### A Message from your Exalted Ruler

#### Members All,

As we begin new year, I encourage all to take a few moments to reflect on how lucky we are to be Elks. Over the course of last year, the generosity of our members allowed us to help so many in our community. I look forward to praising our members again this year. Perhaps we can do even more.

We were able to remodel the Club recently and encourage everyone to come and enjoy the offerings.

I would also like to remind all members that any fund-raising ideas you have, please let us know. If you are interested in any charity, youth activity, or other Lodge function, please come and get involved.

As always, please look for Ron's Weekly Happenings emails and notices to stay up to date. If you have not submitted your email address to Ron, I encourage you to do so. Also remember we have a Web site and a Facebook page for those who use social media.

I look forward to another great year.

Fraternally yours,  
**Exalted Ruler Perry Helgeson**

## ***From Desk of Secretary***

Happy Start to a new Lodge year to all our faithful members. I hope you survived all the virus issues that have come our way, the recent snow storm and are ready to begin anew this Spring. Thank you to everyone that have paid their 21-22 dues already. It is greatly appreciated and will be put to good use at the Lodge and around the community.

Kudos to everyone that helped us meet the Grand Lodge (GL) ENF per capita goal again this year. This allows us to apply for all the grants they have. Last year we acquired over \$10,000.00 from GL Programs that were distributing around the Cheyenne community.

Having said all of that using the GL program for dues notices caused us an issue. They did not include the normal request for donation categories we usually send your way. So if you are so inclined please remember, and send a donation, for Elks National Foundation, Wyoming Elks State Trust or our own Friends of 660 funds.

I look forward to seeing all of you soon,  
**Secretary Ron**
