A Message from your Exalted Ruler

Members All,

Here it is January already. This year is flying by. These next two months are going to be busy ones. We have the bowling tournament and State Convention to attend. And as usual, meals on Fridays and Tuesdays, Queen of Hearts on Tuesdays and other things going on. Check out the newsletter for dates and times.

I hope everyone had a Merry Christmas and a Happy New Year. If you don't have any New Year's resolutions, just remember that as of January 1st you have 365 opportunities to make a difference in your life or the life of someone else. Don't let a day go by that you cannot improve something. Until the next newsletter, I'm signing off and wishing everyone a great year ahead.

Faternally,

Gary Hinesley, ER

A Chukkle or Two from McGoo

- Was visiting with our Pastor friend, ole Reedin Salms, and he related this humorous story...
- He asked if anyone in the congregation would like to express praise for answered prayers.
- Suzie Smith stood and walked to the podium. She said, "I have a praise. Two months ago, my husband, Phil, had a terrible motorcycle wreck and his scrotum was completely crushed. The pain was excruciating and the doctors didn't know if they could help him."
- You could hear a muffled gasp from the men in the congregation as they imagined the pain that poor Phil must have experienced.
- "Phil was unable to hold me or the children," she went on, "and every move caused him terrible pain. We prayed as the doctors performed a delicate operation, and it turned out they were able to piece together the crushed remnants of Phil's scrotum and wrap wire around it to hold it in place."
- Again, the men in the congregation cringed and squirmed uncomfortably as they imagined the horrible surgery performed on Phil.
- "Now," she announced in a quivering voice, "thank the Lord, Phil is out of the hospital and the doctors say that with time his scrotum should recover completely."
- All the men sighed with unified relief. The pastor rose and tentatively asked if anyone else had something to say.
- A man stood up and walked slowly to the podium. He said, "Hi, I'm Phil."
- The entire congregation held its breath. "I just want to tell my wife the word is sternum."
- ***Now on to a little more serious note... As many of you are aware, we lost our flagpole to wind damage and need to replace it. A motion was made and voted into effect to allow an expenditure of up to \$2,500.00, from the "Friends of 660" account to cover the cost of this replacement. Unfortunately this will nearly dissolve the balance in this account. If you might be willing to donate any amount for this cause, please do so. Make your check payable to Friends of 660 and write "Flagpole" on the memo line, or attach a note to cash donations, and your donation will be applied to this worthy project. I thank you in advance for your consideration.***
- I will leave you for this issue with this thought...Gone are the days when girls used to cook like their mothers.
- Now they drink like their fathers.
