A Message from your Exalted Ruler

Members All,

September is here already two thirds of the year is gone. We have several things coming up in the months to come. Among them are bowling league starting, Thursday night's happy hours still going on, burger nights, Friday meals and Queen of Hearts continues, just to mention a few. Come on down and enjoy.

Robert is going to put on a Halloween party on October 27th at 6 pm. There will be games, costume prizes and drink specials. September 100 Club will be postponed because of Labor Day so we will have 2 drawings in October. Come on down and enjoy. Dinner is open to all members for a small fee.

Finally, school has started so be extra careful driving and watch out for the little ones. Enjoy your fall and visit us for football and all the other activities going on. Check them out in the rest of the bulletin.

Fraternally,

Gary Hinesley, ER

Reminder to all Members:

"The faults of our members we write upon the sand / their virtues upon the tablets of love and memory"

Please remember this in your day to day dealings with everyone it is an important part of your obligation and we should all use it in our daily lives.

A Chukkle or Two from McGoo

Ma and I ran into our Rancher friend, ole Brandin Hipps from just South of Buford. He was telling us about his son "Skinny" and his unfortunate divorce. It seems the custody of their children caused a considerable problem. Skinny's Ex jumped up and protested to the Judge that since she brought the children into this world, she should retain custody of them.

The Judge then asked Skinny what might be his retort. After a bit of silence, Skinny rose from his chair and replied, "Your Honor, when I put a dollar in a vending machine and a Coke comes out, does the Coke belong to me or the machine?" The case has yet to be decided, but Ma and I agreed that Skinny seems to have inherited his Father's sense of logic.

Later that same day we were shopping at the Wally-World store and ran into our Barber friend, ole Clip Folical. He told us about his experiences from last week...A Florist came in for a haircut and after the job was done asked what he owed. Clip replied that he couldn't accept money because he was doing "Community Service," that whole week. The Florist was pleased and left the shop. When Clip opened the shop the following morning, there was a nice 'Thank you' card and a dozen roses waiting for him at his door.

Later a Policeman comes in for a haircut and when he tries to pay his bill, Clip again replied, "I cannot accept money from you, I'm doing community service this week." The cop was happy and left the shop. The next morning when Clip went to open up, there was a "thank you" card and a dozen donuts waiting for him at his door.

Then a Congressman came in for a haircut, and when he went to pay his bill, Clip replied, "I cannot accept money from you. I'm doing community service this week." The Congressman was very happy and left the shop. The next morning, when Clip went to open up, there were a dozen Congressmen lined up waiting for a free haircut.

Clip then advised that his story illustrated the fundamental difference between the citizens of our country and the politicians who run it. He added a Quote from Ronald Reagan:

BOTH POLITICIANS AND DIAPERS NEED TO BE CHANGED OFTEN AND FOR THE SAME REASON!

Looks like I don't need a closing remark this time, President Reagan's quote should suffice nicely.

From the Desk of the Secretary

The Friends of 660 board is updated so let me know if I missed anyone or there are any issues.

If you haven't paid your dues for 18-19 reminder letters went out late August. I hope to hear from all of you not yet paid. Remember if your dues aren't paid you are an "Elk not in good standing" and have no privileges of being an Elk so please support us and the community by paying your dues.

Remember, as always, if you ever need anything pertaining to the Lodge, or even the Club you can contact me at 514-5717, my cell 421-4173 or Cheyenneelks2017@gmail.com

Drop Time Lounge News

Due to Family situations at this time I am resigning as Club Manager at the end of August. They have already found an awesome replacement, Craig Alexander! Come on down to the Lodge and introduce yourself if you don't already know him. I will continue to help cook or where ever else I can when available.

I want to thank everyone that has stepped up and helped me out during this difficult times.

Continue to watch our bulletin boards around the Club for more information on upcoming events and any special functions. Our members continue to be the heart and soul of our Lodge, and your continued support shows that and is greatly appreciated.
