From the Desk of the Secretary

By the time this bulletin is published all of you should have received your 18-19 dues notices. Please consider getting those paid as soon as you can. Also, this is final call for all of those that have not paid their 17-18 dues. As of March 15th, you will be dropped from our roster. The Elks across the nation does so many things for homeless, the needy and our veterans so please consider maintaining your membership to support these great causes.

I have been scarce lately but hope to be in the office more as we go forward the next couple of months so always remember if you need anything or have questions / issues with your membership you may contact me by any of the means below.

Ron Newnum, Lodge 660 Secretary

Drop Time Lounge News

I wanted to thank everyone that helped with the bowling tournament in January. Our guests had a great time and our volunteers really stepped up to help make it work. Dan did a great job for his first year of running the tournament and Perry and Susie did an amazing job on the prime rib. Thank you all!! Things have started picking up at the Lodge with a lot of functions and meals happening. Our free Officer Installation dinner will be on March 24th. Please come down, congratulate our new officers and have a great dinner. We will also have some silent auctions you can participate in. We are also having St. Patrick's Day dinner with Shane and Dan as cooks this year. Please come on down and have a green beer along with your meal. Watch our bulletin boards around the Club for more information on the Manager's Choice Meals as well as other special functions in the works.

Our members are the heart and soul of our Lodge, your continued support shows that and is greatly appreciated.

Club Manager

Building Committee

The building and house committees need your help. We have many items floating around our building that need to be disposed of or at least put away properly before our end of year inventory is performed. We have called a workday on **March 3rd and April 7th at 8 am**. We can use people, work gloves, hammers, screw drivers and trailers to assist with what we would like to accomplish. Please mark on your calendar and plan to attend. Remember it is your Lodge and is only as good as we make it.
