A Message from your Exalted Ruler

Members All,

Hope the summer is going well for all. We have had a lot of fun down at the Lodge. Robert brought in a comedy act which was a hit! On Cheyenne Day, Robert and his crew offered up a "Milk Can Dinner," that was well attended. Thank you, Robert and crew, for all your hard work—it is much appreciated!

Also during Frontier Days, the PERs hosted a daily lunch. Thank you for all that helped!

At the end of June/first of July, my wife, Becky, and I attended the Grand Lodge convention in St. Louis. We learned a lot talking with other Elk members. The agenda included three days of reports given by different committees, extended discussions regarding memberships and voted on changes to the Statutes—15 in all. Some of the changes will benefit Elks 660 and other changes will not affect us. I brought home newsletters from daily events if anyone is interested to learn more.

Before I close, a reminder that school is starting up and we do have "kid funds" for children in need. There are applications at the Lodge. So be alert and watch your speed, especially in school zones. Keep our children safe!

Fraternally, Randy Moss, 2019-2020 Exalted Ruler

From the Desk of the Secretary

I hope everyone had a good summer and look forward to seeing everyone soon.

For those that have not paid 19-20 dues as of yet the reminders will be going out soon.

Congratulations to Leonard Trebor on turning 100 last month and for being a member for 72 years. Big hoorah on both counts.

Lastly, I am back in the office so if you need anything please remember you can contact me about any Elk business. As always you may contact me for any issues or questions. CheyenneElks2017@gmail.com

A Chuckle or Two from McGoo

If you have read this column before, you've probably heard me mention our neighbor lady, Cookie Baker and her son-in-law, Rock Klimber, who happens to be a Policeman. Seems Rock shared a story with Cookie that she told us and I thought you might like it too.

Rock stopped a fellow about five past one in the wee hours of the morning. He appeared to be somewhat intoxicated so Rock asked him what he might be doing out and about at such an hour. He replied, "I'm going to a seminar on the many ill effects using alcohol." Rock was sure the man must be pulling his leg and asked, "Who in the world would be presenting such a seminar at this hour of the night?" "My wife," replied the man.

Another short one about Rock... He worked at a restaurant waiting tables before he joined the Police Force. He mentioned one day when a young lady asked him if he could bring her what a gentleman across the isle was having. Rock replied, "No, I think he wants to eat it."

While shopping at the Wally World store, I ran into Chick Farmer, our chicken raising friend from Burns. He told me this story about his 92 year old dad, Tater.

Seems Tater was down by the pond on Chick's farm and discovered a talking frog. The frog told him, "If you kiss me, I will turn into a beautiful Princess and I'll make love with you for a week." Tater put the frog in his pocket and headed home. The frog screams, "Hey, if you kiss me, I'll turn into a beautiful Princess and make love with you for a whole month."

Tater answered, "At my age a beautiful Princess wouldn't be such a great deal, but if I take a talking frog to the Lodge, everyone there will want to buy me a drink."

I suppose with that, I ought to close this and let you get on to the other parts of this issue. I'll leave you with this note about my sister-in-law... When she saw her first gray hair, she thought she would dye.
