[Son of Sedonia](#) - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

[Confidently You](#) - Michele Badie 2016-06-17

[Hotlanta](#) - Anthony London 2015-05-26

The hum of the machines wasn't what Martice wanted to hear right now but it was a sign that he was getting something done around here. He had walked into the Print & Document Service Department of Max Office Superstore to find mounds of work waiting for him, you'd think by now he was used to it, but like all the other things you'd think he would be use to by now he wasn't. Six months ago he had meet the guy he was sure was the one, while it was a rocky start in the end or at least up till now things where still good. Yea Dre still had his bad habits, but Martice know he was faithful even with all the flirting... Read this compelling short story to find out where things lead with Martice in "Hotlanta."

[Salem VI](#) - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

[Even Happier: A Gratitude Journal for Daily Joy and Lasting Fulfillment](#) - Tal Ben-Shahar 2009-09-11

Learn to be Happier. Week by Week. In this week-by-week guided journal, Tal Ben-Shahar offers a full year's worth of exercises to inspire happiness every day. Using the groundbreaking principles of positive psychology that he taught in his wildly popular course at Harvard University and that inspired his worldwide bestseller Happier, Ben-Shahar has designed a series of tools and techniques to enable us all to find more pleasure and meaning in our lives. 52 weeks of new exercises, meditations, and "time-ins" A journal to record your thoughts, feelings, and personal growth Life-changing insights of philosophers, psychologists, artists, writers, scientists, and successful entrepreneurs This is no ordinary self-help book that you read and toss aside. It's a complete, user-driven journal filled with proactive challenges, thoughtprovoking questions, and "time-ins" that allow you to pause and reflect. You can engage in these activities every day to stimulate your creativity, enhance your sense of empowerment, enrich the quality of your life, and, yes, feel Even Happier.

[Happier, No Matter What](#) - Tal Ben-Shahar 2021-05-11

Even when everything is going wrong, the science of happiness can help you! Pioneering positive psychologist and New York Times–bestselling author Tal Ben-Shahar shows us how in Happier, No Matter What. Ben-Shahar busts the all-too-common ideas that success brings happiness and that we can seek happiness itself. When hard times thwart our success and steal our joy, these ideas actually invite despair by leaving us with nothing to do. But we can do something: We can climb the SPIRE—Ben-Shahar’s five-step staircase to hope and purpose. Spiritual: I am experiencing meaning. Physical: My body’s needs are met. Intellectual: I am learning. Relational: My friends support me. Emotional: I am allowed to feel. By truly living these five elements of well-being, we build the resilience to carry us through anything—from a personal loss to a global pandemic. Ben-Shahar’s all-new SPIRE method shows us the way to becoming “whole again”—and when we’re whole, we invite happiness in.

Pirate Journey - Philip Anderson 2013-01-25

Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? *Pirate Journey* explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

Chasing Perfect - Alisha Illian 2020-10-06

Girl, read your Bible. You can eat all the kale, buy all the things, lift all the weights, take all the trips, trash all that doesn't spark joy, wash your face and hustle like mad, but if you don't rest your soul in Jesus, you'll never find peace and purpose. You've had enough of the hustle. You've given up trying to meet social media's impossible standards, and you're done living a life ruled by busyness. But where do you go from here? For Alisha Illian, it wasn't until she learned to abide in God's truth that she finally found fulfillment. In *Chasing Perfect*, Alisha shares how God awakened her heart to prioritize what matters to Him. She'll help you learn what it means to look beyond each day's diversions and live in surrender to the Savior. You'll see why it's so important to... separate yourself from the self-first attitude of self-help culture savor each blessing God has given you schedule—rather than squeeze in—daily time to spend with God You don't have to keep filling your calendar to the brim with unsatisfying distractions. *Chasing Perfect* will help you submit to God and experience His perfect renewal and rest.

Embracing Survival - Dydine Umunyana 2016-08-10

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

The Sweet Spot - Paul Bloom 2021-11-02

"This book will challenge you to rethink your vision of a good life. With sharp insights and lucid prose, Paul Bloom makes a captivating case that pain and suffering are essential to happiness. It's an exhilarating antidote to toxic positivity." —Adam Grant, #1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife* One of Behavioral Scientist's "Notable Books of 2021" From the author of *Against Empathy*, a different kind of happiness book, one that shows us how suffering is an essential source of both pleasure and meaning in our lives Why do we so often seek out physical pain and emotional turmoil? We go to movies that make us cry, or scream, or gag. We poke at sores, eat spicy foods, immerse ourselves in hot baths, run marathons. Some of us even seek out pain and humiliation in sexual role-play. Where do these seemingly perverse appetites come from? Drawing on groundbreaking findings from psychology and brain science, *The Sweet Spot* shows how the right kind of suffering sets the stage for enhanced pleasure. Pain can distract us from our anxieties and help us transcend the self. Choosing to suffer can serve social goals; it can display how tough we are or, conversely, can function as a cry for help. Feelings of fear and sadness are part of the pleasure of immersing ourselves in play and fantasy and can provide certain moral satisfactions. And effort, struggle, and difficulty can, in the right contexts, lead to the joys of mastery and flow. But suffering plays a deeper role as well. We are not natural hedonists—a good life involves more than pleasure. People seek lives of meaning and significance; we aspire to rich relationships and satisfying pursuits, and this requires some amount of struggle, anxiety, and loss. Brilliantly argued, witty, and humane, Paul Bloom shows how a life without chosen suffering would be empty—and worse than that, boring.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America - 2012

Your complete guide for overlanding in Mexico and Central America. This book provides detailed and up-to-date information by country. It also includes 11 chapters of information for planning and preparing your trip and 9 chapters on what to expect while driving through Mexico and Central America. Completed by the authors of *LifeRemotely.com* this is the most comprehensive guide for driving the Pan American yet!

A Complicated Legacy - Robert H. Stucky 2014-05-23

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Turning This Thing Around - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, *Turning This Thing Around* has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, *Turning This Thing Around* is a story of a normal young man's resiliency when battling extraordinary circumstances.

Anxiety Warrior - Elke Scholz 2018-06

Anxiety Warrior Volume One came from seeing so many people in my private practice looking for strategies to lower anxiety. *Anxiety Warrior Volume Two* has delved deeper into more resources, and shares heart-felt, heroic stories of people like us. Together they make a complete resource for managing and lowering anxiety.

What's Wrong with Pauly? - B. J House 2013-08

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

Dominate Your Day - Dana Tyler 2015-11-04

You were made to live an exceptional life. Sometimes the path to living exceptionally is filled with roadblocks: a poor self-image, a career that does not satisfy; relationships that are unfulfilling. All of these can keep you from envisioning a life full of extraordinary possibilities. This book will help you jump start your joy! You do not have to accept a life of mediocrity. Embark on a journey of change that will free you from stress, worry, insecurity and failure. Stop allowing life to kick you in the teeth and get on the path to dominating your day!

But I'm Not Depressed - Lia Rees 2017-03-28

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. *But I'm Not Depressed* is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Knightingale - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

If You Can't Fail, It Doesn't Count - Dave Guymon 2013-02-24

This book "is about people who fail until they finally don't."--P. [4] of cover.

Rich Johnson's Guide to Trailer Boat Sailing - Rich Johnson 2009-08

trailerable sailboat is the ideal way to explore the country ? wherever there is water. To make the most of this exciting lifestyle, owners of trailerable sailboats need three things ? an understanding of the boat and how to use it; knowledge about the tow vehicle and trailer used to transport the boat; and a spirited sense of adventure to live the dream. #13;#13; This book will help you get started. #13;#13; #13;

Dangerous Intentions - Q. Alexander 2018-10-12

Dangerous Intentions: Mouth Full of Lies is about my experience in a relationship with a Jamaican man named Mark (The Love of My Life) or so I thought. No matter how good things felt with all of the passion, love, time spent together, and chemistry, a web of lies was created. Once lies begin to surface things take a dramatic turn which changes the whole perception of what things appeared to be. I was taken on the ride of my life, the man I thought I knew suddenly became someone I didn't know at all. It was as if a mask was peeling off of his face and the person behind the mask emerged, which was a stranger to me. Our whole relationship seemed to disappear in the blink of an eye. My story will take you through all of the hurt and betrayal I endured. The man that vowed to love me and always be there for me lied and abandoned me. It almost seemed I was playing a character in a movie thinking this can't really be happening. He could no longer run from the truth, it was time to face it. The double life he was living blew up in an unexpected way. Ultimately he sold me a dream, but in the end delivered a nightmare. As my life was turned upside down I slowly moved on trying to put the pieces back together. In the process I crossed paths with another Jamaican man named Devon, who seemed to be the opposite of Mark. Devon and I would talk all the time about our past relationships which he used as a way to get close to me. I became hesitant pretty quickly as I noticed a dark side emerge that kept revealing itself no matter how much he tried to conceal it. Devon became emotionally and mentally abusive, it was the first time in my life I had ever experienced that type of abuse. He became a complete monster, as I tried to leave him many times I realized unlike the relationship with Mark, getting away from Devon would be more of a challenge. He was a manager at a cruise line where I worked and he made sure to keep reminding me by his actions that things would never be over until he wanted it to be over. I was taken through more twists, turns and confusion. In the end, I had to make a wise decision and forget what I hoped things could be based off of false pretenses and instead do what was best for me.

Sea Glass Windows - Richard Morgan 2016-05-03

Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.

What Ever It Takes - Mick Williams 2017-09-20

For the small town of Watkins Forge, the worst thing to happen is a heavy snowfall. That is, until widower Cory Keller visits for an annual hunting trip. When he witnesses a murder in the nearby forest, no one believes him. With no corpse, and as the only witness, he is faced with convincing the towns sceptical sheriff before the killer tracks him down to silence him. As he develops a friendship with an attractive waitress, Keller discovers that he is up against much more than a killer and he must not only save himself but the whole town. Mick Williams is the author of Amazon Top Ten title A Reason To Grieve, and the page turning adventure A Guy Walks Into A Bar.

I Am Not My Hair - Shawneda 2013-04-19

Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

Corporate Bravery - Darrin Murriner 2015-10-01

American culture has become a culture of fear. Parenting methods and advertising messages scream for safety. Terrorism's threat and the government's response both tell us to take cover. And, of course, social media's unending streams perpetually magnify it all. In this societal context, our business cultures, too, have become cultures of fear. Mistrust is rising between management and co-workers, all seeking to protect personal interests. Advisors push us toward fear-based caution, not opportunity-seeking strategy. External influences -- from the media to regulators to competition -- focus us on avoiding risks rather than moving boldly ahead. Corporate Bravery is a book about freeing your business from being a culture of fear. It starts by considering fear's impact on decision-making. Then, it explores eight ways that fear can harm culture. Finally, through a three-step process, it shows how to foster a culture that supports engaged employees, provides opportunities for measured risk-taking and innovation, and rewards the brave leadership that drives business success.

How to Be an Imperfectionist - Stephen Guise 2015-06-04

From an early age, kids are taught to color inside the lines, and any color that strays outside the lines is considered to be a mistake that must be avoided. Perfectionism is a naturally limiting mindset. Imperfectionism, however, frees us to live outside the lines, where possibilities are infinite, mistakes are allowed, and self-judgment is minimal. The old way to approach perfectionism was to inspire people to "let go" of their need for perfection and hope they could do it. The new way is to show people how simple but highly strategic "mini actions" can empower them to gradually and effortlessly "let go" of perfectionism. This book applies the science of behavior modification directly to the roots of perfectionism, resulting in a new and superior method for change. Imperfectionists aren't so ironic as to have perfect lives: they're just happier, healthier, and more productive at doing what matters.

Use It - Cheryl Hunter 2012-06

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Happier - Tal Ben-Shahar 2007-05-25

Can You Learn to Be Happy? YES . . . according to the teacher of Harvard University's most popular and life-changing course. One out of every five Harvard students has lined up to hear Tal Ben-Shahar's insightful and inspiring lectures on that ever-elusive state: HAPPINESS. HOW? Grounded in the revolutionary "positive psychology" movement, Ben-Shahar ingeniously combines scientific studies, scholarly research, self-help advice, and spiritual enlightenment. He weaves them together into a set of principles that you can apply to your daily life. Once you open your heart and mind to Happier's thoughts, you will feel more fulfilled, more connected . . . and, yes, HAPPIER. "Dr. Ben-Shahar, one of the most popular teachers in Harvard's recent history, has written a personal, informed, and highly enjoyable primer on how to become happier. It would be wise to take his advice." --Ellen J. Langer, author of *Mindfulness and On Becoming an Artist* "This fine book shimmers with a rare brand of good sense that is imbedded in scientific knowledge about how to increase happiness. It is easy to see how this is the backbone of the most popular course at Harvard today." --Martin E. P. Seligman, author of *Authentic Happiness*

Ending the Pursuit of Happiness - Barry Magid 2010-10-08

Inspires us - in wryly gentle prose - to outgrow the impossible pursuit of happiness, and instead make peace with the perfection of the way things are. Including ourselves! Magid invites readers to consider the notion that our certainty that we are broken may be turning our (3z(Bpursuit of happiness(S3(B into a source of yet more suffering. He takes an unusual look at our (S2(Bsecret practices(S3(B (what we're REALLY doing, when we say (S2(Bpracticing(S3(B) and (S2(Bcurative fantasies,(S3(B wherein we have ideals of what spiritual practices will "do" for us, "cure" us. In doing so, he helps us look squarely at such pitfalls of spiritual practice so that we can avoid them. Along the way, Magid lays out a rich roadmap of a new "psychological-minded Zen," which may be among the most important spiritual developments of the present day.

Choose the Life You Want - Tal Ben-Shahar 2014-03-18

What kind of life do you want for yourself? What choices will create this kind of life? In his New York Times bestseller *Happier*, positive psychology expert Tal Ben-Shahar taught us how to become happier through simple exercises. Now, in *Choose the Life You Want*, he has a new, life-changing lesson to share: Drawing on the latest psychological research, Ben-Shahar shows how making the right choices—not the big, once-in-a-lifetime choices, but the countless small choices we make every day almost without noticing—has a direct, long-lasting impact on our happiness. Every single moment is an opportunity to make a conscious choice for a happy and fulfilled life. *Choose the Life You Want* covers 101 such choices, complete with real-life stories, to help you identify and act on opportunities large and small.

How to Pass Delta - Damian Williams 2014-03-05

The *My Pet Zombie* books (books, ebooks, and coloring books) are light-hearted children's books with a tiny bit of offbeat dark humor...but nothing that would give the little ones nightmares. ...perfect for Zombie/Horror fan adults to share with children. Enjoy the ebook and coloring book right away - *My Pet Zombie - Zombies for Kids - Without the Nightmares*

The Pursuit of Perfect: How to Stop Chasing Perfection and Start Living a Richer, Happier Life - Tal Ben-Shahar 2009-04-03

DO YOU WANT YOUR LIFE TO BE PERFECT? We're all laboring under our own and society's expectations to be perfect in every way—to look younger, to make more money, to be happy all the time. But according to Tal Ben-Shahar, the New York Times bestselling author of *Happier*, the pursuit of perfect may actually be the number-one internal obstacle to finding happiness. OR DO YOU WANT TO BE HAPPY? Applying cutting-edge research in the field of positive psychology—the scientific principles taught in his wildly popular course at Harvard University—Ben-Shahar takes us off the impossible pursuit of perfection and directs us to the way to happiness, richness, and true fulfillment. He shows us the freedom derived from not trying to do it all right all the time and the real lessons that failure and painful emotions can teach us. YOU DON'T HAVE TO BE PERFECT TO BE PERFECTLY HAPPY! In *The Pursuit of Perfect*, Tal Ben-Shahar offers an optimal way of thinking about failure and success—and the very way we live. He provides exercises for self reflection, meditations, and “Time-Ins” to help you rediscover what you really want out of life. Praise for Tal Ben-Shahar's *Happier*: “This fine book shimmers with a rare brand of good sense that is embedded in scientific knowledge about how to increase happiness. It is easy to see how this is the backbone of the most popular course at Harvard today.” --Martin E. P. Seligman, author of *Authentic Happiness*

The Ogre faces not just the undead, but also the demonic powers that control and drive them to feed on human flesh.

Present Perfect - Pavel G Somov 2010-06-03

A revolutionary approach to overcoming perfectionism! A recent, randomized study—published by *Mindfulness Journal*—shows that *Present Perfect* is effective as a standalone intervention. The study found that those who had read the book experienced a statistically significant reduction of self-criticalness, a result that was still maintained at a six weeks follow-up (Wimberley, Mintz, & Suh, *Mindfulness*, Nov. 2015). While there's no doubt that setting high standards for yourself is a good thing, you've probably already noticed that perfectionism can come at a high price. And when you take steps to try to change, it's easy to be too hard on yourself and fall into the same traps that keep you feeling stressed and disappointed. This book presents a revolutionary approach to overcoming perfectionism—a way to transform your need for precision into self-acceptance, compassion, and love for each perfectly imperfect passing moment in our lives. In *Present Perfect*, you'll use the Buddhist psychology of mindfulness to learn to accept the present moment in all of its ordinary perfection. This book is filled with over 150 exercises and meditations that you can practice to become more flexible toward yourself and others without losing your love of a job well done. With this compassionate approach, you'll soon be able not only to accept life as it is, but also become more accepting and forgiving of yourself and others.

Disguised Blessings - Chara Davis 2016-11-15

[Free Roll](#) - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest

stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a

small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
