some of the tropics' most crowded landscapes still host the world's most stunning wildlife - and what we might need to do to keep it that way.

**Woolf in Ceylon** - Christopher Ondaatje 2006  
Leonard Woolf was born in London in 1880 and spent five years at Trinity College, Cambridge where he began lasting friendships with men such as Lytton Strachey, E. M. Forster and John Maynard Keynes. In 1904 Woolf applied to join the home civil service but failed the exam.

Instead, he was sent to Ceylon (now Sri Lanka) as a cadet in the Ceylon civil service, joining the small group of white administrators who ruled the colony. He remained there for nearly seven years. In *Woolf in Ceylon* Christopher Ondaatje, who was himself born and brought up on the island, follows in the footsteps of Woolf. Drawing on his personal experience of Ceylon and empire, he compares the way of life during imperial days with that of the post-colonial era. We learn as much about the country, its people and their transformation of the country during the past century as we do about the man who used his colonial career to become one of the leading English men of letters of the twentieth century. Ondaatje's sensitive descriptions, illustrated with period and modern photographs, tell the compelling story of Woolf's sojourn in Ceylon and his developing disillusionment with the British colonial system. The result is a unique evocation of both a vanished imperial world and a colonial servant's enduring legacy in

the contemporary culture of an enchanted but troubled island.

**The Nature of the Beast** - Louise Penny  
2015-08-25

*The Nature of the Beast* is a New York Times bestselling Chief Inspector Gamache novel from Louise Penny. Hardly a day goes by when nine year old Laurent LePage doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes

Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Armand Gamache, the former head of homicide for the Sûreté du Québec, must face the possibility that, in not believing the boy, he himself played a terrible part in what happens next.

**Village Boy** - Anietie Usen 2021-04-28

Thrilling, funny, irresistible and full of suspense, Village Boy is not just a real-life saga of a poverty-stricken boy who overcame incredible obstacles and prevailed against all odds. It is the inimitable and absorbing adventure into the village life in southern Nigeria, especially AkwaCross States. For adults, it is a nostalgia to relish. For the younger generation, this is not just a breezy window to the 60s and 70s, but the veritable binoculars to trace the footsteps of their parents and grandparents, in the proverbial good old days. And for teachers and students in secondary and tertiary institutions,

this is a study in creative writing.

Unputdownable.

**The Village** - Bing West 2003-02-11

In Black Hawk Down, the fight went on for a day. In We Were Soldiers Once & Young, the fighting lasted three days. In The Village, one Marine squad fought for 495 days—half of them died. Few American battles have been so extended, savage and personal. A handful of Americans volunteered to live among six thousand Vietnamese, training farmers to defend their village. Such “Combined Action Platoons” (CAPs) are now a lost footnote about how the war could have been fought; only the villagers remain to bear witness. This is the story of fifteen resolute young Americans matched against two hundred Viet Cong; how a CAP lived, fought and died. And why the villagers remember them to this day.

*The Jungle Books* - Rudyard Kipling 2008-06-12

Presents the adventures of Mowgli, a boy reared by a pack of wolves and the wild animals of the

jungle. Also includes other short stories set in India.

*Full Moon over Noah's Ark* - Rick Antonson  
2016-04-12

Acclaimed travel writer Rick Antonson sets his adventurous compass on Mount Ararat, exploring the region's long history, religious mysteries, and complex politics. Mount Ararat is the most fabled mountain in the world. For millennia this massif in eastern Turkey has been rumored as the resting place of Noah's Ark following the Great Flood. But it also plays a significant role in the longstanding conflict between Turkey and Armenia. Author Rick Antonson joined a five-member expedition to the mountain's nearly 17,000-foot summit, trekking alongside a contingent of Armenians, for whom Mount Ararat is the stolen symbol of their country. Antonson weaves vivid historical anecdote with unexpected travel vignettes, whether tracing earlier mountaineering attempts on the peak, recounting the genocide of

Armenians and its unresolved debate, or depicting the Kurds' ambitions for their own nation's borders, which some say should include Mount Ararat. What unfolds in *Full Moon Over Noah's Ark* is one man's odyssey, a tale told through many stories. Starting with the flooding of the Black Sea in 5600 BCE, through to the Epic of Gilgamesh and the contrasting narratives of the Great Flood known to followers of the Judaic, Christian and Islamic religions, *Full Moon Over Noah's Ark* takes readers along with Antonson through the shadows and broad landscapes of Turkey, Iraq, Iran and Armenia, shedding light on a troubled but fascinating area of the world. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and

much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**The Jungle Effect** - Daphne Miller, M.D.

2009-10-13

Why do the relatively poor native populations in Mexico and Africa have such low levels of the chronic diseases that plague the United States? Why is the rate of seasonal affective disorder in Iceland—a country where dreary weather is the norm—so low? Why is it that older women in Okinawa have such low breast cancer rates that it is not considered cost-effective for them to get screening mammograms? The Jungle Effect has the life-changing answers to these important questions, and many more. Whether it's the heart-healthy Cretan diet, with its reliance on olive oil and fresh vegetables, the antidepressive Icelandic diet and its extremely high levels of

omega-3s, the age-defying Okinawa diet and its emphasis on vegetables and fish, or the other diets explored herein, everyone who reads this book will come away with the secrets of a longer, healthier life and the recipes necessary to put those secrets into action. The Jungle Effect is filled with inspiring stories from Dr. Miller's patients, quirky travel adventures, interviews with world-renowned food experts, delicious (yet authentic) indigenous recipes, and valuable diet secrets that will stick with you for a lifetime.

[Into the Jungle](#) - Katherine Rundell 2019-10-17

Into the Jungle is a modern classic in the making, as Katherine Rundell creates charming and compelling origin stories for all Kipling's best-loved characters, from Baloo and Shere Khan to Kaa and Bagheera. As Mowgli travels through the Indian jungle, this brilliantly visual tale, which weaves each short story together into a wider whole, will make readers both laugh and cry. Rudyard Kipling's The Jungle Book, first

published by Macmillan in 1894, is one of the most enduring books of children's literature, delighting generations of children. Katherine Rundell has taken this as the basis of her new and enchanting tale, sharing the early years of favourite characters and informing the creatures they become in Kipling's classic, with stories about family and friendship, loyalty and jungle law, and a final battle which will decide the future of the forest. A gorgeously produced paperback with a foiled cover and colour illustrations throughout by creative genius Kristjana S Williams, this is truly a book for all the family to treasure and share.

*The River at Night* - Erica Ferencik 2017-01-10  
A "raw, relentless, and heart-poundingly real" (Ruth Ware, New York Times bestselling author) thriller set against the harsh beauty of the Maine wilderness, *The River at Night* charts the journey of four friends as they fight to survive the aftermath of a white water rafting accident. Winifred Allen needs a vacation. Stifled by a

soul-crushing job, devastated by the death of her beloved brother, and lonely after the end of a fifteen-year marriage, Wini is feeling vulnerable. So when her three best friends insist on a high-octane getaway for their annual girls' trip, she signs on, despite her misgivings. What starts out as an invigorating hiking and rafting excursion in the remote Allagash Wilderness soon becomes an all-too-real nightmare; a freak accident leaves the women stranded, separating them from their raft and everything they need to survive. When night descends, a fire on the mountainside lures them to a ramshackle camp that appears to be their lifeline. But as Wini and her friends grasp the true intent of their supposed saviors, long buried secrets emerge and lifelong allegiances are put to the test. To survive, Wini must reach beyond the world she knows to harness an inner strength she never knew she possessed. With intimately observed characters and visceral prose, *The River at Night* "will leave you gasping, your heart racing, eyes peering over

your shoulder to see what follows from behind” (Mary Kubica, New York Times bestselling author). This is a dark exploration of creatures—both friend and foe—that you won’t soon forget.

*The Book that Made Me* - Judith Ridge 2017  
Essays by popular children's authors reveal the books that shaped their personal and literary lives, explaining how the stories they loved influenced them creatively, politically, and intellectually.

**Mowgli's Brothers** - Rudyard Kipling  
2017-10-15

When a naked baby boy wanders into the cave of Father Wolf, Mother Wolf and their four cubs, Mother Wolf decides to keep him. Follow this exciting short story by Rudyard Kipling, from his original collection, *The Jungle Book*. A human boy raised by a family of wolves proves to be an exciting learning experience. This charming classic is recommended by The Gunston Trust for Nonviolence in Children's Literature. Ages

5-12.

**The Jungle** - Upton Sinclair 2010-08-19  
A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines

the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

*Leaves from the Jungle* - Verrier Elwin 1992  
Originally a missionary, Elwin Verrier was to become one of India's most noted anthropologists. This diary, which he kept during his stay in the Maikal village of Karanjia between 1932 and 1936, records Gond life and the efforts made to improve living conditions and the health of the inhabitants.

**The Bridge in the Jungle** - B. Traven 1967  
Regarded by many as Traven's finest novel, *The Bridge in the Jungle* is a tale of how a desperately poor people come together in the face of death. Traven never allows an iota of sentimentality to enter his story, but the reader finishes the book with renewed faith in the courage and dignity of human beings.

*The Village in the Jungle* - Leonard Woolf 1913

**Village of the Jungle** - S. A. Abakwue & Francis Abakwue 2009-08-01

Do you know that the mountain, called 'KILMANJARO' was once a woman? Do you know why and how she changed from an old woman to a towering mountain? Also, do you know who really changed her from a woman to a beast, and from a monstrous beast to a towering mountain? And have you ever thought about the time all these things happened in our great world? Do you know the name of the village that was once the very center of her universe? Have you ever thought about the unique currency of the jungle village? And do you know that the same jungle village was on the very verge of self-sufficiency? Do you know why MONEY is now so hard to get across the world? The book, VILLAGE OF THE JUNGLE will give you the epic answers, so deeply rooted in the historical saga. Once upon a time, there was a small village hidden by the

GODS in the very middle of an untouchable jungle. The people of the jungle village led a simple and even an honorable life. For example, they ruled themselves through their holy Priests, their honorable Chiefs and their sacred Oracles. The life in the village was so unique in that all the rampant vices of the outside world had no place in the lives of the poor villagers.

*BEING HUMAN BEING the Philosophy of Existence* - ralph b.bacchus 2019-11-11

The philosophy of existence is an account of the multitude of all that matters in human life, and how they are connected. A book about humans from the perspective of the reality and facts of our origin, existence, and future, with a multi-disciplinary approach, including doctrine, science, anthropology, history, psychology, consciousness, spirituality, and other related aspects. Explore who we are, what we are, where we are in this time, and where we are headed in this vast universe. You get to decide what is, and what is not, as we test the

differences between doctrinal belief, and the acceptance of science. Knowledge is the power to understand all that is. Be prepared to see yourself through this book as though you are looking into a mirror. The book was published in 2019 and mentions events that are happening in 2020. "The philosophy of existence" will help you see the world through a wide angle lens instead of a microscope. It will guide you to understand enough to realize that you are simply passing through this time, and your knowledge and understanding can help you find a place of peace in the life you live.

*A Stranger in the Village* - Farah J. Griffin  
1999-05-01

Dispatches, diaries, memoirs, and letters by African-American travelers in search of home, justice, and adventure-from the Wild West to Australia.

**jungle book** -

*From the Village to the Ends of the Earth* - Lisa

Downloaded from [wyoelks.org](http://wyoelks.org) on by  
guest

Leidenfrost 2021

From the Village to the Ends of the Earth is a sequel to the missionary biography, At the Edge of the Village.

**The Jungle Book** - Rudyard Kipling 2007-08-02

A wonderful new edition of this favourite tale of the boy cub and his jungle friends

*Burmese Days* - George Orwell 2021-01-07

In *Burmese Days*, George Orwell, one of the most famous writers in the English language, draws on his own experience of living and working in Burma to write an unflinching novel about the dark side of imperialism. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition features an introduction by journalist and writer David Eimer. John Flory is a disillusioned timber merchant based in the remote town of Kyauktada in 1920s Burma. Whilst his English

peers gather night after night to drink and gossip in their exclusive club, Flory has embraced local life - his best friend is Dr Veraswami and his mistress is Ma Hla May. The slow, sticky, hot days are interrupted by the arrival of the young and beautiful Elizabeth. And when the club is forced to elect a non-white member, Flory is caught up in an increasingly hostile and dangerous feud.

**The Village in the Jungle** - Leonard Woolf 2022-06-03

*The Village in the Jungle* is a novel by Leonard Woolf based on his experiences as a colonial civil servant in British-controlled Ceylon (now Sri Lanka) in the early years of the 20th century. Ground-breaking in Western fiction for being written from the native rather than the colonial point of view it is also an influential work of Sri Lankan literature. (source)

[Tales from the Yucatan Jungle](#) - Kristine Ellingson 2012-01-01

Where would you go if you needed to get away

from it all? What would happen if you never came back? Your life would change forever as it did for Kristine Ellingson. She left her home in the U.S. and moved to Yucatan, the vibrant land of the ancient Maya. Kristine Ellingson was a successful American jewelry designer with two grown children and a marriage on the rocks. She left her home in Oregon for a trip to Yucatan, Mexico that she believed would be an extended vacation. Much to her surprise, her stop in Yucatan was permanent. Join Kristine as she recounts her journey in finding a new home and family in a peaceful village near the Mayan ruins of Uxmal. In spite of being an outsider and looking nothing like the Mayas—she is tall and blonde—she is accepted by the village and becomes an integral part of their community. Kristine allows readers to glimpse a world seldom seen by outsiders who travel to the Yucatan Peninsula. Tales from the Yucatan Jungle is illustrated with over 100 black and white photographs and contains a Bibliography and

Index.

**The Jungle Book** - Rudyard Kipling 1920

*Jungle Up* - Nick Pirog 2021-04-27

“Please find me, Thomas! Please!” Two years ago, Dr. Gina Brady broke Thomas Prescott’s heart, but now her panic-stricken satellite phone call starts it beating again with a fury. Thus kidnapped the good doctor from the remote jungle village where she was working, and now the retired homicide detective’s expert skills are desperately needed to save her. Led by a colorful, but perhaps untrustworthy local guide, Prescott journeys deep into the Bolivian Amazon, plunging into a world where the only thing more dangerous than the gun-toting drug traffickers and the ruthless tribesmen, is the jungle itself. When Gina’s trail leads to a chance encounter with an archaeological expedition, the search for the missing doctor takes on even deadlier consequences. But Prescott will not relent in this punishing quest until, once again, he holds Gina

in his arms. The books in The Thomas Prescott Series can be enjoyed in any order, so grab Jungle Up and get started today.

**The Second Jungle Book** - Rudyard Kipling  
1897

Presents the further adventures of Mowgli, a boy reared by a pack of wolves, and the wild animals of the jungle. Also includes other short stories set in India.

*BEING HUMAN BEING Out of the Village and Into the Jungle* - ralph b.bacchus 2019-04-04

The story of a man on a quest to find his identity, his purpose and the meaning of life. Book One is an autobiographically themed account of a man, born in a place, in a circumstance, and in a condition, in a third world village. His future led him to the big city of New York where he met and overcame challenges, as he succeeded to become a pilot instructor, an engineer and a corporate professional. He opens the window to the world of Aviation for his reader, with valuable educational information. He explains

how his professional and personal experiences became the platform for learning about human beings and human behavior, including his conflict between science and doctrine. In Book Two he explains how he found himself, then he found everyone else, all swimming in this fishbowl from which there is no escape. He found what life on this planet is all about, from a factual and scientific perspective; who we are, where we came from, and where we are headed. He includes several disciplines in the analysis including, doctrine, science, anthropology, history, psychology, spirituality, consciousness and others. The author encourages the reader to decide what is, and what is not, as he shares information. He firmly believes that knowledge is power, to understand. He uses his faculties as an engineer, a pilot instructor and a researcher in other disciplines, to derive the philosophy of life and existence.

**Kaa's Hunting (The First Jungle Book)** -  
Rudyard Kipling 2021-01-08

During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to rescue him with Kaa the python. Kaa defeats the Bandar-log, frees Mowgli, and hypnotises the monkeys and the other animals with his dance. Mowgli rescues Baloo and Bagheera from the spell. The Jungle Book (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893-94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. Famous stories of The Jungle Book Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.

**Hari, the Jungle Lad** - Dhan Gopal Mukerji  
1924

Hari, a boy in east India, has a life full of adventure as he hunts with his father in the jungle and learns the ways of the animals. His finding of the famous elephant, Kari, brings unexpected good fortune.

**The Village in the Jungle** - Leonard Woolf  
1913

**The Village in the Jungle** - Leonard Woolf  
1975

**Village That Vanished** - Anne Grifalconi  
2009-08

Slavers arrive on horseback. They shoot their guns and capture unarmed farmers. They even shackle children. Abikanile's mother has told her so. Until now, the villagers of Yao had always felt safe. Lately, however, whispers and stories have found their way to them about nearby villages that have been seized.
