NOVEMBER 2018

P O BOX 62 , WORLAND

Members all,

Fall has definitely arrived and harvest is in full swing. I love to see the changing leaves that mark the changing of the seasons.

There has been lots of work happening at the Lodge as well. This summer we had a small flood in the basement and we have been working to get new flooring in the basement. If you have not seen it stop down and check out the kid's room and basement flooring! It looks great. We will also be updating the downstairs bathrooms. If you would like to help please let me know and I can get you in contact with the right people.

With November comes Veterans Day on November 11th. We all have veterans in our lives so be sure to thank them for the sacrifices they have made for our country in the past, present and those continuing to serve.

It is also the time of year to get your Christmas parties scheduled. I know some of the days fill up fast so get your call in to Marilyn to get on the schedule.

Finally I would like to say thank you to all of the volunteers in our organization. Whether you work where others can see you or if you are behind the scenes, **THANK YOU FOR ALL YOU DO!**

Heidi Rutledge, Exalted Ruler
