B.P.O. Elks Lodge 1713

March, 2018

Dear Members All,

We had a busy meeting, voting for the new officers. My congratulations to all of you. It is important for our members to stay involved by coming to the meetings. We need new and tenured members to help with the important decision making that helps us as a lodge, club and a community. That being said it has been great to see so many members coming in and volunteering with bingo and Friday night dinners.

We have some wonderful Friday night dinners coming up this month please come in and join in the fun. Our annual halibut dinner is on March 9th and Fried Chicken the following Friday on the 16th.

Corey will be doing some drink specials for St. Patrick's Day so be sure to stop in and raise a glass and maybe sing some Irish Folk songs.

As we continue to celebrate the 150 years of the Elks birthday, I ask all of our members to come in and get involved. Don't wait for a call you are already welcome to help. Show up! We love to see you. It is your lodge. I have had a great year serving as Exalted Ruler. I've made so many new friends and cherish the time I was able to spend with all of you. Looking forward to next year and helping Lisa be successful.

Yours in Elkdom,
Valerie Peterson

A Blast from the Past

Did you rock the Lodge in the 80s? 90s? We're getting together June 22 at the Club for a reunion party. Elks, Does and friends.

Everyone is welcome. Please pass the word as we're trying to locate everyone we can. You new Elks can come learn some first hand history of the Elks Lodge in the "Golden/Olden" days. 

I am retiring from my committee responsibilities at the Elks. After 28 years of being either an officer or serving on several committees, it is time I let someone else in on the fun. I'm also out of town a lot, with leaving for the winter and going to Las Vegas to see my grandkids. The Elks need more volunteers to help out. I know it sounds daunting and like a lot of work- it isn't. Officially I am the Newsletter editor and Audit Committee chairman. If you have an extra 3-4 hours a month you could do both. For Newsletter editor you need Publisher in your Microsoft Office Suite. If you don't have publisher we can get it for you. For Audit committee, you get everything from the bookkeeper and give it to the accountants. You get it back, mail the tax returns and report to the Lodge at a meeting on how they did. Unofficially I take care of Audio and Internet needs. Again, a very easy job. Mainly setting up AV equipment and telling some one to go up stairs and reset the router. Email me at csamples@wyoming.com or call (307)413-0185. Leave a message as I usually don't pick on unknown callers. **Chuck Samples**
