**A Reference Grammar of Dutch** - Carol Fehringer 1999-06-17

A Reference Grammar of Dutch is aimed at English-speaking students of Dutch at beginner/intermediate level. It is designed to be practical and user-friendly: grammatical information is presented in short entries arranged in alphabetical order, allowing students to gain easy access to specific points of grammar or problematic points of vocabulary as they encounter them in practice. Each grammatical rule is illustrated by simple, everyday Dutch examples of the kind likely to be encountered and used by the learner. Specialised linguistic terminology is kept to a minimum, with a glossary of essential terms provided, and charts and tables are included to help the student focus on the main points. Each entry is linked to a set of

exercises which are graded according to complexity, and there is a key to the exercises at the back of the book. A thorough index is also provided.

**A Manual of English** - George Benjamin Woods 1926

This text is built upon the assumption that improvement in English comes from the consciousness of error, from a knowledge of what is right, and from practice in the application of the rules of good usage. In this text specific topics are arranged alphabetically in each section (e.g., 'the sentence' begins with abbreviations, agreement, apostrophe), so that this book may be used as a quick reference guide.
