A Message from your Exalted Ruler

Members All,

It's that time again. We have had lots of fun at the Lodge our last two months. Robert had a Halloween party and a Thanksgiving dinner. Barb put together a great group of people to help with care packages for the Guards. She is also still working with Welcome Home Vets. Robert and Shirley did a really good job with the National Guard "Father Daughter Dance." Robert and Crew held the "Hoop Shoot" and are going to host the District's at LCCC in January. I would like to thank all our members who stepped up with all the different events.

I wish all of you a very Happy New Year and look forward to seeing you at the Lodge during 2020. Be sure to check Facebook to see what events are coming up.

Remember...membership, membership!!!

Fraternally, Randy Moss, 2019-2020 Exalted Ruler

A Chukkle or Two from McGoo

We ran into our poultry raising friend from Burns, ole Chick Farmer, while shopping at the Wally World Store. He shared a story that he had heard from our psychiatrist friend, ole, Figger Mount.

Seems Figger had a patient that complained of horrible nightmares about monsters that resided under his bed. Figger told him that he should be able to cure him in just three visits at a paltry sum of just \$300.00 per visit. The patient said that he thought that was a little steep and he would have to think about it for awhile. After quite a long time, about eight months, Figger ran into the patient right in front of the Elks Lodge.

Figger asked him if he was still having the nightmares about monsters under his bed and the patient replied, "Well, ya know, when I left your office I came down here to the Elks Lodge and ole Rich, the Bartender, cured my problem for free." "He suggested that I should saw the legs off of my bed."

That story reminded me of the time Ole Tippin D. Bottel, a really nice fellow with a bit of a drinking problem, came into the Elks Lodge and Rich, that same Bartender was on duty.

Seems ole Tippin would order a draft beer, take out his wallet and look at a picture of his wife, then he would chug the beer and order another. After this had happened several times Rich asked why Tippin kept looking at his wife's picture before chugging his beer. Tippin replied, "When she starts looking good to me, I'll go home."

On that note, I probably better close for this time. First I want to wish you all a really super 2020. Ya'all be kind to one another and God bless every one of you.

From the Desk of the Secretary

Happy New Year to all. I hope you survived all the holidays and are ready for the coming year. The fiscal year is winding down for 19-20 and we are getting ready for 20-21. New dues notices will be going out towards the middle of February and unfortunately, they are going up. New dues rates will be \$85 for regular and \$45 for Life members. The increases in everything we do has made this necessary for us to do. Our Lodge dues themselves haven't been raised in over 10 years. Please remember all the good things we do for Veterans, Children and the community and continue supporting the Elks.

Remember the first meeting in February is nomination of next year's officers and the 2nd meeting their election. We will also vote on eligible new Life members at one of these meetings.

2020 100 Club will start on the 4th of January but can be joined at any time during the year. Please pay your 2020 dues or come join us to support our Youth Activities for the coming year. Contact me for questions or to pay. Also, if you are interested in cooking one of the monthly meals, please contact me as well.

As always, you may contact me for any issues or questions. CheyenneElks2017@gmail.com

Drop Time Lounge News

Here we are of two thirds of the way through the year. I hope that everyone had a good Christmas and Happy New Year.

WE are STILL looking for people (Teams) to cook on the fourth (4th) Friday of each month. Let either Ron, Robert or myself know if you are interested. We can explain what it will take to put this meal of your choice on.

I would like to congratulate and thank Barb Spier on the terrific job she did for Wyoming Guard members care packages for our deployed overseas. Let's not forget all the Lodge members that helped in packaging the item's that were sent.

Starting in January Meat the Game meal will run from 6 pm – 7 pm.

Remember the Lodge is your home it is your responsibly as a member to help us keep it clean. If you drop food or anything stop and pick it up. Walking through it just makes a bigger mess.

Remember to support your Lodge, which means, Grand Lodge, State Association Programs, City and County efforts help our Community. By supporting these programs it makes our community aware of all the efforts that our Lodge does for the city. And with clean up days at that Lodge along with help with the night meals. Remember to support your Lodge. *Jim Robinson, Club Manager*
