[Miss Lonelyhearts](#) - Nathanael West 1959-10

THE STORY: As described by Atkinson in the NY Times: A scornful feature editor of a newspaper picks an ambitious young reporter to conduct the advice of the lovelorn column. Ambitious, opportunistic, 'Miss Lonelyhearts,' as the conductor of the co

**The Brief Wondrous Life of Oscar Wao** - Junot Diaz 2008-09-04

Things have never been easy for Oscar. A ghetto nerd living with his Dominican family in New Jersey, he's sweet but disastrously overweight. He dreams of becoming the next J.R.R. Tolkien and he keeps falling hopelessly in love. Poor Oscar may never get what he wants, thanks to the Fukú - the curse that has haunted his family for generations. With dazzling energy and insight Díaz immerses us in the tumultuous lives of Oscar; his runaway sister Lola; their beautiful mother Belicia; and in the family's uproarious journey from the Dominican Republic to the US and back. Rendered with uncommon warmth and humour, The Brief Wondrous Life of Oscar Wao is a literary triumph, that confirms Junot Díaz as one of the most exciting writers of our time.

*Must-Know Spanish* - Gilda Nissenberg 2007-04-10

From current affairs to shopping, medicine to relationships, you will find what you need to know fast and easy.

**Polyónymoi** - José Marcos Macedo 2021-04-06

The Orphic Hymns consist of a prooemium and 87 hymns addressed to several deities in a late Orphic initiation of sorts. They were composed probably in Asia Minor during the second or third century CE. The bulk of these hymns are made up of divine epithets often linked together in chains of considerable length. The lexicon attempts to give a comprehensive account of the roughly 850 epithets, bringing together the most relevant information scattered in the scholarly literature and adding others from various sources (literary, epigraphic, lexicographic, scholia etc.) in order to provide an overview of their usage and the main details of their models.

*Spirit Rising* - Jim Cymbala 2012-03-06

What will God do when you open your life to the Holy Spirit? Christianity is impossible without the Holy Spirit. So why do we talk so little about him? In Spirit Rising, Pastor Jim Cymbala combines biblical insights with stunning stories of the Holy Spirit's work to help you experience God's power in a new way. Nothing will change your prayer life, your church, or your study of God's Word more than opening your heart to the Spirit. So if you want more excitement and joy, come discover a deeper understanding of how the Holy Spirit moves--and how you can join him. "Jim Cymbala invites you and me to raise our sails and ride the warm winds of God's Spirit. His careful study and personal credibility merge to create this guide to power-packed living." --Max Lucado, pastor and bestselling author

[Musicians in Transit](#) - Matthew B. Karush 2016-12-02

In Musicians in Transit Matthew B. Karush examines the transnational careers of seven of the most influential Argentine musicians of the twentieth century: Afro-Argentine swing guitarist Oscar Alemán, jazz saxophonist Gato Barbieri, composer Lalo Schifrin, tango innovator Astor Piazzolla, balada singer Sandro, folksinger Mercedes Sosa, and rock musician Gustavo Santaolalla. As active participants in the globalized music business, these artists interacted with musicians and audiences in the United States, Europe, and Latin America and contended with genre distinctions, marketing conventions, and ethnic stereotypes. By responding creatively to these constraints, they made innovative music that provided Argentines with new ways of understanding their nation's place in the world. Eventually, these musicians produced expressions of Latin identity that reverberated beyond Argentina, including a novel form of pop ballad; an anti-imperialist, revolutionary folk genre; and a style of rock built on a pastiche of Latin American and global genres. A website with links to recordings by each musician accompanies the book.

**Beyond C. L. R. James** - John Nauright 2014-11-01

A collection of essays that analyze the interconnections between race, ethnicity, and sport.

**The Kindly Ones** - Jonathan Littell 2010-03-02

"Oh my human brothers, let me tell you how it happened." Dr. Max Aue, the man at the heart of Jonathan

Littell's stunning and controversial novel *The Kindly Ones*, personifies the evils of the Second World War and the Holocaust. Highly educated and cultured, he was an ambitious SS officer, a Nazi and mass murderer who was in the upper echelons of the Third Reich. He tells us of his experience during the war. He was present at Auschwitz and Babi Yar, witnessed the battle of Stalingrad, and survived the fall of Berlin — receiving a medal from Hitler personally in the last days of Nazi Germany. Long after the war, he is living a comfortable bourgeois life in France, married with two children, managing a lace factory. And now, having evaded justice, he speaks out, giving a precise and accurate record of his life. The tone of his account is detached, lapidary, and for the most part unrepentant, whether he is describing his participation in mass murder on the Eastern Front, his bureaucratic investigations of labour productivity in the death camps, his casual murder of civilians as he tries to break through Russian lines towards the end of the war, or his fervid and convoluted relationship with his twin sister. Over its course, by entwining Aue's life with those of historical figures such as Eichmann and Speer, Himmler and indeed Hitler, *The Kindly Ones* comes to depict the entire architecture of Nazism — from its grandest intellectual pretensions to its most minute, most chilling managerial details and executions. *The Kindly Ones* presents — with unprecedented realism, meticulous research that is both fascinating and compelling, and brilliant literary accomplishment — the greatest horrors imaginable. "War and murder are a question, a question without an answer, for when you cry out in the night, no one answers," Aue says. In the same way, this powerfully affecting, powerfully challenging book confronts the reader with the most profound questions about history, morality, and art without offering any easy resolution. Written originally in French, and published now in English for the first time, *The Kindly Ones* has already sold to date well over a million copies in Europe. In France it won two prestigious prizes, including the Goncourt, and has been compared to *War and Peace* and other great classics of literature.

**Talk Dirty Italian** - Alexis Munier 2008-10-17

This sort of Italian isn't Church sanctioned. Whether ordering a slice in Little Italy or riding along the Grand Canal, *Talk Dirty: Italian* is your guide to truly spitting the sauce. Loaded with plenty of words and expressions that could make Tony Soprano blush, you'll sound like you just got off the boat with entries like the one below. And with the curses, slang, and idiomatic expressions split into different situation-based sections, you're guaranteed to always know what to say--no matter where you are. Italian word: scopabile  
Definition: f\*\*kable, lit. sweepable  
Phrase: Niente male la tua suocera; anzi direi che è proprio scopabile.  
Literal Translation: Your mother-in-law is not so bad looking; in fact she's quite f\*\*kable.

**Dirty Spanish** - Juan Caballero 2011-05-10

GET D!RTY! Next time you're traveling or just chattin' in Spanish with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including: • cool slang • funny insults • explicit sex terms • raw swear words  
*Dirty Spanish* teaches the casual expressions heard every day on the streets of Spain and Latin America: • What's up? ¿Qué tal? • I'm shitfaced. Estoy mamado. • Check out all the hotties! ¡Mírale las bomboncitas! • Will you suck me off? ¿Me lo chuparías? • I have the runs. Yo tengo un chorrillo. • What a motherfucker! ¡Qué conchesuma! • That forward is legit. Es chévere ese delantero.

**Cultures of Anyone** - Luis Moreno Caballud 2015

This book focuses on the rise of sharing and collaboration practices among peers in Spanish digital cultures and social movements in the wake of Spain's financial meltdown of 2008.

[Issues in Japanese Phonology and Morphology](#) - Jeroen Weijer 2001-01-01

The book contains a number of studies in Japanese phonology and morphology, all analyses by leading scholars in the field. It presents an overview of the work that has been done in Japan and other countries and offers new solutions to long-standing problems. In the phonology chapters, it focuses on segmental as well as suprasegmental issues, including voicing and tone, approaching these issues from a variety of perspectives, including Optimality Theory and Government Phonology. In the morphology chapters, attention is given to truncation patterns and the possibilities for compound formation.

**Swearing and Cursing** - Nico Nassenstein 2020-04-20

While most of the more recent influential work on swearing has concentrated on English and other languages from the Global North, looking at forms and functions of swear words, this contribution redirects

the necessary focus onto a sociolinguistics of swearing that puts transgressive practices in non-Western languages into the focus. The transdisciplinary volume contains innovative case studies that address swearing and cursing in parts of the world characterized by consequences of colonialism and increasingly debated inequalities. Turning away from more conventional and established methodologies and theoretical approaches, the book envisages to address transgressive linguistic practices, performances and contexts in Africa, Asia, America and Europe -including individuals' creativity, subversive power and agency. Due to its interdisciplinary and non-mainstream focus, this volume is an essential addition to the field of studies.

**Speaking Argento** - Jared Romey 2008-01-02

"Quilombo, bombacha, boludo, un feca, cagar a palos, afanar, trucho..." So you thought you spoke Spanish? Ah, but these words or phrases make no sense? Welcome to Argentina and its unique Spanish. *Speaking Argento* is the book that will help you understand Argentines. This light-hearted dictionary-style book includes the vocabulary (and some Lunfardo words) you need to know and were never taught in school. Over 1,300 words and phrases are explained in English. The book also includes short sections that list some of the particularities of the Argentine grammar, pronunciation and gestures. There are also quick vocabulary tables that group words and phrases of a common topic. 35 funny cartoon illustrations are included to help explain word meanings. Whether you are visiting Argentina for the first time, an Argentine looking to enjoy the unique vocabulary of your country, or even wanting to get back in touch with your family roots and heritage, *Speaking Argento* will be a fun book for you. This book follows the light-hearted, humorous style of two bestseller books in the *Speaking Latino* series: *Speaking Boricua* and *Speaking Chileno* that were the result of the experience of a gringo, Jared Romey, living, working and mingling among locals in these countries. IS THIS BOOK FOR ME? This bilingual book contains words that are not appropriate for kids. If you are just starting to learn Spanish, this book is best used as a complementary reference source to any program or class designed to teach you Spanish. This book and the other books of the *Speaking Latino* series are not designed as stand-alone learning aids, to teach you Spanish. Instead, they expand your country-specific Spanish vocabulary. If you already speak Spanish, this book help you understand local Spanish from Argentina. Be sure to use the Amazon Look Inside function to see what this book will and will not teach.

*The Little Red Book of Very Dirty Words* - Alexis Munier 2009-09-18

Inside this book: The dirtiest words in the English language! And we're not just talking about those infamous seven words you can't say on TV. We're talking about more than 1,000 of the blessedly profane insults, obscenities, and vulgarities that make English the richest--and raunchiest--language on earth. In *The Little Red Book of Very Dirty Words*, you'll find the dirtiest of the dirty, along with the most deliciously obscene variations from English-speaking countries around the world. So go ahead, call your ex/boss/landlord a barmy, crop-dusting, kickin', frackin', bloody son-of-a-bitch dickwad. Swear. Loudly. You'll be friggin' glad you did. Because with this nastiest of nasty wordbooks, you'll find talking dirty has never been more fun--or more filthy!

**Swearing in English** - Tony McEneaney 2004-06-01

Do men use bad language more than women? How do social class and the use of bad language interact? Do young speakers use bad language more frequently than older speakers? Using the spoken section of the British National Corpus, *Swearing in English* explores questions such as these and considers at length the historical origins of modern attitudes to bad language. Drawing on a variety of methodologies including historical research and corpus linguistics, and a range of data such as corpora, dramatic texts, early modern newsbooks and television, Tony McEneaney takes a socio-historical approach to discourses about bad language in English. Arguing that purity of speech and power have come to be connected via a series of moral panics about bad language, the book contends that these moral panics, over time, have generated the differences observable in bad language usage in present day English. A fascinating, comprehensive insight into an increasingly popular area, this book provides an explanation, and not simply a description, of how modern attitudes to bad language have come about.

*The Other Half of Happy* - Rebecca Balcárcel 2019-08-20

Quijana is a girl in pieces. One-half Guatemalan, one-half American: When Quijana's Guatemalan cousins move to town, her dad seems ashamed that she doesn't know more about her family's heritage. One-half

crush, one-half buddy: When Quijana meets Zuri and Jayden, she knows she's found true friends. But she can't help the growing feelings she has for Jayden. One-half kid, one-half grown-up: Quijana spends her nights Skyping with her ailing grandma and trying to figure out what's going on with her increasingly hard-to-reach brother. In the course of this immersive and beautifully written novel, Quijana must figure out which parts of herself are most important, and which pieces come together to make her whole. This lyrical debut from Rebecca Balcárcel is a heartfelt poetic portrayal of a girl growing up, fitting in, and learning what it means to belong.

[Talk Dirty German](#) - Alexis Munier 2009-10-18

Learn to Speak German--the Dirty Deutsch Way! If you think German is all brat and no wurst, you need to think again. German is sexier--and dirtier--than you might imagine. (Think Hamburg!) From hearts and violins to pigs and dogs, Goethe's native tongue is ripe--and rank--with creative obscenities, including: Kuck mal diese geile Schnitte! Look at that sexy chick! Literal translation: Look at that sexy slice! Alle wissen dass Klaus sehr gut geigt. Everyone knows Klaus f\*\*ks well. Literal translation: Everyone knows Klaus plays the violin well.

**Dreaming in Cuban** - Cristina García 2011-06-08

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post

**Talk Dirty Spanish** - Alexis Munier 2008-05-01

¿Qué pasa, gringo? Whether at a cantina in Mexico or a discothèque in Spain, you better know how to shoot the s#!. Luckily for you, Talk Dirty: Spanish dishes all the dirty sayings in a variety of dialects. Packed with plenty of four-letter words, habañoero-hot insults, and wicked expressions, this book will have you speaking like a true hombre. The Spanish-to-English translations will help you learn all the latest foreign slang, such as: De puta madre: of the prostitute mother Spanish Phrase:¡Mi tío tiende un coche de puta madre! Translation: My uncle has a fantastic car! Literal Translation: My uncle has a car of a prostitute mother! Talk Dirty: Spanish--all you need for a sharper tongue and set of cojones.

**The Brief Wondrous Life of Oscar Wao** - Junot Díaz 2008-09-02

Winner of: The Pulitzer Prize The National Book Critics Circle Award The Anisfield-Wolf Book Award The Jon Sargent, Sr. First Novel Prize A Time Magazine #1 Fiction Book of the Year One of the best books of 2007 according to: The New York Times, San Francisco Chronicle, New York Magazine, Entertainment Weekly, The Boston Globe, Los Angeles Times, The Washington Post, People, The Village Voice, Time Out New York, Salon, Baltimore City Paper, The Christian Science Monitor, Booklist, Library Journal, Publishers Weekly, New York Public Library, and many more... Nominated as one of America's best-loved novels by PBS's The Great American Read Oscar is a sweet but disastrously overweight ghetto nerd who—from the New Jersey home he shares with his old world mother and rebellious sister—dreams of becoming the Dominican J.R.R. Tolkien and, most of all, finding love. But Oscar may never get what he wants. Blame the fukú—a curse that has haunted Oscar's family for generations, following them on their epic journey from Santo Domingo to the USA. Encapsulating Dominican-American history, The Brief Wondrous Life of Oscar Wao opens our eyes to an astonishing vision of the contemporary American experience and explores the endless human capacity to persevere—and risk it all—in the name of love.

**Talk Dirty French** - Alexis Munier 2008-05-01

Let's be sérieux! Can't quite come up with the right French quip or four-letter word? With Talk Dirty: French, you'll be able to put your (middle) finger on it. Each entry provides an individual foreign gem, a useful French sentence employing the word, the expression's English counterpart, and its literal translation. Whether you're a native-speaker, world traveler, or just looking to tell off those brash Parisians, these naughty words and risqué slang will surely give your tongue a French twist. Les couilles: the balls French Expression: Je l'ai avertie-elle ne m'a pas écoute alors maintenant je m'en bats les couilles. Translation: I warned her--she didn't listen to me so now I'm washing my hands of it. Literal Translation: I warned her--she didn't listen to me so now I'm flapping my balls of it.

**Kindred: A Graphic Novel Adaptation** - Octavia E. Butler 2017-01-10

Octavia E. Butler's bestselling literary science-fiction masterpiece, Kindred, now in graphic novel format. More than 35 years after its release, Kindred continues to draw in new readers with its deep exploration of the violence and loss of humanity caused by slavery in the United States, and its complex and lasting impact on the present day. Adapted by celebrated academics and comics artists Damian Duffy and John Jennings, this graphic novel powerfully renders Butler's mysterious and moving story, which spans racial and gender divides in the antebellum South through the 20th century. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. Held up as an essential work in feminist, science-fiction, and fantasy genres, and a cornerstone of the Afrofuturism movement, there are over 500,000 copies of Kindred in print. The intersectionality of race, history, and the treatment of women addressed within the original work remain critical topics in contemporary dialogue, both in the classroom and in the public sphere. Frightening, compelling, and richly imagined, Kindred offers an unflinching look at our complicated social history, transformed by the graphic novel format into a visually stunning work for a new generation of readers.

**Latin Alive** - Joseph B. Solodow 2010-01-21

In Latin Alive, Joseph Solodow tells the story of how Latin developed into modern French, Spanish, and Italian, and deeply affected English as well. Offering a gripping narrative of language change, Solodow charts Latin's course from classical times to the modern era, with focus on the first millennium of the Common Era. Though the Romance languages evolved directly from Latin, Solodow shows how every important feature of Latin's evolution is also reflected in English. His story includes scores of intriguing etymologies, along with many concrete examples of texts, studies, scholars, anecdotes, and historical events; observations on language; and more. Written with crystalline clarity, this book tells the story of the Romance languages for the general reader and to illustrate so amply Latin's many-sided survival in English as well.

**In the Time of the Butterflies** - Julia Alvarez 2010-01-12

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

[The Routledge Introductory Course in Modern Hebrew](#) - Giore Etzion 2019-09-02

The Routledge Introductory Course in Modern Hebrew is an integrated language course designed ideally for classroom-based learners. **Soccer Vs. the State** - Gabriel Kuhn 2018-10

Soccer has turned into a multi-billion-dollar industry. Professionalism and commercialization dominate its global image. Yet the game retains a rebellious side, maybe more so than any other sport co-opted by money makers and corrupt politicians. From its roots in working-class England to political protests by players and fans, and a current radical soccer underground, the notion of football as the "people's game" has been kept alive by numerous individuals, teams, and communities. This book not only traces this history, but also reflects on common criticisms: soccer ferments nationalism, serves right-wing powers, and fosters competitiveness. Acknowledging these concerns, alternative perspectives on the game are explored, down to practical examples of egalitarian DIY soccer! Soccer vs. the State serves both as an orientation for the politically conscious football supporter and as an inspiration for those who try to pursue the love of the game away from televisions and big stadiums, bringing it to back alleys and muddy pastures. This second edition has been expanded to cover events of recent years, including the involvement of soccer fans in the Middle Eastern uprisings of 2011-2013, the FIFA scandal of 2015, and the 2017 strike by the Danish women's team.

**Mierda!** - Frances de Talavera Berger 1990

A collection of hard-core curses, colorful colloquialisms, and streetwise slang never taught in Spanish class includes sample conversations, painless quizzes, tips on body gestures, and discussions of Spanish history, culture, and cuisine—complete with delightful cartoons.

**Multilingual Youth Practices in Computer Mediated Communication** - Cecelia Cutler 2021-03-11

With an eye to the playful, reflexive, self-conscious ways in which global youth engage with each other online, this volume analyzes user-generated data from these interactions to show how communication technologies and multilingual resources are deployed to project local as well as trans-local orientations. With examples from a range of multilingual settings, each author explores how youth exploit the creative, heteroglossic potential of their linguistic repertoires, from rudimentary attempts to engage with others in a second language to hybrid multilingual practices. Often, their linguistic, orthographic, and stylistic choices challenge linguistic purity and prescriptive correctness, yet, in other cases, their utterances constitute language policing, linking 'standardness' or 'correctness' to piety, trans-local affiliation, or national belonging. Written for advanced undergraduates, postgraduates and researchers in linguistics, applied linguistics, education and media and communication studies, this volume is a timely and readymade resource for researching online multilingualism with a range of methodologies and perspectives.

**Cyborgs in Latin America** - J. Brown 2010-08-18

A PDF version of this book is available for free in open access via the OAPEN Library platform, [www.oapen.org](http://www.oapen.org). Cyborgs in Latin America explores the ways cultural expression in Latin America has grappled with the changing relationships between technology and human identity.

**Gender, Heteroglossia and Power** - Joan Pujolar 2001-01-01

**Borderlands** - Gloria Anzaldúa 1987

Second edition of Gloria Anzaldúa's major work, with a new critical introduction by Chicano Studies scholar and new reflections by Anzaldúa.

**Quick Guide to Cuban Spanish** - Jared Romey 2014-07-18

With the help of native Cubans we compiled this collection of words and phrases used on the largest island of the Antilles. We concisely explain them in English and share example sentences. In this book you will find Spanish words that have a particular meaning or use for Cubans. You'll find some examples of words that are used regionally and the vulgar words that are inevitable in colloquial Spanish. Words like "asere," "empingao," "yuma," "jamonero" and "majomía" will no longer be a mystery with this book of Spanish vocabulary words from Cuba. The Quick Guide to Cuban Spanish includes a total of 952 words, phrases or sayings that have been used for generations. In addition the words are paired with 429 synonyms or related words and 430 entries include at least one example sentence. It also includes 65 black and white illustrations. IS THIS BOOK FOR ME? This book contains words that are not appropriate for kids. If you are just starting to learn Spanish, this book is best used as a complementary reference source to any program or class designed to teach you Spanish. This book and the other books of the Speaking Latino series are not designed as stand-alone learning aids, to teach you Spanish. Instead, they expand your country-specific Spanish vocabulary. If you already speak Spanish, this book help you understand local Spanish from Cuba. Be sure to use the Amazon Look Inside function to see what this book will and will not teach.

**Fluent in 3 Months** - Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

**Durruti in the Spanish Revolution** - Abel Paz 2007

A political biography, history of a revolutionary era, and nonstop adventure story across three continents.

**Dirty Spanish: Third Edition** - Juan Caballero 2021-11-02

Learn the slang words, modern phrases, and curses they definitely never taught you in Spanish class with this super-handly and hilariously improper English-Spanish phrasebook. You already know enough Spanish to get by, but you want to be able to tell those inside jokes, greet your friends in a laid-back manner, and casually pick someone up at a bar. From "What's up?" to "Wanna go home with me?" Dirty Spanish will teach you how to speak like you're a regular on the streets of Madrid or Buenos Aires. But you'll also discover material that goes beyond a traditional phrasebook, including: Hilarious insults Provocative facts Explicit swear words Themed Spanish cocktails And more! Next time you're traveling to Spain, Mexico, or Argentina, pick up this book, drop the textbook formality, and get dirty!

**Same Sun Here** - Neela Vaswani 2012-02-14

In this extraordinary novel in letters, an Indian immigrant girl in New York City and a Kentucky coal miner's son find strength and perspective by sharing their true selves across the miles. Meena and River have a lot in common: fathers forced to work away from home to make ends meet, grandmothers who mean the world to them, and faithful dogs. But Meena is an Indian immigrant girl living in New York City's Chinatown, while River is a Kentucky coal miner's son. As Meena's family studies for citizenship exams and River's town faces devastating mountaintop removal, this unlikely pair become pen pals, sharing thoughts and, as their camaraderie deepens, discovering common ground in their disparate experiences. With honesty and humor, Meena and River bridge the miles between them, creating a friendship that inspires bravery and defeats cultural misconceptions. Narrated in two voices, each voice distinctly articulated by a separate gifted author, this chronicle of two lives powerfully conveys the great value of being and having a friend and the joys of opening our lives to others who live beneath the same sun.

**Genocide as Social Practice** - Daniel Feierstein 2014-05-14

Genocide not only annihilates people but also destroys and reorganizes social relations, using terror as a method. In Genocide as Social Practice, social scientist Daniel Feierstein looks at the policies of state-

sponsored repression pursued by the Argentine military dictatorship against political opponents between 1976 and 1983 and those pursued by the Third Reich between 1933 and 1945. He finds similarities, not in the extent of the horror but in terms of the goals of the perpetrators. The Nazis resorted to ruthless methods in part to stifle dissent but even more importantly to reorganize German society into a Volksgemeinschaft, or people's community, in which racial solidarity would supposedly replace class struggle. The situation in Argentina echoes this. After seizing power in 1976, the Argentine military described its own program of forced disappearances, torture, and murder as a "process of national reorganization" aimed at remodeling society on "Western and Christian" lines. For Feierstein, genocide can be considered a technology of power—a form of social engineering—that creates, destroys, or reorganizes

relationships within a given society. It influences the ways in which different social groups construct their identity and the identity of others, thus shaping the way that groups interrelate. Feierstein establishes continuity between the "reorganizing genocide" first practiced by the Nazis in concentration camps and the more complex version—complex in terms of the symbolic and material closure of social relationships—later applied in Argentina. In conclusion, he speculates on how to construct a political culture capable of confronting and resisting these trends. First published in Argentina, in Spanish, *Genocide as Social Practice* has since been translated into many languages, now including this English edition. The book provides a distinctive and valuable look at genocide through the lens of Latin America as well as Europe.
