

WORLAND 1908 THE BUGLE

Elks Care—Elks Share

JUNE 2024

P O BOX 62 WORLAND,WY 82401

Members All,

My first month as Exalted Ruler was busy. We had our walleye, bull fry, and chicken wings dinner, and it was good food, as always. Thank you to the Kim and Kari Barr, Larry Hill, Gary Lane and Ken Kucera ,who cooked and Chad Jones who ran the food.

Mother’s Day brunch was served with lots of good food. Thank you to those who helped with cooking, serving, cleaning tables, and hosting. We had all homemade salads and homemade desserts.

Wyoming State Elks convention was held in Casper recently. Marilyn, Chad, Robert, Heidi and Rosslyn attended. New State officers were installed for the upcoming year of 2024-25. Heidi was installed as 1st Vice President this year and will be Wyoming Elks State President next year.

We will be hosting the spring convention May 1-4, 2025. Heidi will be installed as the Wyoming State Elks President. We will be looking for help with a lot of duties to host this convention. If you can help with anything, please contact Marilyn, Heidi, or myself.

We will be installing a new App called My Elks App. Details on how to get the app are in the newsletter. You can download for free and you can look for the specials, or events coming up. We hope you will download and share with your friends and family.

Welcome Bob Nelsen and his wife Tana who have become members of our Lodge. They have met many Elks in their travels. They will be traveling on a 3-4 month trip. We hope they will enjoy the new family of Elkdom.

Memorial Day wraps up the month of May. Remember those who lost their lives during the wars.

Elks Care – Elks Share is what we as Elks Do.

Our Lodge received this plaque at the State Meeting in May. We earned this recognition through the donations to W.E.S.T. that our members included with their dues or sent directly to us for the Elks' Major Project, which is needy youth. We actually raised and spent over \$12,000 this year. This fund helps buy clothes, glasses and dental care for needy youth in our area. THANK YOU for your generous donations!

WE ARE OPEN TUESDAY - FRIDAY AND MOST SATURDAYS 4:00 TO CLOSE.
COME PLAY KENO OR COWBOY SKILL GAMES
